V. Previous Participation Certification

Development Name: Coralain Gardens - 9%

Name of Applicant (entity): ECD Coralain Gardens 9 LLC

The undersigned, being duly authorized to sign on behalf of the Applicant, provide this Certification with the understanding that Virginia Housing intends to rely upon the statements made herein for the purpose of awarding and allocating federal low-income housing tax credits.

The following terms shall be defined as follows *for the purpose of this Certification only* :

- “Principal” has the same meaning as defined within the QAP, but as applied to each specific property referenced within this Certification, it excludes individuals and entities whose ownership interest is solely vested in limited partnership interests of the ownership entity.
- “Participant” means all Principals of the Owner who are required to be individually listed within **the organizational chart attached hereto**.

1. All the statements made within this Certification are true, complete and correct to the best of my knowledge and belief and are made in good faith, including the data contained within the organizational charts and any statements attached to this Certification, and I will immediately alert Virginia Housing should I become aware of any information prior to the application deadline which may render my statements herein false or misleading.

2. During any time within the past ten (10) years that any of the Participants were Principals in any multifamily rental property, no mortgagee of any such property declared a default under its mortgage loan or assigned it to the mortgage insurer (governmental or private); no such property was foreclosed upon or dispossessed pursuant to a deed-in-lieu of foreclosure; and no such property received mortgage relief from the mortgagee. For purposes of this statement, "declared a default" refers only to final notices of default issued after the exhaustion of all applicable notice and cure rights.

3. During any time within the last ten (10) years that any of the Participants were a Principal in an owner of multifamily rental property, no such owner was determined to have breached any agreement related to the construction or rehabilitation, use, operation, management or disposition of the property, including removal from a partnership or limited liability company. For the purposes of this statement, "determined to have breached" refers only to determinations made by an independent third-party arbiter or court of law following the expiration of all applicable notice and cure periods and excludes default judgments that have been fully satisfied.

4. No Participant listed in this Certification has been required to turn control of a property over to an investor or been otherwise involuntarily removed as a general partner from the ownership of a multifamily rental property within the past ten (10) years.

5. There are no unresolved material findings of noncompliance resulting from any audits, management reviews, or other governmental investigations performed by (or on behalf of) any state or federal entity, concerning any multifamily rental property in which any of the Participants were Principals at the time of such finding. For the purposes of this statement, a finding is considered resolved if either (a) the state or federal entity issuing the finding has determined that no further action is required to remedy the finding; or (b) the Participant (or entity in which it is a Principal) has entered into a binding agreement with the applicable state or federal entity to address such finding(s) and the Applicant has included with this Certification a copy of such agreement accompanied by a written statement from the state or federal entity verifying that such agreement is not in default and is reasonably expected to be satisfied within (90) days. Any such statement must be addressed to Virginia Housing and dated no more than thirty (30) days prior to submission of the Application.

6. During the past ten (10) years, no Participants were Principals in any multifamily rental property for which payments under any state or federal assistance contract were suspended or terminated. For the purposes of this statement, suspensions and terminations do not include those caused solely by actions or inactions of the state or federal agency, like funding shortages, technical issues, or administrative delays, where the Principals were not at fault.

7. None of the Participants have been convicted of a felony and none are presently the subject of a complaint of indictment charging a felony. A felony is defined as any offense punishable by imprisonment for a term exceeding one year, but does not include any offense classified as a misdemeanor under the laws of a state and punishable by imprisonment of two years or less.

8. No Participant has been suspended, debarred, or otherwise restricted by any federal or state entity from participating in housing programs administered by such entity due to programmatic noncompliance on the part of either the Participant or an entity in which the Participant was a Principal.

9. During the past ten (10) years, (a) no Participant has been the subject of a claim under an employee fidelity bond; and (b) while any Participant was a Principal in an owner of multifamily rental property, no Participant or such related owner defaulted on any obligation secured by a letter of credit or surety or performance bond. For the purposes of this statement, "defaulted" refers only to events where funds were paid by the issuer of a letter of credit or surety or performance bond.

10. No Participant is a Virginia Housing employee or a member of the immediate household of any Virginia Housing employee.

11. No Participant currently holds an ownership interest in a multifamily rental property where construction has stopped for more than 20 consecutive days, unless the stoppage:

- (a) resulted from events beyond the reasonable control of the property owner that also caused similar delays in comparable projects in the surrounding area (e.g. natural disasters, labor strikes, pandemics, or government-imposed work stoppages); or
- (b) solely involves work neither contractually required as a condition of tax credit allocation nor required prior to placing in service all residential buildings within such project.

Additionally, no Participant currently holds an ownership interest in a multifamily rental property assisted by a federal or state governmental entity and that has been substantially complete for more than 90 days without the required closing documents (such as the final cost certification) being filed, unless the delay is solely attributable to the governmental entity and not to the property owner or its agents.

12. No court of competent jurisdiction or other federal or state governmental entity has found any Participant to be in violation of any applicable civil rights, fair housing, or equal employment opportunity laws or regulations.

13. During the past ten (10) years, no Participant was a Principal in any multifamily rental property found by a court of competent jurisdiction or other federal or state governmental entity to have failed to comply with Section 42 of the Internal Revenue Code of 1986, as amended (this statement does not refer to 8823s deemed corrected by the issuing agency).

14. No Participants are currently named as a defendant in a civil lawsuit relating to their ownership or other participation in a multi-family housing development where the amount of damages sought by the plaintiffs against the Participants relates to such ownership or participation and is for an amount greater than One Million Dollars (\$1,000,000).

15. No Participant has pursued a Qualified Contract or planned foreclosure in Virginia after January 1, 2019.

Statements above (if any) to which I cannot certify have been deleted by striking through the words. In the case of any such deletion and failure to certify, I have attached the following, which if not provided will automatically disqualify this Application from consideration:

- A. Supporting documentation sufficient to both outline the relevant facts and circumstances that necessitated each deletion and to explain why such deletion(s) should not result in disqualification; and
- B. A draft of Virginia Housing's form Right of First Refusal, which the Applicant commits to properly execute and record as a condition of any reservation or allocation of low-income housing tax credits made with regard to the Development named above.

Any material misrepresentations or omissions made on this form are grounds for rejection of this Application, forfeiture of any credits awarded with connection with this Application, and prohibition against the submission of future applications.

If the Combined Max Allowable Credits is \$500,000 and the annual credit requested is \$200,000, you are providing a 60% savings for the program. This deal would receive all 100 credit points.

For another example, the annual credit requested is \$300,000 or a 40% savings for the program. Using a sliding scale, the credit points would be calculated by the difference between your savings and the desired 60% savings. Your savings divided by the goal of 60% times the max points of 100. In this example, $(40\%/60\%) \times 100$ or 66.67 points.

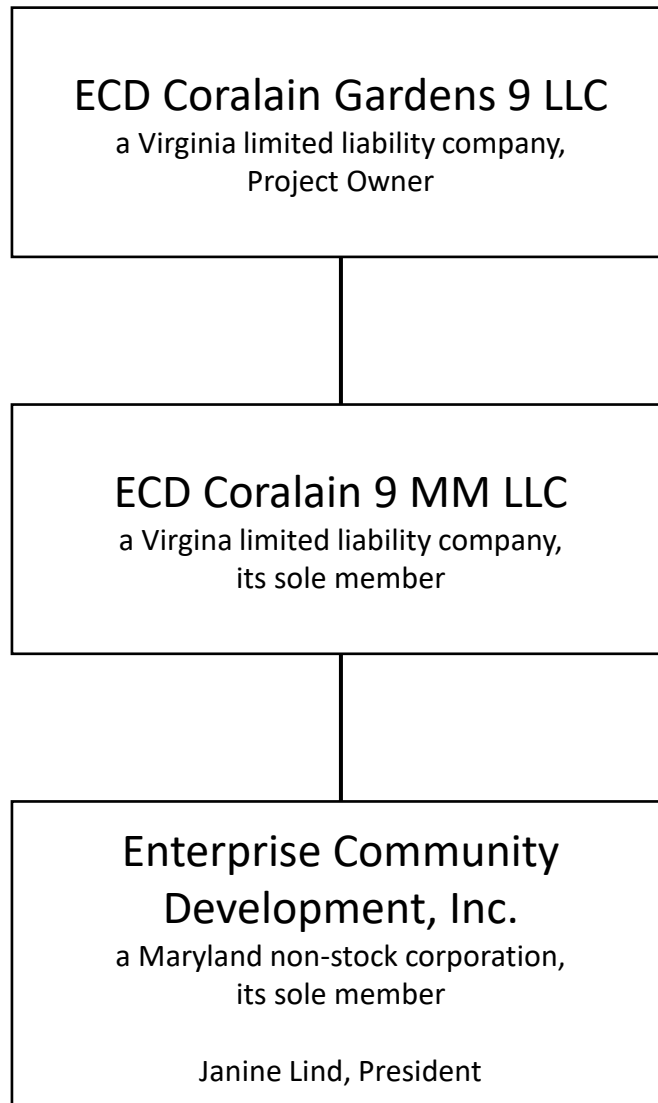

Tax Exempt Deals are granted a starting point value greater than zero to allow for the nature of these deals.

Combined Max	\$1,500,351
Credit Requested	\$950,000

If there is a discrepancy between any figures shown in this letter, compared to the projections shared by Enterprise, please defer to the projections.

Thank you for considering our proposal! This letter outlines the terms and conditions under which Enterprise Housing Credit Investments (“Enterprise”) as representative for one or more equity funds will make an equity investment in Coralain Gardens 9% (the "Project") located in Falls Church, VA.

A. The Project

- Involves the acquisition and rehabilitation of 42 rental units in 4 building(s), 100% of which will be leased to LIHTC-eligible households
- Is projected to qualify for:
 - \$950,000 of annual Federal Low-Income Housing Tax Credits (the "Federal Housing Credit"), based on the following tax credit percentages, which will be locked as of closing: 4% for acquisition and 9% for construction

B. Project Ownership, Fees, Cash Flow and Capital Proceeds Allocations

- Sponsored by Enterprise Community Development, Inc. (the “Sponsor”)
- The general partner will be a for-profit subsidiary of the Sponsor (the “General Partner”), which will be a single purpose entity with a 0.01% interest in the partnership. While the LOI refers to an LP structure for the partnership, the Sponsor may subsequently propose to use an LLP or LLC structure.
- The Enterprise equity fund will be the limited partner (the "Limited Partner") with a 99.99% interest in the partnership.
- Development Fee – the development fee in the amount of \$1,945,094, will be payable as follows:
 - \$1,626,465 is projected to be paid out of equity as detailed in Section C below
 - The remainder is deferred and paid from cash flow at the interest rate shown in the projections.
- Investor Services Fee - the Limited Partner will receive an investor services fee of \$5,000 inflating 3% per year, paid in accordance with Section E. Unpaid investor services fee will accrue without interest and be paid as a priority from subsequent cash flow or proceeds from refinancing or sale.
- Partnership Administration Fee - the General Partner will receive a partnership administration fee of up to \$29,000, inflating at 3% per year paid in accordance with Section E. Unpaid partnership administration fee will accrue without interest to be paid from subsequent cash flow or proceeds from refinancing or sale.
- Gross Income Allocation (GIA) - a priority cash distribution of 90% will be made to the General Partner (accompanied by a special allocation of an equal amount of income) with the remainder to the Limited Partner
- Credits and operating profits and losses - will be allocated 0.01% to the General Partner with the remainder to the Limited Partner
- Refinance or Sale Proceeds Split – proceeds will be distributed 90% to the General Partner with the remainder to the Limited Partner

C. Pricing of Credits and Schedule of Capital Contribution Payments

The Limited Partner proposes making an investment of \$7,456,754 based upon:

- \$0.7850 per dollar of Federal Housing Credit (“Federal Housing Credit Price”)

We assume the Limited Partner will be admitted to the partnership on the date reflected in the Projections. If prior to closing there are material changes in the underwriting or timing assumptions or Enterprise’s cost or availability of capital, the Limited Partner may adjust the investment. Capital contributions (“Payments”), as scheduled in the projections, will be due upon the satisfaction of conditions and delivery of the items outlined below, to the extent not provided at closing, with approval by the Limited Partner. All Payments are contingent upon satisfaction of the conditions of prior Payments, and receipt of reporting items (see Section I below) and representations and warranties to insure the Project’s viability. Additional conditions may be imposed during underwriting and will be reflected in the final partnership agreement (the “Partnership Agreement”).

- i. Cash Paid Enterprise Advance Note: Note that Payments funding prior to completion, but excluding the Admission Payment, will be funded in the form of a guaranteed loan (Note and Loan Guaranty but no Loan Agreement) and the Partnership will owe and pay interest charged at 8% through the end of the quarter for which completion is scheduled, at which time this Enterprise Advance Note will mature and be paid off with capital in the amount of the principal.

Developer fee paid from equity will be paid as reflected in the final Projections at Closing.

First Payment: Admission 25.00%

Up to the amount projected but limited to the amount needed to cover immediate costs.

Second Payment: Construction 57.87%

- Loan documents for loans closed as of the admission date.
- Owner’s title insurance policy
- Carryover allocation agreement and accountant certified 10% documentation
- Balanced draw request (AIA forms G702 and G703)
- Support for all soft costs.
- General contractor lien waivers
- All installments of this construction Payment are tied to the construction completion milestones outlined below, as certified by the project architect and subject to acceptance by the Limited Partner and its consultant.

Third Payment: Conversion/Stabilization 14.95%

Upon receipt of all prior payments’ required documentation and the following:

- Permanent certificates of occupancy for 100% of the units (for renovation projects, all applicable building department signoff on permits or recorded notice of completion or other such confirmation that the local government approves of the completed work may be acceptable in lieu of certificates of occupancy)
- Final mechanic's lien release and final AIA forms G702 and G703
- Final as-built ALTA survey
- Recorded extended use agreement. When the state process precludes recording the extended use agreement prior to the end of the first credit year, Enterprise may defer this requirement
- Final accountant certified cost certification documenting the Project's eligible basis, balanced sources and uses, calculation of annual credit.
- 98% documented tax credit qualified occupancy
- Credit projection
- Stabilization Date, which is the date that is the later of:
 - i. Construction completion
 - ii. The date the Project has satisfied the required debt service coverage ratio (the "Coverage Ratio") as shown in the final projections at Closing for a period of three (3) consecutive calendar months evidenced as a single time period, with revenues calculated on a cash basis and expenses on an accrual basis. Rental and operating subsidy payments receivable may be included in rental income (up to the projected subsidy income) provided such amounts are not more than sixty (60) days in arrears. Revenue shall not include non-recurring revenue nor tenant-based voucher income exceeding maximum Federal Housing Credit rents. Throughout this period, the underwritten physical occupancy of the residential units is achieved and revenue equals or exceeds projected effective gross income. Project expenses (including required reserve funding) will be the greater of:
 1. actual expenses; OR
 2. the lesser of
 - A. the expenses shown on the projections
 - B. the current approved budget

Note that the Coverage Ratio may be adjusted upward during underwriting to maintain appropriate minimum Coverage Ratio during the initial compliance period.
- Loan Conversion, which may be simultaneous with equity funding per this Payment.

Fourth Payment: 8609 2.19%

Upon receipt of:

- Receipt of IRS Form(s) 8609
- Tax return for the first Federal Housing Credit year

D. Adjusters

The maximum aggregate upward adjuster is 5% of the projected total capital contribution and payment thereof shall not be subject to any conditions other than as may be set forth below. The calculation of the adjuster will be subject to the Limited Partner's approval and include no negative tax implications to the Limited Partner. If the unpaid Payments are less than any downward adjustment, the General Partner will make a cash contribution in the amount of the deficiency on an after-tax basis to be distributed to the Limited Partner; credit adjuster advances shall be deemed a capital contribution of the General Partner, unless permitted, in the Limited Partner's sole discretion after tax analysis, to be made in the form of a non-interest bearing, cash-flow contingent loan. The specific adjustments follow:

1. Total Credit Adjuster:

If there is a reduction of total credits of any type at any time, as compared to projections, then the next Payment will be reduced. The amount of the downward adjuster will be the respective credit price multiplied by the reduction of the relevant credits.

If there is an increase of total credits of any type, as compared to projections then the aggregate capital contribution will be increased as of the Payment for which 8609s are received. The amount of the upward adjuster will be the respective credit price multiplied by the increase of the relevant credits.

2. Timing Adjuster:

If there is a reduction in equity according to the following paragraphs, it will be implemented as of the Payment dependent upon the Stabilization Date. Any additional equity funded under this section D.2 will be payable as part of the Payment requiring receipt of the relevant tax return showing the faster delivery, by year. If the Project delivers fewer or more Federal Housing Credits than shown in the final Projections, total capital contribution will be reduced by the price necessary to maintain the IRR reflected in the Projections.

The credit delivery shown is based on the unit leasing schedule shown on the Lease Up page in our attached projections. The timing adjusters may vary between LOI and final closing as the investor's internal rate of return requirement changes. If the increase in first year Federal Housing Credits results in any loss of Federal Housing Credits due to the 2/3 rule, the increase will be reduced by both the permanent loss of Federal Housing Credits and present value of the rescheduled credit delivery.

3. Recapture Adjuster

If the actual Federal Housing Credits allocated to the Limited Partner on the federal tax return are less than projected (after adjustments per D.1 and D.2 above), or there is recapture of Federal Housing Credits, then the Limited Partner's capital will be reduced by \$1.00 for every dollar reduction in the amount of Federal Housing Credits plus any interest and penalties imposed by the IRS.

