#### Disclaimer:

Virginia Housing assumes no responsibility for any problems incurred in using this spreadsheet or for the accuracy of calculations. Check your application for correctness and completeness before submitting the application to Virginia Housing.

#### **Entering Data:**

Enter numbers or text as appropriate in the blank spaces highlighted in yellow. Cells have been formatted as appropriate for the data expected. All other cells are protected and will not allow changes.

#### Please Note:

- ▶ VERY IMPORTANT!: Do not use the copy/cut/paste functions within this document. Pasting fields will corrupt the application and may result in penalties. You may use links to other cells or other documents but do not paste data from one document or field to another. You may also use the drag function.
- ► Some fields provide a dropdown of options to select from, indicated by a down arrow that appears when the cell is selected. Click on the arrow to select a value within the dropdown for these fields.
- ► The spreadsheet contains multiple error checks to assist in identifying potential mistakes in the application. These may appear as data is entered but are dependent on values entered later in the application. Do not be concerned with these messages until all data within the application has been entered.
- ▶ Also note that some cells contain error messages such as "#DIV/0!" as you begin. These warnings will disappear as the numbers necessary for the calculation are entered.

#### UNITS SELECTED IN INCOME AND RENT DETERMINE POINTS FOR THE BONUS POINT CATEGORY

Note: In order to qualify for any tax credits, a development must meet one of three minimum threshold occupancy tests. Either (i) at least 20% of the units must be rent-restricted and occupied by persons whose incomes are 50% or less of the area median income adjusted for family size (this is called the 20/50 test), (ii) at least 40% of the units must be rent-restricted and occupied by persons whose incomes are 60% or less of the area median income adjusted for family size (this is called the 40/60 test), or (iii) 40% or more of the units are both rent-restricted and occupied by persons whose income does not exceed the imputed income limitation designated in 10% increments between 20% to 80% of the AMI, and the average of the imputed income limitations collectively does not exceed 60% of the AMI (this is called the Average Income Test (AIT)). All occupancy tests are described in Section 42 of the IRC. Rent-and incomerestricted units are known as low-income units. If you have more low-income units than required, you qualify for more credits. If you serve lower incomes than required, you receive more points under the ranking system.

Items 5f and 5g require a numeric value to be entered.

Please remember that this score is only an estimate. Virginia Housing reserves the right to change application data and/or score sheet responses where appropriate, which may change the final score.

#### **Credit Points (updated in 2025):**

If the Combined Max Allowable Credits is \$500,000 and the annual credit requested is \$200,000, you are providing a 60% savings for the program. This deal would receive all 100 credit points.

For another example, the annual credit requested is \$300,000 or a 40% savings for the program. Using a sliding scale, the credit points would be calculated by the difference between your savings and the desired 60% savings. Your savings divided by the goal of 60% times the max points of 100. In this example, (40%/60%) x 100 or 66.67 points.

Tax Exempt Deals are granted a starting point value greater than zero to allow for the nature of these deals.

Such structuring may require admission of such buyer as an additional one percent (1%) member in the Company, required to provide equity equivalent to one percent (1%) of the Credits and decreasing the allocation of all Company items to the Investor, and its equity contribution, by one percent (1%). Evidence of a commitment for the sale of the State Historic Credits will be a condition to closing with the Investor.

The terms and conditions of each of the Loans and any other loan to the Company will be subject to the Investor's approval. All Permanent Loans must be non-recourse.

5. Tax Credits. It is anticipated that the Company will be eligible to receive Housing Credits by reason of the Project being financed by the Bonds and accordingly will be entitled to receive annual Housing Credits in the amount of \$789,158, of which \$789,079 will be allocated to the Investor. It is anticipated that the amount of the Historic Credits for which the Project will qualify is in the amount of \$2,749,538, of which \$2,749,263 will be allocated to the Investor. The Housing Credits and the Historic Credits allocated to the Investor will respectively constitute the "Investor Housing Credit Share" and the "Investor Historic Credit Share", or collectively the "Investor Credit Share." The following table sets forth the delivery of Historic Credits that the Project and the Investor will claim:

Year	Project's Historic Credits	Investor Historic Credit Share
2026 - 2030	\$549,907	\$549,853

The amount of capital to be contributed pursuant to this Letter is, in part, based on the Credit delivery set forth above. Any delay in such Credit delivery will cause a decrease in the amount to be contributed by the

Investor. The Project is located in a qualified census tract and therefore qualifies for a 30% Eligible Basis boost.

6. <u>Capital Contributions</u>. Based on the information set forth herein, the materials you previously submitted, and subject to the Investor's satisfactory completion of due diligence (in its sole discretion), the Investor will make aggregate capital contributions (the "<u>Capital Contributions</u>") to the Company (subject to adjustment as provided below) of <u>\$9,045,000</u> based on a contribution amount of <u>\$0.85</u> per dollar of Investor Housing Credit Share and <u>\$0.85</u> per dollar of Investor Historic Credit Share in three (3) installments according to the following schedule:

		Amount of Capital Contribution (\$)	% of Total Capital Contribution
1	Admission of the Investor to the Company	\$2,261,250	25%
	and receipt of Part I & II Historic		
	Certifications		
2	Later of 100% Construction Completion or	\$5,879,250	65%
	November 1, 2026 or (iii) receipt of Part III		
	Historic Certification		
3	Later of Rental Achievement or April 1, 2027	\$904,500	10%

The following are definitions for the terms set forth above in the Capital Contribution schedule. All construction completion thresholds prior to 100% Construction Completion will be based on submissions of AIA forms G702/703 and an inspection by the Investor's engineering consultant ("Investor Consultant") and/or the Investor's asset management group as to the progress of the Project, approving the construction and certifying that the work performed to meet such threshold has been permanently made a part of the Project.

- A. 100% Construction Completion. 100% Construction Completion will be deemed to have occurred when (i) the Investor has received a certificate from the Project architect and Investor Consultant that the Project has been completed substantially in accordance with the final plans and specifications (the "Plans") approved by the Investor, (ii) the Project has received a final certificate of occupancy (or its equivalent) permitting occupancy of the entire Project for its intended use, and (iii) the Investor has received a draft certificate from the Project's independent accountant(s) setting forth the initial estimate of the Project's Eligible Basis for Credit purposes and the amount of annual Credits to which the Company is entitled, (iv) the Company has received a contribution of equity with respect to the State Historic Credits and (v) the Investor has received a Part III Historic Certification from the U.S. Department of Interior ("Part III") (and that the amount of Bonds financing the Project as of the date the Project was placed-in-service was greater than 50% of the Project's basis in the land and building).
- B. Rental Achievement. Rental Achievement will be deemed to have occurred when (i) all of the Project's permanent financing has closed (or will close simultaneously with payment of the Rental Achievement Capital Contribution), (ii) the Investor has received IRS Form 8609 for each building in the Project, (iii) all of the set-aside apartments in the Project have qualified for Credits, (iv) the Project has maintained a physical occupancy rate of at least 93% and a debt service coverage ratio of at least 1.20 to 