If it is determined that a recapture adjuster will be applicable in subsequent years, the full adjuster for the future years will be made at the time of the initial determination. If the

unpaid capital contributions are less than this adjustment, the General Partner will make a cash contribution in the amount of the deficiency on an after-tax basis. This contribution will be distributed to the Limited Partner.

4. Depreciation Adjuster

Failure to make various General Partner or Sponsor tax and Project depreciation elections as called for in the projections and the Partnership Agreement will result in a reduction in capital contributions to reflect the reduction in benefits to the Limited Partner. If unpaid capital contributions are less than such adjustment, the General Partner will be required to make a cash contribution up to the amount of such reduction in tax benefits on an after-tax basis. This contribution will be distributed to the Limited Partner.

5. Excluded Credit Adjustment Amount

There will be no adjuster for any reduction or recapture of credits if such reduction or recapture is due solely to (i) an act or omission attributable to gross negligence or intentional misconduct of the Limited Partner in violation of the Partnership Agreement; (ii) the transfer by the Limited Partner of all or a portion of its interest in the Partnership; or (iii) any change in the Code or change in Treasury Regulations (except as related to the Average Income minimum set-aside election) that occurs after the effective date of the Partnership Agreement, with which the General Partner is unable to comply despite the exercise of good faith and reasonable efforts.

E. Application of Cash Flow and Refinance or Sale Proceeds

1. Cash Flow

Cash remaining after funding operating expenses, reserve deposits, and required debt service will be applied according to the following priorities:

- a) to the Limited Partner for:
 - i. unpaid credit deficiency
 - ii. taxes owed on taxable income allocated to the Limited Partner
 - iii. unpaid Investor Services Fees
- b) to replenish the operating reserve to required level.
- c) to the property manager for the cash flow portion of property management fee (if related manager)
- d) to the developer to pay off remaining deferred Development Fee
- e) to the General Partner
 - i. to reimburse operating deficit contributions
 - ii. for Partnership Administration Fee (if applicable)
 - iii. to reimburse development advances, at the Limited Partner's sole discretion after tax analysis
- f) Contingent loan payments with limits for each loan scheduled in the projections and in accordance with the loan documents. Note that if the loans require a different waterfall, then the loan documents take precedence, and we will adjust in underwriting based on the final negotiated waterfall.
- g) A percentage to the General Partner accompanied by a special allocation of income of such amount and the remainder to the Limited Partner per Section B above.

2. Capital (Refinance or Sale) Proceeds

The proceeds of a refinance or sale of the Partnership's property, net of paying off outstanding debt, will be distributed according to the following priorities:

- a) to the Limited Partner for
 - i. unpaid credit deficiency
 - ii. taxes owed resulting from the sale or refinancing.
 - iii. unpaid Investor Services Fees
- b) to the developer for unpaid Development Fee
- c) to the General Partner
 - i. to reimburse operating deficit contributions and credit adjuster advances
 - ii. for Partnership Administration Fee (if applicable)
 - iii. to reimburse development advances, at the Limited Partner's sole discretion after tax analysis
- d) Distributions to the General Partner and the remainder to the Limited Partner in accordance with Section B of this agreement.

F. Disposition of the Limited Partner's Interest

The Limited Partner will have an absolute right to withdraw from the Partnership after the credit period. Beginning after the credit period the Limited Partner may require the General Partner or its designee to purchase the Limited Partner's entire interest in the Partnership for one hundred dollars (\$100.00) and to provide adequate protection against the possibility of tax credit recapture through the end of the compliance period.

The General Partner will have the following purchase options which will terminate twelve months after each respective trigger date:

1. Purchase of the Limited Partner's Interest

The General Partner will have the option to purchase the Limited Partner's interest at the end of the initial compliance period for a price ("Buyout Price") equal to the greater of (a) the appraised value of the Limited Partner's interest subject to all applicable use restrictions, or (b) any taxes payable by the Limited Partner attributable to the sale of its interest in excess of projections.

2. Purchase of the Project

After the initial compliance period, the General Partner will have the option to purchase the Project for a price equal to the greater of (a) the as-is appraised value of the Project subject to all applicable use restrictions, or (b) (i) the total amount of debt on the Project, plus (ii) any taxes payable by the Limited Partner due to the sale, in excess of projections.

3. Right of First Refusal

The Sponsor, or another qualified 501(c)(3) corporation approved by Enterprise, will have a right of first refusal to purchase the real estate of the Partnership for a price equal to the sum of: (i) taxes payable by the Limited Partner due to the sale, and (ii) outstanding debt secured by the real estate.

G. General Partner Obligations

All obligations of the General Partner, including but not limited to the following, will be guaranteed by Sponsor (the “Guarantor”). The General Partner and Guarantor must demonstrate to Enterprise, in its sole and absolute discretion, their ability to provide meaningful guarantees. A detailed review of the Guarantor’s financial capacity and REO schedule will be completed prior to closing, and material declines in Guarantor capacity may result in a requirement for additional guarantors.

1. Guarantees

- a) Achieve lien-free construction completion, cover all development advances necessary for the completion of the Project, and convert to permanent financing at the amounts and terms shown in the projections. Advances under this guarantee will not be reimbursed, unless approved by the Limited Partner at their sole discretion, in which case they may be structured as non-interest bearing, cash-flow contingent loans.
- b) Advance funds needed to cover operating deficits until the later of the Stabilization Date or Loan Conversion.
- c) After the later of the Stabilization Date or Loan Conversion, advance funds needed to cover operating deficits up to 6 months of operating expenses, reserve contributions, and debt service. The duration of this guarantee is at least 5 consecutive audited years (including the calendar year of Stabilization or Loan Conversion) following the later of Loan Conversion or Stabilization Date. This guarantee will continue until such time as:
 - i. the operating reserve is funded as per Projections.
 - ii. the Project has achieved the Coverage Ratio for the final 2 consecutive years of the guarantee period. This ratio may be adjusted during underwriting to maintain a minimum Coverage Ratio during the initial compliance period.
 - iii. the project-based rental or operating subsidy and/or service subsidy is in full force and effect per the projections.
- d) Contribute capital to fund:
 - i. adjusters as described in Section D above;
 - ii. reserve accounts not funded due to capital contribution adjustments; and
 - iii. unpaid Development Fee at the end of the compliance period.
- e) Repurchase the Limited Partner’s interest if:
 - (A) At any time before the Project has operated at Break-even for a period of three (3) consecutive calendar months, any loan is in default, after the expiration of any applicable notice and cure period, or an action is commenced and successfully executed to foreclose, abandon, or permanently enjoin the construction of the Project;

OR

- (B) If the Partnership fails to:
- i. For 9% projects, receive a valid carryover allocation or spend the required 10% or place the construction expenses in service by the end of the second year following receipt of a valid carryover allocation
 - ii. Achieve the minimum set-aside test for the Project
 - iii. Achieve at least 75% of the projected Federal Housing Credit
 - iv. Operate at break-even for 3 consecutive months within 18 months of the completion date
 - v. Achieve Loan Conversion
 - vi. Maintain any loan commitment which is not replaced by a comparable commitment acceptable to the Limited Partner
 - vii. Receive 8609s by September 1 of the second year after the first year of the credit period for the last building placed in service.

OR

- (C) Upon an Event of Bankruptcy with respect to the General Partner or the Guarantor prior to the completion date.

The repurchase price will be 100% of capital contributions made to date plus interest at the Prime Rate plus 2%, plus the costs and expenses incurred (including reasonable attorneys' fees incurred to enforce these provisions) less the credits allocated to the Limited Partner not subject to recapture.

- f) Indemnify the Partnership and the Limited Partner for any income tax liability on an after-tax basis or costs to remove liens realized by the Partnership or the Limited Partner in any taxable year attributable to any taxable grant not approved by the Limited Partner. This indemnification is a recourse obligation of the General Partner and shall survive the dissolution of the Partnership and/or the insolvency, bankruptcy, removal, or withdrawal of the General Partner.
- g) Indemnify and hold harmless the Partnership and the Limited Partner from any loss incurred due to the General Partner's gross negligence, fraud, willful misconduct, malfeasance, material breach of any representation, warranty, covenant, or agreement, or environmental violations. This indemnification is a recourse obligation of the General Partner and shall survive the dissolution of the Partnership and/or the insolvency, bankruptcy, removal, or withdrawal of the General Partner.

2. Reserve Requirements

- a) The operating reserve (the "Operating Reserve") will be funded in the total amount of at least 6 months of operating expenses, reserve contributions, and debt service plus the amount necessary to maintain the Coverage Ratio through the compliance period. After the Project has achieved the Stabilization Date and Loan Conversion, the General Partner will be permitted to use the Operating Reserve prior to making operating deficit contributions to the extent the Operating Reserve has been funded as of the date of the deficit.

Upon termination and winding up of the Partnership, subject to the provisions of the Partnership Agreement, the balance in the Operating Reserve shall be used to pay any tax (including exit and transfer taxes) imposed on the Partnership, the Limited

Partner and its partners as a result of the sale of the Partnership Property and winding up of the Partnership or for other uses approved by the Limited Partner. Paying off Sponsor notes is an eligible use of these funds.

- b) The lease-up reserve (“Lease-Up Reserve”) must be budgeted in the amount needed to cover the projected deficits prior to the Stabilization Date.
- c) The replacement reserve (the “Replacement Reserve”) will be funded from operations in the amount of \$350 per unit per year, increasing 3% annually. For rehabilitation projects, the physical needs over time analysis may indicate that a higher annual contribution is required.

H. Opinion of Counsel & Syndication Costs

The Limited Partner's attorneys will prepare the Partnership Agreement, review due diligence, and prepare the tax opinion. The Partnership will pay the Limited Partner’s attorney fees, estimated to be \$60,000, but could be greater in the event of an extended closing schedule or extraordinary deal complexities.

The Limited Partner will require a satisfactory opinion of Partnership’s counsel on certain corporate and other matters including formation of the Partnership, limited liability of the Limited Partner, no conflict between the Partnership Agreement and other binding contracts, no litigation, etc. The General Partner and the Partnership’s counsel will prepare all other necessary documents, collect due diligence, legal opinions, and perform other work necessary to complete the transaction.

The Partnership will pay the costs of construction plan review and inspections as commissioned by the Limited Partner. Enterprise will endeavor to engage the same reviewer as lenders to manage costs. The Guarantor will be obligated to pay plan review and inspection invoices in a timely manner if the partnership fails to do so. Failure to do so will result in suspension of inspections and reports, which will lead to an inability to fund draws during construction and any construction-period capital contribution installments.

I. Reporting

The Partnership will deliver to the Limited Partner:

- a) Construction progress reports
- b) monthly lease-up report within 15 days after each month
- c) The Partnership will be required to prepare quarterly and annual reports in form and substance satisfactory to investor as set forth in the Partnership Agreement.
- d) Annual draft audited financial statements and draft tax returns not later than 45 days after the end of each year and final audited financial statements and final tax returns not later than 60 days after the end of each year. The audit and tax return must be prepared by a certified public accountant approved by Enterprise. Late delivery of annual audited financial statements or tax returns obligates the General Partner to pay to the Limited Partner the sum of \$100 per day until Limited Partner’s receipt of such statements or returns.

J. Additional Requirements

In addition to the conditions set forth above, any investment by the Limited Partner is contingent upon availability of capital at the time of closing and upon review and approval by Enterprise's Investment Committee, in its sole and absolute discretion, of all of the following:

- Market demand, Rent, and Operating Expenses
- Management Agent and Management Plan
- Phase I Environmental Assessment including radon, lead paint and asbestos reports, as applicable.
- Commitments and documents from all other sources of financing
- Legal or other opinions
- Any other items material to the underwriting of the Project
- Partnership Agreement
- Investor approval

Enterprise may waive any of the conditions to closing set forth in this letter. The waiver of any condition does not constitute a waiver of any remaining conditions.

PROJECT ASSUMPTIONS

The terms and conditions are based on the following assumptions, which may be adjusted prior to closing:

1. Market rents as established by the Enterprise market analyst are at least 10% above the scheduled unsubsidized rents and at least equal to the rental subsidy contract rents.
2. Total vacancy loss (physical vacancy plus loss to lease and bad debt) rate of 7.00% as indicated by the Sponsor projections and subject to confirmation by the Market Analyst prior to Closing.
3. Annual operating expenses of \$10,967 per unit net of Replacement Reserves and Investor Services Fee. The operating expense budget will be analyzed in further detail during underwriting and adjustments will be made, as necessary. Enterprise will approach operating expense underwriting by identifying four properties that are comparable to the subject property. The comparable properties that are used will be identified from Enterprise's portfolio as well as from external sources. The expense categories will be evaluated on a line-by-line basis and compared to the average of the comparable properties that are identified.
4. Should the Project not break even, the property management fee paid to parties related to the General Partner or Guarantor will be deferred and collected from cash flow.
5. Enterprise assumes that the rate for the permanent mortgage will be locked at closing using a fixed-rate construction-permanent product or a forward commitment which encompasses the projected construction, leasing, and stabilization period with a cushion. Swaps are not acceptable. Debt service covenants which would put the project into default as long as payments are being made are generally unacceptable.
6. If the project will have project-based operating, service, or rental subsidy then adjustments to rents, expenses, and capitalized replacement reserves may be necessary, and further delineated prior to closing, in order to mitigate excessive operating deficits through the compliance period.
7. The Project contractor will provide a 15% letter of credit or 100% payment and performance bond. Retainage will be 10% through completion unless limited by state law.
8. Construction will begin and complete by the dates reflected in the Projections. Liquidated damages for delayed delivery will be built into the General Contract according to the LP's standards at the time of initial Closing.
9. For projects in Uniform Building Code zones 3 or 4, a seismic survey will be required. Enterprise will not invest in projects with a Scenario Expected Loss ratio (SEL) above 40% post completion. Until such time as the SEL is below 20%, then earthquake insurance sufficient to cover replacement with a deductible of no more than 5% of insured value will be required.
10. Depreciation and special allocations as specified in the projections (including, if applicable, depreciating soft costs pro-rata according to the useful lives of the hard costs):

MEMORANDUM

TO: Virginia Housing

FROM: Enterprise Community Development, Inc.

DATE: March 12, 2026

RE: Tax Parcel Address Discrepancy – 7429/7435 Arlington Blvd, Fairfax County, VA

This memo addresses a property address discrepancy identified in connection with the contemplated transfer of tax parcel 0503010003A from ECD Coralain Gardens LLC to ECD Coralain Gardens 9 LLC. Currently, ECD Coralain Gardens LLC holds title to two adjacent parcels in Fairfax County, Virginia: parcel 0503010003 and parcel 0503010003A. The proposed transaction involves the conveyance of parcel 0503010003A only, while parcel 0503010003 will remain under the ownership of ECD Coralain Gardens LLC or sold to a separate entity as part of the 4% tax credit transaction. In reviewing the Fairfax County tax assessor's records, it has been noted that parcel 0503010003A is listed under the address 7429 Arlington Blvd. However, the address being used for purposes of the sale transaction and the related 9% tax credit application is 7435 Arlington Blvd.

In addition, the address for the tax parcel 0503010003 is listed as 7435 Arlington Blvd, which may cause additional confusion. That parcel will be part of the 4% tax credit transaction, and the address used for that sale and application was 7421 Arlington Blvd.

Richmond, Virginia 23220

RE: 2026 9% Tax Credit Reservation Request (competitive 70% present value credits)
Name of Development: Coralain Gardens – 9%
Name of Owner: ECD Coralain Gardens 9 LLC

Dear Virginia Housing:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated March 12, 2026 (of which this opinion is a part) (the “**Application**”) submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low-income housing tax credits (“**Credits**”) available under Section 42 of the Internal Revenue Code of 1986, as amended (the “**Code**”). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the “**Regulations**”).

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.
2. Assuming that you designate the buildings in the Development as being in a difficult development area pursuant to Code Section 42(d)(5)(B)(v), the calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.
3. The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.
4. The information set forth in the Unit Details section of the Application form as to proposed rents exceeds the Code rent restrictions; however, the Development will satisfy all applicable

requirements of the Code and Regulations due to subsidies such that no tenant will pay rents in excess of what is dictated by the Code and Regulations.

5. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.
6. Based solely upon my review of (i) the Applicant's operating agreement; (ii) any certifications, resolutions, or consents provided to me by the Applicant; and (iii) such operating agreements, partnership agreements, bylaws, or other organizational documents of the Applicant's Principals which I deemed necessary to issue this Opinion (none of which are attached to this Opinion), the individuals identified on the list attached as Exhibit A are duly authorized to execute documents on behalf of the Applicant, to the best of my knowledge and belief.
7. The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.
8. The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.
9. It is more likely than not that the representations made under the Rehab Information section of the Application form as to the Development's compliance with or exception to the Code's minimum expenditure requirements for rehabilitation projects are correct.
10. After reasonable investigation, the undersigned has no reason to believe that the representations made under the Rehab Information (Ten-Year Rule) section of the Application form as to the Development's compliance with or eligibility for exception to the ten-year "look-back rule" requirement of Code 42(d)(2)(B) are not correct.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("**Virginia Housing**") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by Virginia Housing and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the “**Regulations**”).

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary in order to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. ~~4.~~ It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in Hard Costs and Owners Costs section of the

Application form, complies with all applicable requirements of the Code and Regulations.

~~2. [Select One]~~

~~The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.~~

~~OR~~

2. Assuming that you designate the buildings in the Development as being in a difficult development area pursuant to Code Section 42(d)(5)(B)(v), the calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.

3. ~~3.~~The appropriate type(s) of allocation(s) have been requested in the Reservation Request Information section in the Application form.

~~4. [Select One]~~

4. The information set forth in the Unit Details section of the Application form as to proposed rents ~~satisfies all applicable requirements of the Code and Regulations.~~ satisfies all

OR

~~The information set forth in the Unit Details section of the Application form as to proposed rents~~ exceeds the Code rent restrictions; however, the Development will satisfy all applicable requirements of the Code and Regulations due to subsidies such that no tenant will pay rents in excess of what is dictated by the Code and Regulations.

5. ~~5.~~The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application, for a period of not less than four (4) months beyond the application deadline.

6. ~~6.~~Based solely upon my review of (i) the Applicant's ~~[operating agreement / partnership agreement]~~; (ii) any certifications, resolutions, or consents provided to me by the Applicant; and (iii) such operating agreements, partnership agreements, bylaws, or other organizational documents of the Applicant's Principals which I deemed necessary to issue this Opinion (none of which are attached to this Opinion), the individuals identified on the list attached as Exhibit A are duly authorized to execute documents on behalf of the Applicant, to the best of my knowledge and belief.

7. ~~7. [Delete if inapplicable]~~The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.

8. ~~8. [Delete if inapplicable]~~The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.

9. ~~9. [Delete if inapplicable]~~It is more likely than not that the representations made under the Rehab Information section of the Application form as to the Development's compliance with or exception to the Code's minimum expenditure requirements for rehabilitation projects are correct.

10. ~~10. [Delete if inapplicable]~~After reasonable investigation, the undersigned has no reason to believe that the representations made under the Rehab Information (Ten-Year Rule) section of the Application form as to the Development's compliance with or eligibility for exception to the ten-year "look-back rule" requirement of Code 42(d)(2)(B) are not correct.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon compliance by the Owner with the requirements of Code Section 42(h)(1)(E), the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

RIGHT OF FIRST REFUSAL AGREEMENT

(Coralain Gardens – 9%)

RIGHT OF FIRST REFUSAL AGREEMENT (the “Agreement”) dated as of [Closing Date] by and among **ECD CORALAIN GARDENS 9 LLC**, a Virginia limited liability company (the “Owner” or the “Company”), **ENTERPRISE COMMUNITY DEVELOPMENT, INC.**, a Maryland nonstock corporation (the “Grantee”), and is consented to by **ECD CORALAIN 9 MM LLC**, a Virginia limited liability company (the “Managing Member”), [INVESTOR ENTITY], a [] limited liability company (the “Investor Member”), and [SPECIAL MEMBER ENTITY], a [] limited liability company (the “Special Member”). The Managing Member, the Investor Member, and the Special Member are sometimes collectively referred to herein as the “Consenting Members.” The Investor Member and Special Member are sometimes collectively referred to herein as the “Non-Managing Members.” This Agreement shall be fully binding upon and inure to the benefit of the parties and their successors and assigns to the foregoing.

Recitals

A. The Owner, pursuant to its [Amended and Restated] Operating Agreement dated on or about the date hereof by and among the Consenting Members (the “Operating Agreement”), is engaged in the ownership and operation of a 42-unit apartment project for families located in Falls Church, Virginia and commonly known as “Coralain Gardens – 9%” (the “Project”). The real property comprising the Project is legally defined in **Exhibit A**; and

B. The Grantee is a qualified nonprofit organization as defined within Section 42 of the Internal Revenue Code of 1986, as amended, (the “Code”) and is both a member of the Managing Member of the Owner and instrumental to the development and operation of the Project; and

C. The Owner desires to give, grant, bargain, sell, and convey to the Grantee certain rights of first refusal to purchase the Project on the terms and conditions set forth herein; and

D. Capitalized terms used herein and not otherwise defined shall have the meanings outlined in the Operating Agreement.

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises of the parties hereto and of other good and valuable consideration, the receipt and sufficiency of which the parties hereto acknowledge, the parties hereby agree as follows:

Section 1. Right of First Refusal

The Owner hereby grants to the Grantee a right of first refusal (the “Refusal Right”) to purchase the real or leasehold estate, fixtures, and personal property comprising the Project or associated with the physical operation thereof and owned by the Company at the time (the “Property”), for the price and subject to the other terms and conditions set forth below. The Property will include any reserves of the Partnership that are required by the Virginia Housing Development Authority (“Virginia Housing” or the “Credit Authority”), or any lender of a loan being assumed in connection with the exercise of the Refusal Right to remain with the Project.

Section 2. Exercise of Refusal Right; Purchase Price

A. After the end of the Compliance Period, the Company agrees that it will not sell the Property or any portion thereof without first offering the Property to the Grantee (the “Refusal Right”), for the Purchase Price (as defined in Section 3); provided, however, that such Refusal Right shall be conditioned upon the receipt by the Company of a “bona fide offer” (the acceptance or rejection of which shall not require the Consent of the Members). The Company shall give the notice of its receipt of such offer (the “Offer Notice”) and shall deliver a copy of the Offer Notice to the Grantee and to Virginia Housing. Upon receipt of the Offer Notice by the Grantee and by Virginia Housing, the Grantee shall have ninety (90) days to deliver to the Company a written notice of its intent to exercise the Refusal Right (the “Election Notice”). An offer made with the purchase price and basic terms of the proposed sale from a third party shall constitute a “bona fide offer” for purposes of this Agreement. Such offer:

- (i) may be solicited by the Grantee or the Managing Member (with such solicitation permitted to begin at any time following the end of the fourteenth (14th) year of the Compliance Period, provided that the Election Notice may not be sent until the end of the Compliance Period); and
- (ii) may contain customary due diligence, financing, and other contingencies. Notwithstanding anything to the contrary herein, a sale of the Project pursuant to the Refusal Right shall not require the Consent of the Non- Managing Members [or of Virginia Housing].

B. If the Grantee fails to deliver the Election Notice within ninety (90) days of receipt of the Offer Notice, or if such Election Notice is delivered but the Grantee does not consummate the purchase of the Project within 270 days from the date of delivery of the Election Notice (each, individually, a “Terminating Event”), then its Refusal Right shall terminate, and the Company shall be permitted to sell the Property free of the Refusal Right.

Section 3. Purchase Price; Closing

A. The purchase price for the Property pursuant to the Refusal Right (the “Purchase Price”) shall equal the sum of (i) the principal amount of all outstanding indebtedness secured by the Project, and any accrued interest on any of such debts and (ii) all federal, State, and local taxes attributable to such sale, including those incurred or to be incurred by the partners or members of the Non-Managing Members. Notwithstanding the foregoing, however, the Purchase Price shall never be less than the amount of the “minimum purchase price” as defined in Section 42(i)(7)(B) of the Code. The Refusal Right granted hereunder is intended to satisfy the

requirements of Section 42(i)(7) of the Code and shall be interpreted consistently therewith. In computing such price, it shall be assumed that each of the Non-Managing Members of the Owner (or their constituent partners or members) has an effective combined federal, state and local income tax rate equal to the maximum of such rates in effect on the date of Closing.

B. All costs of the Grantee's purchase of the Property pursuant to the Refusal Right, including any filing fees, shall be paid by the Grantee.

C. The Purchase Price shall be paid at Closing in either of the following methods:

- (i) the payment of all cash or immediately available funds at Closing; or
- (ii) the assumption of any assumable Loans if Grantee has obtained the consent of the lenders to the assumption of such Loans, which consent shall be secured at the sole cost and expense of Grantee; provided, however, that any Purchase Price balance remaining after the assumption of the Loans shall be paid by Grantee in immediately available funds.

Section 4. Conditions Precedent; Termination

A. Notwithstanding anything in this Agreement to the contrary, the right of the Grantee to exercise the Refusal Right and consummate any purchase pursuant thereto is contingent on each of the following being true and correct at the time of exercise of the Refusal Right and any purchase pursuant thereto:

- (i) the Grantee or its assignee shall be a "qualified nonprofit organization" as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a "Qualified Beneficiary"); and
- (ii) the Project continues to be a "qualified low-income housing project" within the meaning of Section 42 of the Code.

B. This Agreement shall automatically terminate upon the occurrence of any of the following events and, if terminated, shall not be reinstated unless such reinstatement is agreed to in writing and signed by the Grantee and each of the Consenting Members:

- (i) the transfer of the Property to a lender in total or partial satisfaction of any loan; or
- (ii) any transfer or attempted transfer of all or any part of the Refusal Right by the Grantee, whether by operation of law or otherwise, except as otherwise permitted under Section 7 of this Agreement; or
- (iii) the Project ceases to be a "qualified low-income housing project" within the meaning of Section 42 of the Code; or (iv) the Grantee fails to deliver its Election Notice or consummate the purchase of the Property within the timeframes outlined in Section 2 above.

C. If the Investor Member removes the Managing Member from the Company for failure to cure a default under the Operating Agreement after all applicable notice and cure periods, the

Investor Member may elect to exercise any rights it has under the Operating Agreement to terminate this Agreement and to exercise any rights it has under the Operating Agreement to release this Agreement as a lien against the Project, upon first obtaining the prior written consent of Virginia Housing, which consent may be granted or withheld in Virginia Housing's sole discretion.

Section 5. Contract and Closing

Upon determination of the purchase price, the Owner and the Grantee shall enter into a written contract for the purchase and sale of the Property in accordance with the terms of this Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area which the Property is located, providing for a closing (the "Closing") to occur in the County of Fairfax, Virginia not later than the timeframes set forth in Section 2. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of the Refusal Right.

Section 6. Conveyance and Condition of the Property

The Owner's right, title, and interest in the Property shall be conveyed by quitclaim deed or an assignment of lease, subject to such liens, encumbrances, and parties in possession as shall exist as of the date of Closing. The Grantee shall accept the Property "AS IS, WHERE IS" and "WITH ALL FAULTS AND DEFECTS," latent or otherwise, without any warranty or representation as to the condition thereof whatsoever, including without limitation, without any warranty as to fitness for a particular purpose, habitability, or otherwise and no indemnity for hazardous waste or other conditions with respect to the Property will be provided. It is a condition to Closing that all amounts due to the Owner and the Investor Member from the Grantee or its Affiliates be paid in full. The Grantee shall pay all closing costs, including, without limitation, the Owner's attorney's fees. Upon closing, the Owner shall deliver to the Grantee, along with the deed or assignment of the lease to the property, an ALTA owner's (leasehold, as applicable) title insurance policy dated as of the close of escrow in the amount of the purchase price, subject to the liens, encumbrances, and other exceptions then affecting the title.

Section 7. Transfer

The Refusal Right shall not be transferred without the Consent of the Investor Member, except that the Grantee may assign all or any of its rights under this Agreement to an Affiliate of Grantee (a "Permitted Assignee") at the election and direction of the Grantee or to any assignee that shall be a "qualified nonprofit organization" as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42 of the Code (collectively, each, a "Qualified Beneficiary").

In the case of any transfer of the Refusal Right, (i) all rights, conditions, and restrictions applicable to the exercise or transfer of the Refusal Right or to the purchase of the Property pursuant thereto shall also apply to such transferee, and (ii) such transferee shall be disqualified from the exercise of any rights hereunder at all times during which the transferor would have been ineligible to exercise such rights hereunder had it not effected such transfer.

Section 8. Rights Subordinate; Priority of Requirements of Section 42 of the Code

This Agreement is subordinate in all respects to any regulatory agreements and to the terms and conditions of the Mortgage Loans encumbering the Property. In addition, it is the intention of the parties that nothing in this Agreement be construed to affect the Owner's status as owner of the Property for federal income tax purposes prior to exercise of the Refusal Right granted hereunder. Accordingly, notwithstanding anything to the contrary contained herein, both the grant and the exercise of the Refusal Right shall be subject in all respects to all applicable provisions of Section 42 of the Code, including, in particular, Section 42(i)(7). In the event of a conflict between the provisions contained in this Agreement and Section 42 of the Code, the provisions of Section 42 shall control.

Section 9. Option to Purchase

A. The parties hereto agree that if either the Code is revised or the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant an "option to purchase" pursuant to Section 42(i)(7) of the Code (or other applicable provision of Section 42) as opposed to a "right of first refusal" without adversely affecting the status of such owner as owner of its project for federal income tax purposes, then the parties shall amend this Agreement and the Owner shall grant the Grantee an option to purchase the Property at the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42.

B. The parties hereto agree that if either the Code is revised or the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant a "right of first refusal to purchase partner interests" and/or "purchase option to purchase partner interests" pursuant to Section 42(i)(7) of the Code (or other applicable provision) as opposed to a "right of first refusal to purchase the Project" without adversely affecting the status of such owner as owner of its project for federal income tax purposes (or the status of the Investor Member as a partner of the Company for federal income tax purposes) then the parties shall amend this Agreement and the Investor Members shall provide a right of first refusal and/or purchase option, as the case may be, to acquire their Interests for the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42.

Section 10. Notice

Except as otherwise specifically provided herein, all notices, demands or other communications hereunder shall be in writing by hand delivery (whether personally or by courier or other delivery service) or by certified mail, return receipt requested, to the parties hereto at the addresses set forth below, or to such other place as a party may from time to time designate in writing. Any such notice(s) shall be deemed given when received at such address or place or, in the case of certified mail, three (3) days after date of mailing.

- (A) If to the Owner, at the principal office of the Company set forth in Section II of the Articles of Organization of the Owner;
- (B) If to a Consenting Member, at their respective addresses set forth in Schedule A of the Operating Agreement;
- (C) If to the Grantee, Attention: Matt Engel, Vice President, 4550 Montgomery Avenue, Suite 470, Bethesda, MD 20814;

(D) If to Virginia Housing:
Virginia Housing Development Authority
c/o Director of Tax Credit Programs
601 S Belvidere Street
Richmond, Virginia 23220

Section 11. Severability of Provisions

Each provision of this Agreement shall be considered severable, and if for any reason any provision that is not essential to the effectuation of the basic purposes of the Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement that are valid.

Section 12. Binding Provisions

The covenants and agreements contained herein shall be binding upon and inure to the benefit of the heirs, legal representatives, successors, and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement.

Section 13. Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 14. Governing Law

This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia without regard to principles of conflicts of law. Notwithstanding the foregoing, Company, Investor Member, and Grantee do not intend the Refusal Right in this Agreement to be a common law right of first refusal but rather intend it to be understood and interpreted as a mechanism authorized by Section 42 of the Code to allow nonprofit entities to preserve affordable housing for low-income families in accordance with Grantee's charitable objectives.

Section 15. Headings

All headings in this Agreement are for convenience of reference only. Masculine, feminine, or neuter gender shall include all other genders, the singular shall include the plural, and vice versa as the context may require.

Section 16. Amendments

This Agreement shall not be amended except by written agreement between Grantee and the Owner with the consent of each of the Consenting Members [and Virginia Housing].

Section 17. Time

Time is of the essence with respect to this Agreement, and all provisions relating thereto shall be so construed.

Section 18. Legal Fees

Except as otherwise provided herein, in the event that legal proceedings are commenced by the Owner against the Grantee or by the Grantee against the Owner in connection with this Agreement or the transactions contemplated hereby, the prevailing party shall be entitled to recover all reasonable attorney’s fees and expenses.

Section 19. Subordination

This Agreement is and shall remain automatically subject and subordinate to any bona fide mortgage to (or assigned to) an institutional or governmental lender with respect to the Project. In the event of a foreclosure of any such mortgage or of the giving of a deed in lieu of foreclosure to any such mortgagee, this Agreement shall become void and shall be of no further force or effect.

Section 20. Rule Against Perpetuities Savings Clause

The term of this Agreement will be ninety years commencing on the date first written above unless sooner terminated pursuant to the provisions hereof. If any provision of this Agreement is construed as violating and applicable “Rule Against Perpetuities” by statute or common law, such provision will be deemed to remain in effect only until the death of the last survivor of the now-living descendants of any member of the 116th Congress of the United States, plus twenty-one (21) years thereafter. This Agreement and the Refusal Right herein granted are covenants running with the land, and the terms and provisions hereof will be binding upon, inure to the benefits of, and be enforceable by the parties hereto and their respective successors and assigns.

Section 21. Third-Party Beneficiary; Virginia Housing Rights and Powers

Virginia Housing shall be a third-party beneficiary to this Agreement, and the benefits of all of the covenants and restrictions hereof shall inure to the benefit of Virginia Housing, including the right, in addition to all other remedies provided by law or in equity, to apply to any court of competent jurisdiction within the Commonwealth of Virginia to enforce specific performance by the parties or to obtain an injunction against any violations hereof, or to obtain such other relief as may be appropriate. Virginia Housing and its agents shall have those rights and powers with respect to the Project as set forth in the Act and the Virginia Housing Rules and Regulations promulgated thereunder, including, without limitation, those rights and powers set forth in Chapter 1.2 of Title 365 of the Code of Virginia (1950), as amended, and 13VAC10-180-10 et seq., as amended.

(MANDATORY-Rehab)

Coralain Gardens – 9% Construction Relocation Plan

Date: January 12, 2026
To: Virginia Housing
From: David Douglas, Regional Vice President, Gates Hudson
Re: Coralain Gardens - 9% Relocation Plan during renovations

Coralain Gardens – 9% is an apartment community located at 7435 Arlington Blvd, Fall Church, VA 22042. This garden-style affordable community consists of 42 units across four (4) buildings. These units are comprised of:

5-Studio/Efficiency
21-1 Bedroom/1 Bath
16-2 Bedroom/1 Bath

Originally constructed in the 1960s, the property has not seen significant upgrades since its renovation in 2007. The apartment units will undergo substantial renovations to update and upgrade the units to modern standards, in which renovations are anticipated to take approximately 8 months for the entire completion of the project. The renovation will be completed in phases by buildings.

ECD Coralain Gardens, LLC (herein referred to as Owner) and Gates Hudson (herein referred to as Agent) is committed to ensuring open communication with the tenants to minimize the rumors, misunderstandings and alleviate the stress of moving. Gates Hudson will ensure adherence to the Uniform Relocation Assistance Act of 1970 (URA) and the codes of Virginia effective July 1, 2015.

Background and Summary

Due to the nature of the renovation scope Coralain Gardens – 9%, Owner/Agent will temporarily relocate tenants out of their units (to hoteling units on-site, or off-site housing – as described below) while those apartments are under construction/renovation.

Work will commence in phases and will begin on or about August 1, 2026 and construction completion is expected on or about March 29, 2027. The complex consists of 4 buildings with 10-11 units in each building. The general contractor will use the stairwell in each garden building to bring in building materials and remove debris from the building. Work in any common areas will be planned and conducted prior to the tenants return to the building under construction.

Relocation Plan

Coralain Gardens – 9% contains 42 apartment units within 4 buildings. The renovation, construction will be done in phases. Two buildings will comprise their own phase, with each phase being completed approximately 12 weeks from start. Owner/Agent has worked closely with the general contractor, Whiting Turner on the sequencing plan that lays out the precise breakdown and order of scope of work. This sequencing plan has been attached to this plan as an exhibit for references. Note: this plan subject to change depending on any unforeseen circumstances that may arise during the renovation.

Gates Hudson property management division has a Relocation Team who will oversee all aspects of the relocation process. This plan will be distributed to the tenants, posted in a conspicuous place and available for tenant review.

Pursuant to HUD Handbook 1378 (the “Handbook”): Tenant Assistance, Relocation and Real Property Acquisition, Chapter 2, Section 2-7, ALL the tenants living at Coralain Gardens – 9% during the renovations program are deemed to be temporarily relocated. The anticipated duration of the temporary relocation will be approximately twelve (12) weeks. No tenant is expected to be relocated more than one year and will not require advisory services and moving cost reimbursement. Pursuant to the handbook, these tenants are not considered to be permanently displaced and will be accommodated as a non-displaced tenant. As such, the Owner/Agent will:

1. Guarantee that the tenant can return to his/her same unit
2. Pay the tenant’s moving costs to and from the temporary location
 - a. The tenant may agree in writing to permanently relocate to the unit which has been designated their temporary unit. If the tenant agrees to permanent relocation to the temporary unit, then management is responsible for costs of one move. Said agreement shall be kept by Agent in the tenant file; or
 - b. May agree in writing to relocate to ‘another newly renovated unit’ (two moves). Said agreement shall be kept by Agent in tenant file.

Tenant Notification-Communication

Tenant Notices that will be distributed to residents (*it may be necessary for Owner/Agent to arrange for an interpreter or interpreters to help non-English speaking tenants understand the owner’s plans for the property*):

- The Notice of Intent to Acquire States owner’s intent to acquire the property and establishes Tenant’s eligibility for relocation assistance.
- The General Information Notice informs tenant of potential displacement and outlines relocation assistance options and procedures. This Notice further explains that the tenant will receive at least 120 days’ notice of being required to move and describes their right to appeal. Notice must state that any tenant who is an alien is ineligible for relocation assistance.
- The Notice of Relocation Eligibility notifies tenants of eligibility for relocation assistance beginning on date of Notice of Intent to Acquire, date of initiation of negotiations, or date of actual acquisition, whichever occurs first.
- 120-Day Notice prior to earliest possible move-out date is required unless continued occupancy poses a danger to Tenant’s health/safety. The Notice must either state the date of the required move-out and provide the address for a replacement dwelling or inform Tenant they will receive, at least 30 days in advance, the specific date and address for moving.
- The 30-Day Notice states the specific moving date and provides the relocation address, move-in inspection date, and date tenant will receive keys to unit (if applicable).

Temporary Relocations:

All tenants displaced will continue to pay their then-current rent as of the time of temporary relocation. Agent will provide one or more of the following options as a temporary relocation of the tenants:

Hoteling Units on-site and on-campus / Natural Attrition

While the scope of work for the renovations does not allow tenants to remain in their unit during construction, the Owner/Agent is working to ensure that we can keep as many tenants on the site as possible to minimize the amount of disruption tenants will experience during construction. Through natural attrition, we hope to achieve the majority of vacant units needed on-site that will be used as “hotel” units.

Off-Site Housing

Agent will secure additional off-site housing for the remainder of hospitality units needed during construction. Agent may use other nearby communities that they manage as temporary hoteling units or it may be necessary to temporarily house tenants in a nearby Extended Stay hotel(s). The hotel will offer cooking facilities, and / or breakfast. The hotels are located roughly 5 miles from Coralain Gardens – 9%. Because the tenants are moving completely out of their apartments, the moving company will relocate the tenant’s furniture into the temporary hospitality units or a storage facility.

Family Housing

In addition to the accommodations highlighted above, tenants with family in the area have the option to stay with family during construction. Households choosing this selection will receive an incentive for choosing this option.

Agent will provide packing materials and boxes will be supplied to the tenants courtesy of a contracted moving company. Packing Assistance will be provided to those tenants that need additional help with packing their belongings. All costs associated with the moving and/or the storage of belongings will be paid by the Owner/Developer. A dedicated relocation coordinator will be engaged to assist tenants with the packing and moving. On-site property management will be available to address any questions and/or concerns of the tenants. The costs for the temporary relocations will be included in the development budget and funded out of the sources for acquisition and redevelopment.

Cleaning Protocols

Agent will develop separate protocols surrounding on-site cleaning and methods of limiting/eliminating the spread of infectious disease when hoteling units to temporarily house tenants. Protocols will continue to evolve as new information becomes available, and are expected to include the following principals:

- General contractor will be required to develop site-specific work plans including sequencing, work paths, control procedure for hand washing, disinfesting and personal protective equipment (“PPE”), and personnel protocols designed to ensure that no sick workers enter the building.
- Relocation/moving company will be required to develop a similar work plan to include personnel protocols, control procedures for hygiene, disinfecting, and PPE, and safety procedure surrounding handling of tenants’ belongings.
- Training will be conducted prior to beginning work for all contracted workers who will need access to the building.
- Following the conclusion of construction work in the renovated units, units will be cleaned.
- After tenants return to their units, all “hotel” apartment units will be cleaned prior to the next phase of tenants moving into the hospitality units.

Relocation Budget

Estimated costs associated with the tenant temporary relocation is \$256,000.

Moving Cost Reimbursement

The following are estimated moving cost reimbursements based on unit size:

- Studio: \$1,500

RE: Coralain Gardens
Tab O Requirements

To whom it may concern,

After thorough review of both public records, and applicable ordinances in the Fairfax County Municipal Code Library, we believe the scope of site work proposed would not require additional approvals from local authorities based on the following findings of fact;

- The existing use and improvements established on these parcels was previously granted under Fairfax County SP #161 and approved by the Fairfax County Planning Commission on December 14th, 1961, and Fairfax County Public Works on December 27th, 1961.
- Fairfax County Zoning Ordinance 8100.7.D.17 states that the following are exempt from Site Plan and Minor Site Plan requirements:

Antennas and satellite earth stations; accessory outdoor storage and display; and additions and alterations to existing uses and site modifications which may include, but are not limited to, changes or additions to decks, patios, concrete slabs, vestibules, loading docks, mechanical equipment, storage structures, generators, walkways, landscaping, paving, electric vehicle charging stations, and light poles or lighting fixtures. All such uses or activities must not:

- (a) Exceed 500 square feet of gross floor area or 750 square feet of gross floor area if the addition or alteration is to provide an accessibility improvement or other reasonable accommodation or exceed 2,500 square feet of disturbed land area as defined in Chapter 124.1 of the County Code;
 - (b) Exceed the maximum floor area ratio of the district in which located or the maximum floor area ratio permitted by any proffered or development conditions;
 - (c) Reduce required landscaping, open space, parking, travel aisles, or driveways, and transitional screening or barriers; and
 - (d) Necessitate the installation or relocation of storm sewer, public water, or public sewer.
- Fairfax County Municipal Code Section 124.1-1-7(A) details land disturbing activities that are considered to be exempt from ordinance related to Erosion & Sediment Control and Stormwater Management Requirements. See applicable items below;

- (1) Minor land-disturbing activities, including home gardens and individual home landscaping, repairs, and maintenance work; (This applies to land disturbance under 2500 square feet)

To the best of my professional knowledge and belief, the sitework being proposed consists of specific phasing, limited disturbance areas, areas of maintenance/repair, as well as compliance with restrictive development schedules to ensure that land disturbing activity shall remain under 2,500 square feet, and that the scope of work proposed shall qualify as being exempt from site plan and minor site plan requirements, as stated above.

I hope that you find this to be satisfactory. Please contact me at speiffer@cpja.com or 703-385-7555 if you have any questions or require any additional information.

Sincerely,

 Site Plan #161
 Arlington Boulevard Apartments

Enclosed please find three sets of prints of the above mentioned site plan which this Department has reviewed for its compliance with Article VI, Section 30-76 of the Code of Fairfax County.

The above mentioned site plan indicates that it will provide adequate onsite drainage and street construction construction standards.

This Department recommends that no occupancy permits be issued until the following statements are recorded:

- (1) Permanent storm sewer easement 20 feet in width along the South property line.
- (2) Temporary drainage easement from the East property line to Holmes Run as previously agreed upon.
- (3) Adequate width easement between the parking area and the service road over the proposed storm sewer.

The recordation of these easements should be included with the approval of this site plan.

This site plan is located in the Holmes Run drainage-shed and storm water runoff will contribute to areas that are already experiencing numerous drainage problems. On other projects located in the Tripps Run and Little Harting Creek drainages, the Board of County Supervisors has accepted contributions from the developers, on a pro rata share basis, for the future ultimate construction of the existing inadequate drainages. We have generalized that this site will be a pro rata share of the total cost of the drainage improvements from Commission desires to obtain a pro rata share contribution from this developer.

d. Effective date and term of the HAP contract

1. Effective date

- a. The PHA may not enter into a HAP contract for any contract unit until the PHA (or an independent entity, as applicable) has determined that the unit meets the PBV inspection requirements.
- b. For all contract units, the effective date of the HAP contract is:
November 8, 2024.
- c. The term of the HAP contract begins on the effective date.

2. Length of initial term

- a. Subject to paragraph 2.b, the initial term of the HAP contract for all contract units is:
20 years.
- b. The initial term of the HAP contract may not be less than one year,

nor more than twenty years.

3. Extension of term

The PHA and owner may agree to enter into an extension of the HAP contract at the time of initial HAP contract execution, or any time prior to expiration of the contract. Any extension, including the term of such extension, must be in accordance with HUD requirements. A PHA must determine that any extension is appropriate to achieve long-term affordability of the housing or expand housing opportunities.

4. Requirement for sufficient appropriated funding

- a. The length of the initial term and any extension term shall be subject to availability, as determined by HUD, or by the PHA in accordance with HUD requirements, of sufficient appropriated funding (budget authority), as provided in appropriations acts and in the PHA's annual contributions contract (ACC) with HUD, to make full payment of housing assistance payments due to the owner for any contract year in accordance with the HAP contract.
- b. The availability of sufficient funding must be determined by HUD or by the PHA in accordance with HUD requirements. If it is determined that there may not be sufficient funding to continue housing assistance payments for all contract units and for the full term of the HAP contract, the PHA has the right to terminate the HAP contract by notice to the owner for all or any of the contract units. Such action by the PHA shall be implemented in accordance with HUD requirements.

e. Occupancy and payment

1. Payment for occupied unit

During the term of the HAP contract, the PHA shall make housing assistance payments to the owner for the months during which a contract unit is leased to and occupied by an eligible family. If an assisted family moves out of a contract unit, the owner may keep the housing assistance payment for the calendar month when the family moves out (“move-out month”). However, the owner may not keep the payment if the PHA determines that the vacancy is the owner’s fault.

2. Vacancy payment

THE PHA HAS DISCRETION WHETHER TO INCLUDE THE VACANCY PAYMENT PROVISION (PARAGRAPH e.2), OR TO STRIKE THIS PROVISION FROM THE HAP CONTRACT FORM.

- a. If an assisted family moves out of a contract unit, the PHA may provide vacancy payments to the owner for a PHA-determined vacancy period extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month.
- b. The vacancy payment to the owner for each month of the maximum two-month period will be determined by the PHA, and cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner (including amounts available from the tenant's security deposit). Any vacancy payment may cover only the period the unit remains vacant.
- c. The PHA may make vacancy payments to the owner only if:
 1. The owner gives the PHA prompt, written notice certifying that the family has vacated the unit and the date when the family moved out (to the best of the owner's knowledge and belief);
 2. The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;
 3. The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
 4. The owner provides any additional information required and requested by the PHA to verify that the owner is entitled to the vacancy payment.
- d. The PHA must take every reasonable action to minimize the likelihood and length of vacancy.
- e. The owner may refer families to the PHA for placement on the PBV waiting list.

- f. The owner must submit a request for vacancy payments in the form and manner required by the PHA and must provide any information or substantiation required by the PHA to determine the amount of any vacancy payments.

3. PHA is not responsible for family damage or debt to owner

Except as provided in this paragraph e (Occupancy and Payment), the PHA will not make any other payment to the owner under the HAP contract. The PHA will not make any payment to the owner for any damages to the unit, or for any other amounts owed by a family under the family's lease.

f. Income-mixing requirement

1. Except as provided in paragraphs f.2 through f.5 below, the PHA will not make housing assistance payments under the HAP contract for more than the greater of 25 units or 25 percent of the total number of dwelling units (assisted or unassisted) in any project. The term "project" means a single building, multiple contiguous buildings, or multiple buildings on contiguous parcels of land assisted under this HAP contract.
2. The limitation in paragraph f.1 does not apply to single-family buildings.
3. In referring eligible families to the owner for admission to the number of contract units in any project exceeding the 25 unit or 25 percent limitation under paragraph f.1, the PHA shall give preference to the applicable families as listed in f.8 below, for the number of contract units exclusively made available for occupancy by such families. The owner shall rent that number of contract units to such families referred by the PHA from the PHA waiting list.
4. Up to the greater of 25 units or 40 percent of units (instead of the greater of 25 units or 25 percent of units) in a project may be project-based if the project is located in a census tract with a poverty rate of 20 percent or less.
5. Units that were previously subject to certain federal rent restrictions or receiving another type of long-term housing subsidy provided by HUD do not count toward the income-mixing requirement if, in the five years prior to issuance of the Request for Proposal or notice of owner selection (for projects selected based on a prior competition or without competition), the unit received one of the forms of HUD assistance or was under a federal rent restriction as described in f.6 and f.7, below.

In addition, the PHA shall adjust the rent to owner when there is a ten percent decrease in the published, applicable Fair Market Rent in accordance with 24 CFR 983.302. However, if the PHA has elected within the HAP contract not to reduce rents below the initial rent to owner, the rent to owner shall not be reduced below the initial rent to owner except in those cases described in 24 CFR 983.302(c)(2).
2. The adjustment of rent to owner shall always be determined in accordance with all HUD requirements. The amount of the rent to owner may be adjusted up or down, in the amount defined by the PHA in accordance with HUD requirements.

b. Reasonable rent

The rent to owner for each contract unit, as adjusted by the PHA in accordance with 24 CFR 983.303, may at no time exceed the reasonable rent charged for comparable units in the private unassisted market, except in cases where the PHA has elected within the HAP contract not to reduce rents below the initial rent to owner. The reasonable rent shall be determined by the PHA in accordance with HUD requirements.

c. No special adjustments

The PHA will not make any special adjustments of the rent to owner.

d. Owner compliance with HAP contract

The PHA shall not approve, and the owner shall not receive, any increase of rent to owner unless all contract units are in accordance with the HQS, and the owner has complied with the terms of the assisted leases and the HAP contract.

e. Notice of rent adjustment

Rent to owner shall be adjusted by written notice by the PHA to the owner in accordance with this section. Such notice constitutes an amendment of the rents specified in Exhibit A.

6. OWNER RESPONSIBILITY

The owner is responsible for:

- a. Performing all management and rental functions for the contract units.
- b. Maintaining the units in accordance with HQS.
- c. Complying with equal opportunity requirements.
- d. Enforcing tenant obligations under the lease.
- e. Paying for utilities and housing services (unless paid by the family under the lease).
- f. Collecting from the tenant:
 1. Any security deposit;

2. The tenant rent; and
3. Any charge for unit damage by the family.

7. **OWNER CERTIFICATION**

The owner certifies that at all times during the term of the HAP contract:

- a. All contract units are in good and tenantable condition. The owner is maintaining the premises and all contract units in accordance with the HQS.
- b. The owner is providing all the services, maintenance and utilities as agreed to under the HAP contract and the leases with assisted families.
- c. Each contract unit for which the owner is receiving housing assistance payments is leased to an eligible family referred by the PHA, and the lease is in accordance with the HAP contract and HUD requirements.
- d. To the best of the owner's knowledge, the members of the family reside in each contract unit for which the owner is receiving housing assistance payments, and the unit is the family's only residence.
- e. The owner (including a principal or other interested party) is not the parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit unless the PHA has determined that approving leasing of the unit would provide a reasonable accommodation for a family member who is a person with disabilities.
- f. The amount of the housing assistance payment is the correct amount due under the HAP contract.
- g. The rent to owner for each contract unit does not exceed rents charged by the owner for other comparable unassisted units.
- h. Except for the housing assistance payment and the tenant rent as provided under the HAP contract, the owner has not received and will not receive any payments or other consideration (from the family, the PHA, HUD, or any other public or private source) for rental of the contract unit.
- i. The family does not own, or have any interest in the contract unit. If the owner is a cooperative, the family may be a member of the cooperative.

8. CONDITION OF UNITS**a. Owner maintenance and operation**

The owner must maintain and operate the contract units and premises to provide decent, safe and sanitary housing in accordance with the HQS, including performance of ordinary and extraordinary maintenance. The owner must provide all the services, maintenance and utilities set forth in Exhibits B and C, and in the lease with each assisted family.

b. PHA inspections

1. The PHA must inspect each contract unit before execution of the HAP contract. The PHA may not enter into a HAP contract covering a unit until the unit fully complies with the HQS.
2. Before providing assistance to a new family in a contract unit, the PHA must inspect the unit. The PHA may not provide assistance on behalf of the family until the unit fully complies with the HQS.
3. At least biennially during the term of the HAP contract, the PHA must inspect a random sample, consisting of at least 20 percent of the contract units in each building, to determine if the contract units and the premises are maintained in accordance with the HQS. Turnover inspections pursuant to paragraph 2 of this section are not counted toward meeting this biennial inspection requirement.
4. If more than 20 percent of the sample of inspected contract units in a building fail the initial inspection, the PHA must reinspect 100 percent of the contract units in the building.
5. The PHA must inspect contract units whenever needed to determine that the contract units comply with the HQS and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. The PHA must take into account complaints and any other information that comes to its attention in scheduling inspections.

c. Violation of the housing quality standards

1. If the PHA determines a contract unit is not in accordance with the HQS, the PHA may exercise any of its remedies under the HAP contract for all or any contract units. Such remedies include

termination, suspension or reduction of housing assistance payments, and termination of the HAP contract.

2. The PHA may exercise any such contractual remedy respecting a contract unit even if the family continues to occupy the unit.
3. The PHA shall not make any housing assistance for a dwelling unit that fails to meet the HQS, unless the owner corrects the defect within the period specified by the PHA and the PHA verifies the correction. If a defect is life threatening, the owner must correct the defect within no more than 24 hours. For other defects, the owner must correct the defect within no more than 30 calendar days (or any PHA-approved extension).

d. Maintenance and replacement—owner’s standard practice

Maintenance and replacement (including redecoration) must be in accordance with the standard practice for the building concerned as established by the owner.

9. LEASING CONTRACT UNITS

a. Selection of tenants

1. During the term of the HAP contract, the owner must lease all contract units to eligible families selected and referred by the PHA from the PHA waiting list. (See 24 CFR 983.251.)
 2. The owner is responsible for adopting written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant’s ability to perform the lease obligations.
 3. Consistent with HUD requirements and Federal civil rights and fair housing requirements, the owner may apply its own nondiscriminatory tenant selection procedures in determining whether to admit a family referred by the PHA for occupancy of a contract unit. The owner may refer families to the PHA for placement on the PBV waiting list.
 4. The owner must promptly notify in writing any rejected applicant of the grounds for rejection.
 5. The PHA must determine family eligibility in accordance with
-

HUD requirements.

6. The contract unit leased to each family must be appropriate for the size of the family under the PHA's subsidy standards.
7. If a contract unit was occupied by an eligible family at the time the unit was selected by the PHA, or is so occupied on the effective date of the HAP contract, the owner must offer the family the opportunity to lease the same or another appropriately-sized contract unit with assistance under the HAP contract.
8. The owner is responsible for screening and selecting tenants from the families referred by the PHA from its waiting list.

b. Vacancies

1. The owner must promptly notify the PHA of any vacancy in a contract unit. After receiving the owner notice, the PHA shall make every reasonable effort to refer a sufficient number of families for owner to fill the vacancy.
2. The owner must rent vacant contract units to eligible families on the PHA waiting list referred by the PHA.
3. The PHA and the owner must make reasonable, good faith efforts to minimize the likelihood and length of any vacancy.
4. If any contract units have been vacant for a period of 120 or more days since owner notice of vacancy (and notwithstanding the reasonable, good faith efforts of the PHA to fill such vacancies), the PHA may give notice to the owner amending the HAP contract to reduce the number of contract units by subtracting the number of contract units (by number of bedrooms) that have been vacant for such period.

10. TENANCY

a. Lease

The lease between the owner and each assisted family must be in accordance with HUD requirements. In all cases, the lease must include the HUD-required tenancy addendum. The tenancy addendum must include, word-for-word, all provisions required by HUD.

b. Termination of tenancy

1. The owner may terminate a tenancy only in accordance with the lease and HUD requirements.
2. The owner must give the PHA a copy of any owner eviction notice to the tenant at the same time that the owner gives notice to the tenant. Owner eviction notice means a notice to vacate, or a complaint or other initial pleading used to commence an eviction action under State or local law.

c. Family payment

1. The portion of the monthly rent to owner payable by the family (“tenant rent”) will be determined by the PHA in accordance with HUD requirements. The amount of the tenant rent is subject to change during the term of the HAP contract. Any changes in the amount of the tenant rent will be effective on the date stated in a notice by the PHA to the family and the owner.
2. The amount of the tenant rent as determined by the PHA is the maximum amount the owner may charge the family for rent of a contract unit, including all housing services, maintenance and utilities to be provided by the owner in accordance with the HAP contract and the lease.
3. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by the PHA. The owner must immediately return any excess rent payment to the tenant.
4. The family is not responsible for payment of the portion of the contract rent covered by the housing assistance payment under the HAP contract. The owner may not terminate the tenancy of an assisted family for nonpayment of the PHA housing assistance payment.
5. The PHA is responsible only for making the housing assistance payments to the owner on behalf of the family in accordance with the HAP contract. The PHA is not responsible for paying the tenant rent, or any other claim by the owner.

d. Other owner charges

1. Except as provided in paragraph 2, the owner may not require the tenant or family members to pay charges for meals or supportive services. Nonpayment of such charges is not grounds for termination of tenancy.
2. In assisted living developments receiving project-based voucher assistance, owners may charge tenants, family members, or both for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of reasonable rent. Non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.
3. The owner may not charge the tenant or family members extra amounts for items customarily included in rent in the locality or provided at no additional cost to the unsubsidized tenant in the premises.

e. Security deposit

1. The owner may collect a security deposit from the family.
2. The owner must comply with HUD and PHA requirements, which may change from time to time, regarding security deposits from a tenant.
3. The PHA may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted families.
4. When the family moves out of the contract unit, the owner, subject to State and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit or other amounts which the family owes under the lease. The owner must give the family a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used as reimbursement to the owner, the owner must promptly refund the full amount of the balance to the family.
5. If the security deposit is not sufficient to cover amounts the family owes under the lease, the owner may seek to collect the balance from the family. However, the PHA has no liability or responsibility for payment of any amount owed by the family to

the owner.

11. FAMILY RIGHT TO MOVE

- a. The family may terminate its lease at any time after the first year of occupancy. The family must give the owner advance written notice of intent to vacate (with a copy to the PHA) in accordance with the lease. If the family has elected to terminate the lease in this manner, the PHA must offer the family the opportunity for tenant-based rental assistance in accordance with HUD requirements.
- b. Before providing notice to terminate the lease under paragraph a, the family must first contact the PHA to request tenant-based rental assistance if the family wishes to move with continued assistance. If tenant-based rental assistance is not immediately available upon lease termination, the PHA shall give the family priority to receive the next available opportunity for tenant-based rental assistance.

12. OVERCROWDED, UNDER-OCCUPIED, AND ACCESSIBLE UNITS

The PHA subsidy standards determine the appropriate unit size for the family size and composition. The PHA and owner must comply with the requirements in 24 CFR 983.260. If the PHA determines that a family is occupying a wrong-size unit, or a unit with accessibility features that the family does not require, and the unit is needed by a family that requires the accessibility features, the PHA must promptly notify the family and the owner of this determination, and of the PHA's offer of continued assistance in another unit. 24 CFR 983.260(a).

13. PROHIBITION OF DISCRIMINATION

- a. The owner may not refuse to lease contract units to, or otherwise discriminate against any person or family in leasing of a contract unit, because of race, color, religion, sex (including sexual orientation and gender identity), national origin, disability, age or familial status.
- b. The owner must comply with the following requirements: The Fair Housing Act (42 U.S.C. 3601-19) and implementing regulations at 24 CFR part 100 *et seq.*; Executive Order 11063, as amended by Executive Order 12259 (3 CFR, 1959-1963 Comp., p. 652 and 3 CFR, 1980 Comp., p. 307) (Equal Opportunity in Housing Programs) and implementing regulations at 24 CFR part 107; title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2000d-4) (Nondiscrimination in Federally Assisted Programs) and implementing regulations at 24 CFR part 1; the Age Discrimination Act of 1975 (42 U.S.C. 6101-6107) and implementing

regulations at 24 CFR part 146; section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and implementing regulations at 24 CFR part 8; title II of the Americans with Disabilities Act, 42 U.S.C. 12101 *et seq.*; 28 CFR part 35; Executive Order 11246, as amended by Executive Orders 11375, 11478, 12086, and 12107 (3 CFR, 1964-1965 Comp., p. 339; 3 CFR, 1966-1970 Comp., p. 684; 3 CFR, 1966-1970 Comp., p. 803; 3 CFR, 1978 Comp., p. 230; and 3 CFR, 1978 Comp., p. 264, respectively) (Equal Employment Opportunity Programs) and implementing regulations at 41 CFR chapter 60; Executive Order 11625, as amended by Executive Order 12007 (3 CFR, 1971-1975 Comp., p. 616 and 3 CFR, 1977 Comp., p. 139) (Minority Business Enterprises); Executive Order 12432 (3 CFR, 1983 Comp., p. 198) (Minority Business Enterprise Development); and Executive Order 12138, as amended by Executive Order 12608 (3 CFR, 1977 Comp., p. 393 and 3 CFR, 1987 Comp., p. 245) (Women's Business Enterprise).

- c. The owner must comply with HUD's Equal Access to HUD-assisted or -insured housing rule (24 CFR 5.105(a)(2)).
- d. The owner must comply with the Violence Against Women Act, as amended, and HUD's implementing regulation at 24 CFR part 5, Subpart L, and program regulations.
- e. The PHA and the owner must cooperate with HUD in the conducting of compliance reviews and complaint investigations pursuant to all applicable civil rights statutes, Executive Orders, and all related rules and regulations.

14. PHA DEFAULT AND HUD REMEDIES

If HUD determines that the PHA has failed to comply with the HAP contract, or has failed to take appropriate action to HUD's satisfaction or as directed by HUD, for enforcement of the PHA's rights under the HAP contract, HUD may assume the PHA's rights and obligations under the HAP contract, and may perform the obligations and enforce the rights of the PHA under the HAP contract.

15. OWNER DEFAULT AND PHA REMEDIES

a. Owner default

Any of the following is a default by the owner under the HAP contract:

1. The owner has failed to comply with any obligation under the HAP contract, including the owner's obligations to maintain all contract

units in accordance with the housing quality standards.

2. The owner has violated any obligation under any other housing assistance payments contract under Section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f).
3. The owner has committed any fraud or made any false statement to the PHA or HUD in connection with the HAP contract.
4. The owner has committed fraud, bribery or any other corrupt or criminal act in connection with any Federal housing assistance program.
5. If the property where the contract units are located is subject to a lien or security interest securing a HUD loan or a mortgage insured by HUD and:
 - a. The owner has failed to comply with the regulations for the applicable mortgage insurance or loan program, with the mortgage or mortgage note, or with the regulatory agreement; or
 - b. The owner has committed fraud, bribery or any other corrupt or criminal act in connection with the HUD loan or HUD-insured mortgage.
6. The owner has engaged in any drug-related criminal activity or any violent criminal activity.

b. PHA remedies

1. If the PHA determines that a breach has occurred, the PHA may exercise any of its rights or remedies under the HAP contract.
2. The PHA must notify the owner in writing of such determination. The notice by the PHA to the owner may require the owner to take corrective action (as verified by the PHA) by a time prescribed in the notice.
3. The PHA's rights and remedies under the HAP contract include recovery of overpayments, termination or reduction of housing assistance payments, and termination of the HAP contract.

c. PHA remedy is not waived

The PHA's exercise or non-exercise of any remedy for owner breach of the HAP contract is not a waiver of the right to exercise that remedy or any other right or remedy at any time.

16. OWNER DUTY TO PROVIDE INFORMATION AND ACCESS REQUIRED BY HUD OR PHA

a. Required information

The owner must prepare and furnish any information pertinent to the HAP contract as may reasonably be required from time to time by the PHA or HUD. The owner shall furnish such information in the form and manner required by the PHA or HUD.

b. PHA and HUD access to premises

The owner must permit the PHA or HUD or any of their authorized representatives to have access to the premises during normal business hours and, for the purpose of audit and examination, to have access to any books, documents, papers and records of the owner to the extent necessary to determine compliance with the HAP contract, including the verification of information pertinent to the housing assistance payments or the HAP contract.

17. PHA AND OWNER RELATION TO THIRD PARTIES

a. Injury because of owner action or failure to act

The PHA has no responsibility for or liability to any person injured as a result of the owner's action or failure to act in connection with the implementation of the HAP contract, or as a result of any other action or failure to act by the owner.

b. Legal relationship

The owner is not the agent of the PHA. The HAP contract does not create or affect any relationship between the PHA and any lender to the owner or any suppliers, employees, contractors or subcontractors used by the owner in connection with the implementation of the HAP contract.

c. Exclusion of third-party claims

Nothing in the HAP contract shall be construed as creating any right of a family or other third party (other than HUD) to enforce any provision of the HAP contract, or to assert any claim against HUD, the PHA or the

owner under the HAP contract.

d. Exclusion of owner claims against HUD

Nothing in the HAP contract shall be construed as creating any right of the owner to assert any claim against HUD.

18. PHA-OWNED UNITS

Notwithstanding Section 17 of this HAP contract, a PHA may own units assisted under the project-based voucher program, subject to the special requirements in 24 CFR 983.59 regarding PHA-owned units.

19. CONFLICT OF INTEREST

a. Interest of members, officers, or employees of PHA, members of local governing body, or other public officials

1. No present or former member or officer of the PHA (except tenant-commissioners), no employee of the PHA who formulates policy or influences decisions with respect to the housing choice voucher program or project-based voucher program, and no public official or member of a governing body or State or local legislator who exercises functions or responsibilities with respect to these programs, shall have any direct or indirect interest, during his or her tenure or for one year thereafter, or in the HAP contract.
2. HUD may waive this provision for good cause.

b. Disclosure

The owner has disclosed to the PHA any interest that would be a violation of the HAP contract. The owner must fully and promptly update such disclosures.

c. Interest of member of or delegate to Congress

No member of or delegate to the Congress of the United States of America or resident-commissioner shall be admitted to any share or part of this HAP Contract or to any benefits arising from the contract.

20. EXCLUSION FROM FEDERAL PROGRAMS

a. Federal requirements

The owner must comply with and is subject to requirements of 2 CFR part 2424.

b. Disclosure

The owner certifies that:

1. The owner has disclosed to the PHA the identity of the owner and any principal or interested party.
2. Neither the owner nor any principal or interested party is listed on the U.S. General Services Administration list of parties excluded from Federal procurement and non-procurement programs; and none of such parties are debarred, suspended, subject to a limited denial of participation or otherwise excluded under 2 CFR part 2424.

21. TRANSFER OF THE CONTRACT OR PROPERTY

a. When consent is required

1. The owner agrees that neither the HAP contract nor the property may be transferred without the advance written consent of the PHA in accordance with HUD requirements.
2. “Transfer” includes:
 - i. Any sale or assignment or other transfer of ownership, in any form, of the HAP contract or the property;
 - ii. The transfer of any right to receive housing assistance payments that may be payable pursuant to the HAP contract;
 - iii. The creation of a security interest in the HAP contract or the property;
 - iv. Foreclosure or other execution on a security interest; or
 - v. A creditor’s lien, or transfer in bankruptcy.
3. If the owner is a corporation, partnership, trust or joint venture, the owner is not required to obtain advance consent of the PHA

pursuant to paragraph a for transfer of a passive and non-controlling interest in the ownership entity (such as a stock transfer or transfer of the interest of a limited partner), if any interests so transferred cumulatively represent less than half the beneficial interest in the HAP contract or the property. The owner must obtain advance consent pursuant to paragraph a for transfer of any interest of a general partner.

b. Transferee assumption of HAP contract

No transferee (including the holder of a security interest, the security holder's transferee or successor in interest, or the transferee upon exercise of a security interest) shall have any right to receive any payment of housing assistance payments pursuant to the HAP contract, or to exercise any rights or remedies under the HAP contract, unless the PHA has consented in advance, in writing to such transfer, and the transferee has agreed in writing, in a form acceptable to the PHA in accordance with HUD requirements, to assume the obligations of the owner under the HAP contract, and to comply with all the terms of the HAP contract.

c. Effect of consent to transfer

1. The creation or transfer of any security interest in the HAP contract is limited to amounts payable under the HAP contract in accordance with the terms of the HAP contract.
2. The PHA's consent to transfer of the HAP contract or the property does not to change the terms of the HAP contract in any way, and does not change the rights or obligations of the PHA or the owner under the HAP contract.
3. The PHA's consent to transfer of the HAP contract or the property to any transferee does not constitute consent to any further transfers of the HAP contract or the property, including further transfers to any successors or assigns of an approved transferee.

d. When transfer is prohibited

The PHA will not consent to the transfer if any transferee, or any principal or interested party is debarred, suspended subject to a limited denial of participation, or otherwise excluded under 2 CFR part 2424, or is listed on the U.S. General Services Administration list of parties excluded from Federal procurement or non-procurement programs.

22. SUBSIDY LAYERING

A subsidy layering review is not required for existing housing projects.

23. OWNER LOBBYING CERTIFICATIONS

- a. The owner certifies, to the best of owner's knowledge and belief, that:
 1. No Federally appropriated funds have been paid or will be paid, by or on behalf of the owner, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of the HAP contract, or the extension, continuation, renewal, amendment, or modification of the HAP contract.
 2. If any funds other than Federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the HAP contract, the owner must complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- b. This certification by the owner is a prerequisite for making or entering into this transaction imposed by 31 U.S.C. 1352.

24. TERMINATION OF HAP CONTRACT FOR WRONGFUL SELECTION OF CONTRACT UNITS

The HAP contract may be terminated upon at least 30 days notice to the owner by the PHA or HUD if the PHA or HUD determines that the contract units were not eligible for selection in conformity with HUD requirements.

25. NOTICES AND OWNER CERTIFICATIONS

- a. Where the owner is required to give any notice to the PHA pursuant to the HAP contract or any other provision of law, such notice must be in writing and must be given in the form and manner required by the PHA.
- b. Any certification or warranty by the owner pursuant to the HAP contract shall be deemed a material representation of fact upon which reliance was placed when this transaction was made or entered into.

26. NOTICE OF TERMINATION OR EXPIRATION WITHOUT

EXTENSION

- a. An owner must provide notice to the PHA, and to the affected tenants, not less than 1 year prior to the termination or expiration without extension of a HAP contract.
- b. An owner who fails to provide such notice must permit tenants to remain in their units for the required notice period with no increase in the tenant portion of the rent. During this time period, an owner may not evict a tenant as a result of the owner's inability to collect an increased tenant portion of rent. With PHA agreement, an owner may extend the terminating contract for a period of time sufficient to give tenants 1 year advance notice.

27. FAMILY'S RIGHT TO REMAIN

Upon termination or expiration of the contract without extension, each family assisted under the contract may elect to use its assistance to remain in the project if the family's unit complies with the inspection requirements under section 8(o)(8) (42 U.S.C. 1437f(o)(8) of the U.S. Housing Act of 1937 ("the 1937 Act")), the rent for the unit is reasonable as required by section 8(o)(10)(A) of the 1937 Act, and the family pays its required share of the rent and the amount, if any, by which the unit rent (including the amount allowed for tenant-paid utilities) exceeds the applicable payment standard.

28. ENTIRE AGREEMENT; INTERPRETATION

- a. The HAP contract, including the exhibits, is the entire agreement between the PHA and the owner.
- b. The HAP contract must be interpreted and implemented in accordance with all statutory requirements, and with all HUD requirements, including amendments or changes in HUD requirements during the term of the HAP contract. The owner agrees to comply with all such laws and HUD requirements. Any regulatory citation specifically included in this HAP contract is subject to any subsequent revision of such citation.

Ladies and Gentlemen:

The Fairfax County Redevelopment and Housing Authority ("Housing Authority") has approved and hereby issues its commitment (the "Commitment") to make a subordinate loan in the principal amount of up to \$2,000,000 (the "Loan") to ECD Coralain Gardens 9 LLC (the "Borrower") to provide financing for Coralain Gardens (9% Component), that is consistent with the application and approvals for such Loan (the "Project"). The Loan will be made in accordance with the procedures of the Housing Authority and will be documented with the Housing Authority's form of loan documents. The Housing Authority is providing this letter to VH solely for the purpose of the application for a reservation of LIHTCs for the Project.

We are looking forward to working with you.

Sincerely,

Virginia Statement of Tenant Rights and Responsibilities under the Virginia Residential Landlord and Tenant Act as of July 1, 2023

This is a summary of tenants' rights and responsibilities under the Virginia Residential Landlord and Tenant Act. This summary does not modify your lease or Virginia law. A lease cannot give up a tenants' rights under the law. The information below is not intended as legal advice. All parties to a rental agreement are encouraged to consult the Department of Housing and Community Development's [website](#) for more information related to landlord and tenant resources. Tenants with questions are encouraged to contact their local legal aid program at (866) 534-5243 or valegalaid.org/find-legal-help.

Tenant Rights

Applications:

Tenants may be charged a nonrefundable application fee of no more than \$50 (not including third party costs for a background check) and a refundable application deposit. If the tenant does not rent the unit, the application deposit must be returned, minus any actual costs or damages. ([§55.1-1203](#))

Written lease:

Under the VRLTA, a landlord is required to provide a tenant a written lease. If a landlord fails to do so, the VRLTA still protects a tenant by establishing a statutory lease between landlord and tenant for 12 months not subject to automatic renewal. ([§55.1-1204](#))

Disclosure:

A landlord must reveal certain information to the tenant, including any visible evidence of mold ([§55.1-1215](#)), the name and address of the owner or property manager ([§55.1-1216](#)) and notice of sale or foreclosure of the property. ([§§55.1-1216, 1237](#)).

Security Deposit:

A landlord may require a security deposit of up to two month's rent. Within five days of move in the tenant has a right to object to anything in the move-in report. The tenant also has a right to be present at a move-out inspection, which must be made within 72 hours of delivery of possession. ([§§55.1-1214, 1226](#))

Receipts:

Upon request, a tenant is entitled to a written receipt of rent paid by cash or money order. Upon request, a tenant is entitled to a written statement of all charges and payments over the past 12 months. ([§55.1-1204\(D\), \(I\)](#))

Privacy:

A landlord may not release information about a tenant without consent, except under certain conditions, which are generally when tenant information is already public. ([§55.1-1209](#))

Fit and Habitable Premises:

A tenant has the right to a fit and habitable rental unit in accordance with the Uniform Statewide Building Code. The landlord must make all repairs needed to keep premises fit and habitable. ([§55.1-1220](#)) To enforce the right to get repairs, a tenant must be current in rent, give the landlord written notice and wait a reasonable period. If repairs are not made, a tenant can file a Tenant's Assertion in General District Court. This must be filed no later than five days after rent is due. There is no rent withholding in Virginia, except under repair and deduct. ([§55.1-1244](#))

Uninhabitable Dwelling Unit at Move In:

If, at the beginning of the tenancy, there exists a fire hazard or a serious threat to the life, health or safety of the tenant (such as an infestation of rodents or a lack of heat, hot or cold running water, electricity, or adequate sewage disposal facilities), the tenant may terminate the rental agreement and receive a full refund of all deposits and rent paid to the landlord. To terminate the agreement and request a refund, the tenant must provide a written notice of termination no later than seven days after the tenancy started. If, upon receipt of notice, the landlord agrees such hazardous condition exists, the landlord must refund all deposits and rent paid within 15 business days of being notified or of the tenant vacating the unit, whichever occurs later. ([§55.1-1234.1](#)).

The landlord may, in a written notice provided to the tenant, state that the termination is unjustified and refuse to accept the tenant's termination of the lease. A tenant who has vacated the unit (or never moved in initially) may then challenge the landlord's refusal in court. The prevailing party shall be entitled to recover reasonable attorney fees ([§55.1-1234.1](#)).

Repair and Deduct:

If an issue on the property affects life, health, safety, or seriously affects habitability, and a landlord has not begun to address it within 14 days after written notice from the tenant, the tenant may contract to have the repair done by a licensed contractor at a cost of not more than \$1,500, or one month's rent, whichever is more. The tenant may deduct the actual cost of the repair from the rent. The tenant must send the landlord an itemized invoice and a receipt for payment to the contractor for the work, along with any payment of remaining rent owed. ([§55.1-1244.1](#))

Notification of Rent Increase:

If a lease contains an option to renew or an automatic renewal provision, a tenant must be notified in writing of a rent increase at least 60 days before the end of the lease term. This only applies when a landlord owns more than four rental units or more than 10% percent in more than four rental units in the Commonwealth. ([§55.1-1204](#)) (K)

Eviction:

A landlord may not evict a tenant without following the court eviction process. The landlord first sends a written notice and next the landlord files an unlawful detainer lawsuit. The landlord must get a court order of possession, followed by a Writ of Eviction that is served by the Sheriff. ([§§55.1-1245, 1252](#)). A tenant not getting paid due to a federal shutdown of 14 or more days can get an eviction lawsuit for nonpayment of rent postponed for 60 days. ([§44-209](#))

Unlawful Exclusion, Interruption of Essential Services, and Unlivable Premises:

A Landlord may not unlawfully exclude a tenant from the premises, interrupt an essential service, or make the unit unlivable. If this happens, the tenant may sue the landlord in General District Court and get an initial court hearing in five calendar days. At this hearing, a court may order the landlord to give the property back to the tenant, resume the essential service, or fix the conditions that make the unit unlivable. The court may also hold a second hearing 10 days after the first hearing and may find that the tenant is entitled to actual damages, statutory damages, and reasonable attorney's fees. ([§55.1-1243.1](#))

Redemption (Pay & Stay):

After an unlawful detainer lawsuit for nonpayment of rent is filed, a tenant has the right to pay to a zero balance on or before the court date and have the lawsuit dismissed. After a court issues a judgment of possession, a tenant has the right to pay to a zero balance up to 48 hours before the Sheriff's eviction and have the eviction cancelled. If the landlord has 5 or more rentals, a tenant may use these rights at any time. If the landlord has 4 or fewer rentals, the landlord may limit the tenant's use of these rights to once during the lease period if the landlord first sends a written notice. ([§55.1-1250](#))

Tenant Responsibilities**Rent:**

Unless the lease says otherwise, rent is due in equal payments each month on or before the first of each month. ([§55.1-1204](#))

Late Fees:

If rent is not paid on time, the tenant must pay a late fee if the lease requires one. A late fee can be no more than 10% of the monthly rent, or 10% of the unpaid balance, whichever is less. ([§55.1-1204\(E\)](#))

Insurance:

A tenant may be required to have and pay for renters' insurance. A tenant also may be required to have and pay for damage insurance and/or a security deposit, but the total of both the damage insurance premiums and the security deposit may not exceed two months' rent. ([§§55.1-1206, 1208](#))

Access:

A tenant must allow a landlord access to the unit at reasonable times and for practical purposes, such as maintenance, inspection, or to provide services. A tenant must allow access unless the landlords request is unreasonable. Unless impractical due to an emergency, the landlord must give 72-hours' notice of maintenance. If the tenant requests maintenance, notice is not required. ([§55.1-1229](#))

Maintain Fit and Habitable Premises:

The tenant must keep the rental unit as clean and safe as conditions allow and in accordance with the Uniform Statewide Building Code. The tenant must promptly notify the landlord of visible mold and use reasonable efforts to prevent moisture and mold. The tenant must promptly notify the landlord of insects or pests and must not be at fault in failing to prevent insects or pests. ([§55.1-1227](#))

Fair Housing:

The tenant may have a right to file a fair housing complaint if the landlord or property manager violates the Virginia Fair Housing Act. ([§36-96.1 et seq, HUD FHEO-2020-1](#))

Acknowledgement of Receipt of Statement of Tenant Rights and Responsibilities

In accordance with [§55.1-1204](#) of the Code of Virginia, the Landlord has provided to the Tenant and the Tenant has received the Statement of Tenant Rights and Responsibilities developed by the Virginia Department of Housing and Community Development and posted on its website (www.dhcd.virginia.gov/landlord-tenant-resources) pursuant to [§36-139](#) Code of Virginia. Recitals

A. The Owner, pursuant to its [Amended and Restated] Operating Agreement dated on or about the date hereof by and among the Consenting Members (the “Operating Agreement”), is engaged in the ownership and operation of ~~an [_____]~~ a 42-unit apartment project for families located in ~~[_____]~~ Falls Church, Virginia and commonly known as “~~{PROJECT-NAME} Apartments~~ Coralain Gardens – 9%” (the “Project”). The real property comprising the Project is legally defined in Exhibit A; and

B. The Grantee is a qualified nonprofit organization as defined within Section 42 of the Internal Revenue Code of 1986, as amended, (the “Code”) and is both a member of the Managing Member of the Owner and instrumental to the development and operation of the Project; and

C. The Owner desires to give, grant, bargain, sell, and convey to the Grantee certain rights of first refusal to purchase the Project on the terms and conditions set forth herein; and

D. Capitalized terms used herein and not otherwise defined shall have the meanings outlined in the Operating Agreement.

{2}

Right of First Refusal Template B (rev 2025-04-14)

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises of the parties hereto and of other good and valuable consideration, the receipt and sufficiency of which the parties hereto acknowledge, the parties hereby agree as follows:

Section 1. Right of First Refusal

The Owner hereby grants to the Grantee a right of first refusal (the “Refusal Right”) to purchase the real or leasehold estate, fixtures, and personal property comprising the Project or associated with the physical operation thereof and owned by the Company at the time (the “Property”), for the price and subject to the other terms and conditions set forth below. The Property will include any reserves of the Partnership that are required by the Virginia Housing Development Authority (“Virginia Housing” or the “Credit Authority”), or any lender of a loan being assumed in connection with the exercise of the Refusal Right to remain with the Project.

Section 2. Exercise of Refusal Right; Purchase Price

A. After the end of the Compliance Period, the Company agrees that it will not sell the Property or any portion thereof without first offering the Property to the Grantee (the “Refusal Right”), for the Purchase Price (as defined in Section 3); provided, however, that such Refusal Right shall be conditioned upon the receipt by the Company of a “bona fide offer” (the acceptance or rejection of which shall not require the Consent of the Members). The Company shall give the notice of its receipt of such offer (the “Offer Notice”) and shall deliver a copy of the Offer Notice to the Grantee and to Virginia Housing. Upon receipt of the Offer Notice by the Grantee and by Virginia Housing, the Grantee shall have ninety (90) days to deliver to the Company a written notice of its intent to exercise the Refusal Right (the “Election Notice”). An offer made with the purchase price and basic terms of the proposed sale from a third party shall constitute a “bona fide offer” for purposes of this Agreement. Such offer:

- (i) may be solicited by the Grantee or the Managing Member (with such solicitation permitted to begin at any time following the end of the fourteenth (14th) year of the Compliance Period, provided that the Election Notice may not be sent until the end of the Compliance Period); and
- (ii) may contain customary due diligence, financing, and other contingencies. Notwithstanding anything to the contrary herein, a sale of the Project pursuant to the Refusal Right shall not require the Consent of the Non- Managing Members [or of Virginia Housing].

B. If the Grantee fails to deliver the Election Notice within ninety (90) days of receipt of the Offer Notice, or if such Election Notice is delivered but the Grantee does not consummate the purchase of the Project within 270 days from the date of delivery of the Election Notice (each, individually, a “Terminating Event”), then its Refusal Right shall terminate, and the Company shall be permitted to sell the Property free of the Refusal Right.

Section 3. Purchase Price; Closing

A. The purchase price for the Property pursuant to the Refusal Right (the “Purchase Price”) shall equal the sum of (i) the principal amount of all outstanding indebtedness secured

by the Project, and any accrued interest on any of such debts and (ii) all federal, State, and local taxes attributable to such sale, including those incurred or to be incurred by the partners or members of the Non-Managing Members. Notwithstanding the foregoing, however, the Purchase Price shall never be less than the amount of the “minimum purchase price” as defined in Section 42(i)(7)(B) of the Code. The Refusal Right granted hereunder is intended to satisfy the requirements of Section 42(i)(7) of the Code and shall be interpreted consistently therewith. In computing such price, it shall be assumed that each of the Non-Managing Members of the Owner (or their constituent partners or members) has an effective combined federal, state and local income tax rate equal to the maximum of such rates in effect on the date of Closing.

B. All costs of the Grantee’s purchase of the Property pursuant to the Refusal Right, including any filing fees, shall be paid by the Grantee.

C. The Purchase Price shall be paid at Closing in either of the following methods:

- (i) the payment of all cash or immediately available funds at Closing; or
- (ii) the assumption of any assumable Loans if Grantee has obtained the consent of the lenders to the assumption of such Loans, which consent shall be secured at the sole cost and expense of Grantee; provided, however, that any Purchase Price balance remaining after the assumption of the Loans shall be paid by Grantee in immediately available funds.

Section 4. Conditions Precedent; Termination

A. Notwithstanding anything in this Agreement to the contrary, the right of the Grantee to exercise the Refusal Right and consummate any purchase pursuant thereto is contingent on each of the following being true and correct at the time of exercise of the Refusal Right and any purchase pursuant thereto:

- (i) the Grantee or its assignee shall be a “qualified nonprofit organization” as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a “Qualified Beneficiary”); and
- (ii) the Project continues to be a “qualified low-income housing project” within the meaning of Section 42 of the Code.

B. This Agreement shall automatically terminate upon the occurrence of any of the following events and, if terminated, shall not be reinstated unless such reinstatement is agreed to in writing and signed by the Grantee and each of the Consenting Members:

- (i) the transfer of the Property to a lender in total or partial satisfaction of any loan; or
- (ii) any transfer or attempted transfer of all or any part of the Refusal Right by the Grantee, whether by operation of law or otherwise, except as otherwise permitted under Section 7 of this Agreement; or

[Link-to-previous setting changed from on in original to off in modified.]

- (iii) the Project ceases to be a “qualified low-income housing project” within the meaning of Section 42 of the Code; or (iv) the Grantee fails to deliver its Election Notice or consummate the purchase of the Property within the timeframes outlined in Section 2 above.

C. If the Investor Member removes the Managing Member from the Company for failure to cure a default under the Operating Agreement after all applicable notice and cure periods, the Investor Member may elect to exercise any rights it has under the Operating Agreement to terminate this Agreement and to exercise any rights it has under the Operating Agreement to release this Agreement as a lien against the Project, upon first obtaining the prior written consent of Virginia Housing, which consent may be granted or withheld in Virginia Housing’s sole discretion.

Section 5. Contract and Closing

Upon determination of the purchase price, the Owner and the Grantee shall enter into a written contract for the purchase and sale of the Property in accordance with the terms of this Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area which the Property is located, providing for a closing (the “Closing”) to occur in the City/County of ~~_____~~ Fairfax, Virginia not later than the timeframes set forth in Section 2. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of the Refusal Right.

Section 6. Conveyance and Condition of the Property

The Owner's right, title, and interest in the Property shall be conveyed by quitclaim deed or an assignment of lease, subject to such liens, encumbrances, and parties in possession as shall exist as of the date of Closing. The Grantee shall accept the Property “AS IS, WHERE IS” and “WITH ALL FAULTS AND DEFECTS,” latent or otherwise, without any warranty or representation as to the condition thereof whatsoever, including without limitation, without any warranty as to fitness for a particular purpose, habitability, or otherwise and no indemnity for hazardous waste or other conditions with respect to the Property will be provided. It is a condition to Closing that all amounts due to the Owner and the Investor Member from the Grantee or its Affiliates be paid in full. The Grantee shall pay all closing costs, including, without limitation, the Owner’s attorney’s fees. Upon closing, the Owner shall deliver to the Grantee, along with the deed or assignment of the lease to the property, an ALTA owner’s (leasehold, as applicable) title insurance policy dated as of the close of escrow in the amount of the purchase price, subject to the liens, encumbrances, and other exceptions then affecting the title.

Section 7. Transfer

The Refusal Right shall not be transferred without the Consent of the Investor Member, except that the Grantee may assign all or any of its rights under this Agreement to an Affiliate of Grantee (a “Permitted Assignee”) at the election and direction of the Grantee or to any assignee that shall be a “qualified nonprofit organization” as defined in Section 42(h)(5)(C) of

the Code or another qualified purchaser described in Section 42 of the Code (collectively, each, a “Qualified Beneficiary”).

In the case of any transfer of the Refusal Right, (i) all rights, conditions, and restrictions applicable to the exercise or transfer of the Refusal Right or to the purchase of the Property pursuant thereto shall also apply to such transferee, and (ii) such transferee shall be disqualified from the exercise of any rights hereunder at all times during which the transferor would have been ineligible to exercise such rights hereunder had it not effected such transfer.

Section 8. Rights Subordinate; Priority of Requirements of Section 42 of the Code

This Agreement is subordinate in all respects to any regulatory agreements and to the terms and conditions of the Mortgage Loans encumbering the Property. In addition, it is the intention of the parties that nothing in this Agreement be construed to affect the Owner’s status as owner of the Property for federal income tax purposes prior to exercise of the Refusal Right granted hereunder. Accordingly, notwithstanding anything to the contrary contained herein, both the grant and the exercise of the Refusal Right shall be subject in all respects to all applicable provisions of Section 42 of the Code, including, in particular, Section 42(i)(7). In the event of a conflict between the provisions contained in this Agreement and Section 42 of the Code, the provisions of Section 42 shall control.

Section 9. Option to Purchase

A. The parties hereto agree that if either the Code is revised or the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant an “option to purchase” pursuant to Section 42(i)(7) of the Code (or other applicable provision of Section 42) as opposed to a “right of first refusal” without adversely affecting the status of such owner as owner of its project for federal income tax purposes, then the parties shall amend this Agreement and the Owner shall grant the Grantee an option to purchase the Property at the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42.

B. The parties hereto agree that if either the Code is revised or the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant a “right of first refusal to purchase partner interests” and/or “purchase option to purchase partner interests” pursuant to Section 42(i)(7) of the Code (or other applicable provision) as opposed to a “right of first refusal to purchase the Project” without adversely affecting the status of such owner as owner of its project for federal income tax purposes (or the status of the Investor Member as a partner of the Company for federal income tax purposes) then the parties shall amend this Agreement and the Investor Members shall provide a right of first refusal and/or purchase option, as the case may be, to acquire their Interests for the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42.

Section 10. Notice

Section 11. Severability of Provisions

Each provision of this Agreement shall be considered severable, and if for any reason any provision that is not essential to the effectuation of the basic purposes of the Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement that are valid.

Section 12. Binding Provisions

The covenants and agreements contained herein shall be binding upon and inure to the benefit of the heirs, legal representatives, successors, and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement.

Section 13. Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 14. Governing Law

This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia without regard to principles of conflicts of law. Notwithstanding the foregoing, Company, Investor Member, and Grantee do not intend the Refusal Right in this Agreement to be a common law right of first refusal but rather intend it to be understood and interpreted as a mechanism authorized by Section 42 of the Code to allow nonprofit entities to preserve affordable housing for low-income families in accordance with Grantee's charitable objectives.

Section 15. Headings

All headings in this Agreement are for convenience of reference only. Masculine, feminine, or neuter gender shall include all other genders, the singular shall include the plural, and vice versa as the context may require.

Section 19. Subordination

This Agreement is and shall remain automatically subject and subordinate to any bona fide mortgage to (or assigned to) an institutional or governmental lender with respect to the Project. In the event of a foreclosure of any such mortgage or of the giving of a deed in lieu of foreclosure to any such mortgagee, this Agreement shall become void and shall be of no further force or effect.

Section 20. Rule Against Perpetuities Savings Clause

The term of this Agreement will be ninety years commencing on the date first written above unless sooner terminated pursuant to the provisions hereof. If any provision of this Agreement is construed as violating and applicable "Rule Against Perpetuities" by statute or common law, such provision will be deemed to remain in effect only until the death of the last survivor of the now-living descendants of any member of the 116th Congress of the United States, plus twenty-one (21) years thereafter. This Agreement and the Refusal Right herein granted are covenants running with the land, and the terms and provisions hereof will be binding upon, inure to the benefits of, and be enforceable by the parties hereto and their respective successors and assigns.

Section 21. Third-Party Beneficiary; Virginia Housing Rights and Powers

Virginia Housing shall be a third-party beneficiary to this Agreement, and the benefits of all of the covenants and restrictions hereof shall inure to the benefit of Virginia Housing, including the right, in addition to all other remedies provided by law or in equity, to apply to any court of competent jurisdiction within the Commonwealth of Virginia to enforce specific performance by the parties or to obtain an injunction against any violations hereof, or to obtain

such other relief as may be appropriate. Virginia Housing and its agents shall have those rights and powers with respect to the Project as set forth in the Act and the Virginia Housing Rules and Regulations promulgated thereunder, including, without limitation, those rights and powers set forth in Chapter 1.2 of Title 365 of the Code of Virginia (1950), as amended, and 13VAC10-180-10 et seq., as amended.

RIGHT OF FIRST REFUSAL AGREEMENT

(Coralain Gardens – 9%)

RIGHT OF FIRST REFUSAL AGREEMENT (the “Agreement”) dated as of [Closing Date] by and among **ECD CORALAIN GARDENS 9 LLC**, a Virginia limited liability company (the “Owner” or the “Company”), **ENTERPRISE COMMUNITY DEVELOPMENT, INC.**, a Maryland nonstock corporation (the “Grantee”), and is consented to by **ECD CORALAIN 9 MM LLC**, a Virginia limited liability company (the “Managing Member”), [INVESTOR ENTITY], a [] limited liability company (the “Investor Member”), and [SPECIAL MEMBER ENTITY], a [] limited liability company (the “Special Member”). The Managing Member, the Investor Member, and the Special Member are sometimes collectively referred to herein as the “Consenting Members.” The Investor Member and Special Member are sometimes collectively referred to herein as the “Non-Managing Members.” This Agreement shall be fully binding upon and inure to the benefit of the parties and their successors and assigns to the foregoing.

Recitals

A. The Owner, pursuant to its [Amended and Restated] Operating Agreement dated on or about the date hereof by and among the Consenting Members (the “Operating Agreement”), is engaged in the ownership and operation of a 42-unit apartment project for families located in Falls Church, Virginia and commonly known as “Coralain Gardens – 9%” (the “Project”). The real property comprising the Project is legally defined in **Exhibit A**; and

B. The Grantee is a qualified nonprofit organization as defined within Section 42 of the Internal Revenue Code of 1986, as amended, (the “Code”) and is both a member of the Managing Member of the Owner and instrumental to the development and operation of the Project; and

C. The Owner desires to give, grant, bargain, sell, and convey to the Grantee certain rights of first refusal to purchase the Project on the terms and conditions set forth herein; and

D. Capitalized terms used herein and not otherwise defined shall have the meanings outlined in the Operating Agreement.

NOW, THEREFORE, in consideration of the foregoing, of the mutual promises of the parties hereto and of other good and valuable consideration, the receipt and sufficiency of which the parties hereto acknowledge, the parties hereby agree as follows:

Section 1. Right of First Refusal

The Owner hereby grants to the Grantee a right of first refusal (the “Refusal Right”) to purchase the real or leasehold estate, fixtures, and personal property comprising the Project or associated with the physical operation thereof and owned by the Company at the time (the “Property”), for the price and subject to the other terms and conditions set forth below. The Property will include any reserves of the Partnership that are required by the Virginia Housing Development Authority (“Virginia Housing” or the “Credit Authority”), or any lender of a loan being assumed in connection with the exercise of the Refusal Right to remain with the Project.

Section 2. Exercise of Refusal Right; Purchase Price

A. After the end of the Compliance Period, the Company agrees that it will not sell the Property or any portion thereof without first offering the Property to the Grantee (the “Refusal Right”), for the Purchase Price (as defined in Section 3); provided, however, that such Refusal Right shall be conditioned upon the receipt by the Company of a “bona fide offer” (the acceptance or rejection of which shall not require the Consent of the Members). The Company shall give the notice of its receipt of such offer (the “Offer Notice”) and shall deliver a copy of the Offer Notice to the Grantee and to Virginia Housing. Upon receipt of the Offer Notice by the Grantee and by Virginia Housing, the Grantee shall have ninety (90) days to deliver to the Company a written notice of its intent to exercise the Refusal Right (the “Election Notice”). An offer made with the purchase price and basic terms of the proposed sale from a third party shall constitute a “bona fide offer” for purposes of this Agreement. Such offer:

- (i) may be solicited by the Grantee or the Managing Member (with such solicitation permitted to begin at any time following the end of the fourteenth (14th) year of the Compliance Period, provided that the Election Notice may not be sent until the end of the Compliance Period); and
- (ii) may contain customary due diligence, financing, and other contingencies. Notwithstanding anything to the contrary herein, a sale of the Project pursuant to the Refusal Right shall not require the Consent of the Non- Managing Members [or of Virginia Housing].

B. If the Grantee fails to deliver the Election Notice within ninety (90) days of receipt of the Offer Notice, or if such Election Notice is delivered but the Grantee does not consummate the purchase of the Project within 270 days from the date of delivery of the Election Notice (each, individually, a “Terminating Event”), then its Refusal Right shall terminate, and the Company shall be permitted to sell the Property free of the Refusal Right.

Section 3. Purchase Price; Closing

A. The purchase price for the Property pursuant to the Refusal Right (the “Purchase Price”) shall equal the sum of (i) the principal amount of all outstanding indebtedness secured by the Project, and any accrued interest on any of such debts and (ii) all federal, State, and local taxes attributable to such sale, including those incurred or to be incurred by the partners or members of the Non-Managing Members. Notwithstanding the foregoing, however, the Purchase Price shall never be less than the amount of the “minimum purchase price” as defined in Section 42(i)(7)(B) of the Code. The Refusal Right granted hereunder is intended to satisfy the

requirements of Section 42(i)(7) of the Code and shall be interpreted consistently therewith. In computing such price, it shall be assumed that each of the Non-Managing Members of the Owner (or their constituent partners or members) has an effective combined federal, state and local income tax rate equal to the maximum of such rates in effect on the date of Closing.

B. All costs of the Grantee's purchase of the Property pursuant to the Refusal Right, including any filing fees, shall be paid by the Grantee.

C. The Purchase Price shall be paid at Closing in either of the following methods:

- (i) the payment of all cash or immediately available funds at Closing; or
- (ii) the assumption of any assumable Loans if Grantee has obtained the consent of the lenders to the assumption of such Loans, which consent shall be secured at the sole cost and expense of Grantee; provided, however, that any Purchase Price balance remaining after the assumption of the Loans shall be paid by Grantee in immediately available funds.

Section 4. Conditions Precedent; Termination

A. Notwithstanding anything in this Agreement to the contrary, the right of the Grantee to exercise the Refusal Right and consummate any purchase pursuant thereto is contingent on each of the following being true and correct at the time of exercise of the Refusal Right and any purchase pursuant thereto:

- (i) the Grantee or its assignee shall be a "qualified nonprofit organization" as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42(i)(7)(A) of the Code (collectively, each, a "Qualified Beneficiary"); and
- (ii) the Project continues to be a "qualified low-income housing project" within the meaning of Section 42 of the Code.

B. This Agreement shall automatically terminate upon the occurrence of any of the following events and, if terminated, shall not be reinstated unless such reinstatement is agreed to in writing and signed by the Grantee and each of the Consenting Members:

- (i) the transfer of the Property to a lender in total or partial satisfaction of any loan; or
- (ii) any transfer or attempted transfer of all or any part of the Refusal Right by the Grantee, whether by operation of law or otherwise, except as otherwise permitted under Section 7 of this Agreement; or
- (iii) the Project ceases to be a "qualified low-income housing project" within the meaning of Section 42 of the Code; or (iv) the Grantee fails to deliver its Election Notice or consummate the purchase of the Property within the timeframes outlined in Section 2 above.

C. If the Investor Member removes the Managing Member from the Company for failure to cure a default under the Operating Agreement after all applicable notice and cure periods, the

Investor Member may elect to exercise any rights it has under the Operating Agreement to terminate this Agreement and to exercise any rights it has under the Operating Agreement to release this Agreement as a lien against the Project, upon first obtaining the prior written consent of Virginia Housing, which consent may be granted or withheld in Virginia Housing's sole discretion.

Section 5. Contract and Closing

Upon determination of the purchase price, the Owner and the Grantee shall enter into a written contract for the purchase and sale of the Property in accordance with the terms of this Agreement and containing such other terms and conditions as are standard and customary for similar commercial transactions in the geographic area which the Property is located, providing for a closing (the "Closing") to occur in the County of Fairfax, Virginia not later than the timeframes set forth in Section 2. In the absence of any such contract, this Agreement shall be specifically enforceable upon the exercise of the Refusal Right.

Section 6. Conveyance and Condition of the Property

The Owner's right, title, and interest in the Property shall be conveyed by quitclaim deed or an assignment of lease, subject to such liens, encumbrances, and parties in possession as shall exist as of the date of Closing. The Grantee shall accept the Property "AS IS, WHERE IS" and "WITH ALL FAULTS AND DEFECTS," latent or otherwise, without any warranty or representation as to the condition thereof whatsoever, including without limitation, without any warranty as to fitness for a particular purpose, habitability, or otherwise and no indemnity for hazardous waste or other conditions with respect to the Property will be provided. It is a condition to Closing that all amounts due to the Owner and the Investor Member from the Grantee or its Affiliates be paid in full. The Grantee shall pay all closing costs, including, without limitation, the Owner's attorney's fees. Upon closing, the Owner shall deliver to the Grantee, along with the deed or assignment of the lease to the property, an ALTA owner's (leasehold, as applicable) title insurance policy dated as of the close of escrow in the amount of the purchase price, subject to the liens, encumbrances, and other exceptions then affecting the title.

Section 7. Transfer

The Refusal Right shall not be transferred without the Consent of the Investor Member, except that the Grantee may assign all or any of its rights under this Agreement to an Affiliate of Grantee (a "Permitted Assignee") at the election and direction of the Grantee or to any assignee that shall be a "qualified nonprofit organization" as defined in Section 42(h)(5)(C) of the Code or another qualified purchaser described in Section 42 of the Code (collectively, each, a "Qualified Beneficiary").

In the case of any transfer of the Refusal Right, (i) all rights, conditions, and restrictions applicable to the exercise or transfer of the Refusal Right or to the purchase of the Property pursuant thereto shall also apply to such transferee, and (ii) such transferee shall be disqualified from the exercise of any rights hereunder at all times during which the transferor would have been ineligible to exercise such rights hereunder had it not effected such transfer.

Section 8. Rights Subordinate; Priority of Requirements of Section 42 of the Code

This Agreement is subordinate in all respects to any regulatory agreements and to the terms and conditions of the Mortgage Loans encumbering the Property. In addition, it is the intention of the parties that nothing in this Agreement be construed to affect the Owner's status as owner of the Property for federal income tax purposes prior to exercise of the Refusal Right granted hereunder. Accordingly, notwithstanding anything to the contrary contained herein, both the grant and the exercise of the Refusal Right shall be subject in all respects to all applicable provisions of Section 42 of the Code, including, in particular, Section 42(i)(7). In the event of a conflict between the provisions contained in this Agreement and Section 42 of the Code, the provisions of Section 42 shall control.

Section 9. Option to Purchase

A. The parties hereto agree that if either the Code is revised or the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant an "option to purchase" pursuant to Section 42(i)(7) of the Code (or other applicable provision of Section 42) as opposed to a "right of first refusal" without adversely affecting the status of such owner as owner of its project for federal income tax purposes, then the parties shall amend this Agreement and the Owner shall grant the Grantee an option to purchase the Property at the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42.

B. The parties hereto agree that if either the Code is revised or the Service hereafter issues public authority to permit the owner of a low-income housing tax credit project to grant a "right of first refusal to purchase partner interests" and/or "purchase option to purchase partner interests" pursuant to Section 42(i)(7) of the Code (or other applicable provision) as opposed to a "right of first refusal to purchase the Project" without adversely affecting the status of such owner as owner of its project for federal income tax purposes (or the status of the Investor Member as a partner of the Company for federal income tax purposes) then the parties shall amend this Agreement and the Investor Members shall provide a right of first refusal and/or purchase option, as the case may be, to acquire their Interests for the Purchase Price provided in Section 3 hereof and that meets the requirements of Code Section 42.

Section 10. Notice

Except as otherwise specifically provided herein, all notices, demands or other communications hereunder shall be in writing by hand delivery (whether personally or by courier or other delivery service) or by certified mail, return receipt requested, to the parties hereto at the addresses set forth below, or to such other place as a party may from time to time designate in writing. Any such notice(s) shall be deemed given when received at such address or place or, in the case of certified mail, three (3) days after date of mailing.

- (A) If to the Owner, at the principal office of the Company set forth in Section II of the Articles of Organization of the Owner;
- (B) If to a Consenting Member, at their respective addresses set forth in Schedule A of the Operating Agreement;
- (C) If to the Grantee, Attention: Matt Engel, Vice President, 4550 Montgomery Avenue, Suite 470, Bethesda, MD 20814;

(D) If to Virginia Housing:
Virginia Housing Development Authority
c/o Director of Tax Credit Programs
601 S Belvidere Street
Richmond, Virginia 23220

Section 11. Severability of Provisions

Each provision of this Agreement shall be considered severable, and if for any reason any provision that is not essential to the effectuation of the basic purposes of the Agreement is determined to be invalid and contrary to any existing or future law, such invalidity shall not impair the operation of or affect those provisions of this Agreement that are valid.

Section 12. Binding Provisions

The covenants and agreements contained herein shall be binding upon and inure to the benefit of the heirs, legal representatives, successors, and assignees of the respective parties hereto, except in each case as expressly provided to the contrary in this Agreement.

Section 13. Counterparts

This Agreement may be executed in several counterparts and all so executed shall constitute one agreement binding on all parties hereto, notwithstanding that all the parties have not signed the original or the same counterpart.

Section 14. Governing Law

This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia without regard to principles of conflicts of law. Notwithstanding the foregoing, Company, Investor Member, and Grantee do not intend the Refusal Right in this Agreement to be a common law right of first refusal but rather intend it to be understood and interpreted as a mechanism authorized by Section 42 of the Code to allow nonprofit entities to preserve affordable housing for low-income families in accordance with Grantee's charitable objectives.

Section 15. Headings

All headings in this Agreement are for convenience of reference only. Masculine, feminine, or neuter gender shall include all other genders, the singular shall include the plural, and vice versa as the context may require.

Section 16. Amendments

This Agreement shall not be amended except by written agreement between Grantee and the Owner with the consent of each of the Consenting Members [and Virginia Housing].

Section 17. Time

Time is of the essence with respect to this Agreement, and all provisions relating thereto shall be so construed.

Section 18. Legal Fees

Except as otherwise provided herein, in the event that legal proceedings are commenced by the Owner against the Grantee or by the Grantee against the Owner in connection with this Agreement or the transactions contemplated hereby, the prevailing party shall be entitled to recover all reasonable attorney’s fees and expenses.

Section 19. Subordination

This Agreement is and shall remain automatically subject and subordinate to any bona fide mortgage to (or assigned to) an institutional or governmental lender with respect to the Project. In the event of a foreclosure of any such mortgage or of the giving of a deed in lieu of foreclosure to any such mortgagee, this Agreement shall become void and shall be of no further force or effect.

Section 20. Rule Against Perpetuities Savings Clause

The term of this Agreement will be ninety years commencing on the date first written above unless sooner terminated pursuant to the provisions hereof. The Internet might seem intimidating at first - a vast global communications network with billions of webpages. But in this lesson, we simplify and explain the basics about the Internet using a conversational non-technical style to make it understandable, useful, and enjoyable. There's no reason to be left out!

Basic Internet Skills

Microsoft Windows PCs

www.NetLiteracy.org

What the Internet is:

The Internet, the web, cyberspace, and the 'net are all terms that generally mean the same thing, in this case, we will call it the Internet. The Internet is a **NET**work of computers, all over the world, **INTER**connected to each other and available to any individual. The Internet is used for many different activities including shopping, communicating, learning, and distributing information.

Unfortunately, you cannot open a door to a house and walk outside to “go into the Internet.” Computers are a primary tool you’ll utilize to use the Internet. The Internet is somewhat difficult to describe because you cannot touch it (in a way similar to software). It seems invisible—only computers can see it – and you can see it through a computer. Sometimes the Internet is best described in comparison to a library. The Internet is made up of many individual components, just like a library is made up of many books. The Internet’s components have even more individual parts, just like a book has pages.

Changing Constantly:

The Internet is a useful source of information about news, sports, and entertainment because it changes along with the minute-by-minute events that occur in the world brings. This might seem confusing. However, it is not

necessarily so—the Internet can be thought of as a “dynamic” living organism that changes and adapts to its environment. The Internet changes very quickly—just watching a 24 hour news channel on the television. The content on some websites is updated every few seconds.

Purpose / Content of Websites

On the Internet, there are many websites. These are usually made for one specific purpose; they range from informing you about the news to teaching you how to cook.

The best analogy of a website is a comparison to an entire book or an entire newspaper. Websites are made up of “pages,” just like newspapers and books.

Websites are usually independent, however sometimes they are linked together by hyperlinks (also called links) that allow you to jump from one website to another website. These links allow you to “turn the page,” and move around on the Internet. They are usually underlined and **blue**, however they can be any color and or even a picture. How

do you identify a hyperlink? When your mouse hovers over a hyperlink, the arrow changes into a pointing hand.

Webpages are what you see and read on the Internet. They are primarily made up of text (words), digital media (pictures, movies, and music), and hyperlinks. The Internet, unlike a book or newspaper, is in no order, and can seem slightly confusing at first. However, there are tools on the Internet that help organize it and will allow you to use it comfortably and easily.

Applications to Access the Internet

On the computer, you use a program to see the Internet. The program is called a web browser — you “browse” the web with it. Some common brands of web browsers include Internet Explorer, Firefox, and Chrome. They serve the same purpose, navigating the internet, and also have many of the same buttons. For instance, we will take a look at a generic browser’s buttons. You will use these buttons to navigate around the Internet. Sometimes extra buttons might be added, while other times, buttons might have been moved around on the toolbar. If you cannot find a button, just ask someone (they seem to be pretty tricky when they hide from you).

The Buttons

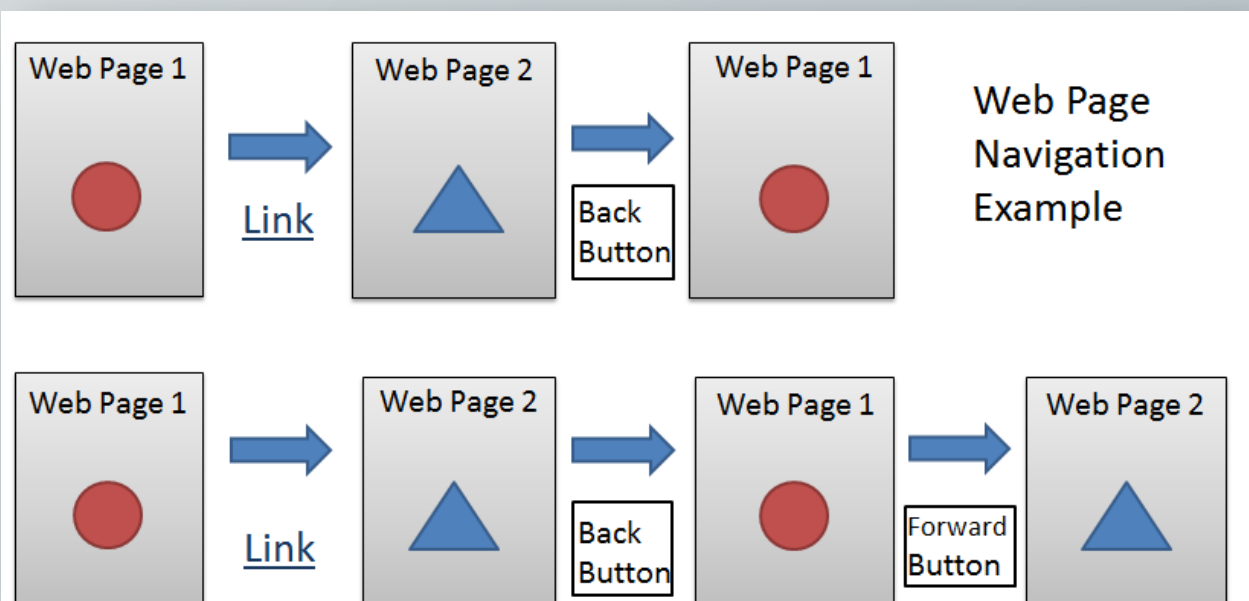

The Back Button – This button allows you to return to the last webpage that you last visited. It is most often used if you accidentally click on a link and wish to return to your previous page.

The Forward Button – If you clicked the back button, you don't have to hunt for the hyperlink on the webpage to return to the previous webpage. Just click on the forward button to return to the previous page that you were at before you pressed the back button.

Note: If the forward button is "grayed out" and when you click on it, nothing happens, this means that it is disabled.

The Refresh Button – This button is useful if you are looking at pages that contain content that is updated more frequently, such as the news, sports scores, or the weather. By clicking on the refresh button, the web page loads again, and is updated with the latest information.

The Home Button - When you open your web browser, the first website that is displayed is your **homepage**. You can change your homepage to fit your preferences. When you click on the home button, it takes you to your homepage.

The Address Box

The Address Box – This displays the URL of a webpage. URL stands for Universal Resource Locator, which is a unique address for each webpage – just like your own home’s address is unique. You can type a specific URL into the address box by left clicking in the box once and then typing. Although URLs are all different, they share common characteristics. The basic diagram of a URL is shown below.

http://www.google.com

Http:// - Begins most web addresses. Tells the internet browser what protocol to use.

www- Stands for “World Wide Web.” Most web addresses have it although it is not necessary. It indicates a web page.

.(dot)- Separates parts of the address so it does not all run together and the computer can distinguish the different parts of the address.

Domain name- Example: “Google” – A series of numbers, letters or hyphens “-” that identifies the owner of the address.

.” (dot)- See previous Definition

The Domain- At the end of a web address. Tells what type of web page you are viewing.
 .com – Commercial
 .org – Non-For-Profit Organization
 .edu – Education (Colleges/Universities)
 .net – Internet Related
 .mil – US Military
 .gov – US Government
 .us – United States
 .uk – United Kingdom

Important: Make sure you spell everything correctly. Addresses are very specific and if typed incorrectly, they will direct you to the wrong website. If this happens, simply use your back arrow to return to the previous webpage.

Scrolling on Webpages

One thing to keep in mind when viewing the Internet is that a bunch of information might be displayed on a webpage, however, only a small portion can be seen immediately when you load the webpage. Thus, it is important to look at your scroll bars to the right and bottom to see if there is more information you are missing. If you are tired of using the mouse to scroll up and down, try using the arrow keys.

Pop Up Advertisements

On the Internet, there are things that help you and things that can make you aggravated. One aggravation is the **Pop Up Ad**. These advertisements are created by aggressive marketers who want you to see their “amazing” product and buy it. Pop ups create their own window and usually appear on top of the information that you are interested in. If you click on a pop up ad, it will take you away from the information you are looking at. If you see a pop up ad, click the X at the top right of the window to close it.

Another type of advertisement is the **Banner**. Banner ads show up at the top of a website or on the side of a website. As a beginner, it's generally wiser to ignore banner advertisements unless you are familiar with the company.

Searching the Internet

Because there are so many things on the Internet, it is

frequently hard to locate exactly what you are looking for. Search engines such as Google (www.google.com) are very helpful and allow you search the Internet.

A search engine is a Website used to search for information on the World Wide Web. Google first collects websites using a computer program (called a

wanderer, crawler, robot, worm, or spider). Then Google creates an index of these sites so they are searchable. There are many search engines that are available - we use Google for purposes of instruction because most people use it.

Performing a search in Google (See Next Page for Picture)

1. Go to Google by typing www.google.com in the URL address box (see page 5). Google is also one of the fastest search engines and provides some of the best results.
2. Next type your topic or key words (words closely related to your topic) into the box under the Google logo.
3. Press Enter or click "Google Search"
4. The next page that will appear is your search results page. This page lists the first few results from your search. Click on one of the page title that has an interesting description or seems most relevant.
5. If you are not satisfied with that website, click the back button and try a different website. If you still cannot find a good website, try searching by using different terms in the search box at the top of the webpage.

Google Searching Tips

Google will return pages that include all of your search terms. There is no need to include the word "and" between terms. For example, to look for information about parks in Cincinnati, simply type "Cincinnati parks."

Google is not case sensitive. Typing "United States" is the same as typing "UNITED STATES" or "united states."

The more words you include in your search, the more specific your search will be and the more relevant your search results will be.

Marketing Plan for units meeting accessibility
requirements of HUD section 504

EXHIBIT X

MARKETING PLAN FOR ACCESSIBLE UNITS

Coralain Gardens – 9%

7435 Arlington Blvd. Fall Church, VA 22042

OWNER'S INTENT

Coralain Gardens – 9% proposes to include five (5) accessible units for people needing rental housing with full accessibility under Section 504 of the Rehabilitation Act of 1973. These five (5) accessible units will be held vacant for 60 days, during which ongoing marketing efforts to persons with disabilities will be documented. Gates Hudson, acting as an agent for the ownership, will actively market these units throughout the year and provide sufficient documentation to Virginia Housing's compliance officer. "Ongoing Basis" shall mean that Gates Hudson will contact at least two (2) resources per month to market the available Section 504 accessible units. Gates Hudson will also routinely review the success of all marketing efforts and adjust accordingly.

When a Section 504-accessible unit becomes available for occupancy, it shall first be offered to a qualified individual/household with disabilities currently residing in a non-accessible unit at the property. If no such persons/households reside at the property, Gates Hudson shall offer the unit to the next available qualified individual/household with disabilities on the property's waiting list. After 60 days, if no qualified applicant with disabilities requires the unit, Gates Hudson may place a tenant household with non-disabled members in the unit upon approval by the designated Virginia Housing compliance officer. The approved lease will contain a provision requiring the non-disabled household to move to a vacant unit of comparable size within the development if a household with disabled members applies for the unit. The prospective disabled-tenant household will be placed on the property's waiting list until a vacant unit of comparable size is available to complete the non-disabled tenant household's move to the new unit. The Owner will pay for moving expenses if the non-disabled household is required to move to a vacant unit.

IMPLEMENTATION OF OWNER'S INTENT

Gates Hudson, acting as an agent for the ownership, will rent accessible units only to qualified households unless Virginia Housing grants permission to lease to other income-qualified households after the initial 60-day marketing effort has concluded. Focused marketing efforts will occur in conjunction with normal routine marketing strategies to ensure qualified individuals are aware of the availability of accessible units.

CONCENTRATED MARKETING EFFORTS

Virginia Disabilities Services Agencies – Gates Hudson will maintain an open line of communication with Virginia DSA regarding upcoming accessible rental opportunities at Coralain Gardens – 9% and ensure they have access to promotional material and details about the property.

Virginia Department of Behavioral Health and Developmental Services (DBHDS) – Gates Hudson will establish a referral process with VA DBHDS and inform DBHDS of upcoming accessible rental opportunities at Coralain Gardens – 9%.

Local Hospitals – Gates Hudson will establish relationships with area health systems, including INOVA Fairfax Medical Campus, Reston Hospital Center, and VHC Health-Virginia Hospital Center. We will provide them with promotional materials and information regarding available, accessible units for rent at Coralain Gardens – 9%.

Local Housing Authorities – Gates Hudson will work with local housing authorities to ensure receipt of promotional materials and information regarding available Section 504 accessible units at Coralain Gardens – 9%.

Local Non-profits – Gates Hudson will work to keep all non-profit agencies in the community aware of all available Section 504 accessible units.

Local Department of Social Services – Gates Hudson will maintain contact with the City of Falls Church and Fairfax County Departments of Social Services to provide information about available Section 504 accessible units.

Virginia Housing – Ensure Virginia Housing representatives charged with accessible unit outreach are aware of the availability of these units at Coralain Gardens – 9%.

Normal Routine Marketing

VirginiaHousingSearch.com – Gates Hudson will post apartment units on the virginiahousingsearch.com website. The listing will contain details about Section 504 accessible units.

Internet Advertisements – Gates Hudson will, through their normal process of marketing the property, note the available Section 504 accessible units. Gates Hudson will market the units through a custom “Accessible Apartments” page of the property website and include details in other online apartment listings, such as Zillow.com, ApartmentList.com, and Apartments.com.

Digital/Email Marketing – Gates Hudson will note available Section 504 accessible units through its ongoing digital marketing campaigns, including Google Pay Per Click campaigns and targeted emails to prospective residents.

Referrals – Gates Hudson will work with existing residents to make them aware of available Section 504 accessible units and offer any available, accessible units to existing residents that require accessible features.

Newspaper-Gates Hudson will advertise apartments in local newspapers. The advertisements will include details about Section 504 accessible units.

LEASING PREFERENCE FOR VIRGINIA HOUSING TARGET POPULATIONS

Gates Hudson will ensure that Section 504-accessible units are marketed across the community in all regularly occurring marketing programming. Gates Hudson will also work to develop new community relationships to market the Section 504-accessible units in addition to the affordable housing units at Coralain Gardens – 9% to the region throughout the life of the development.
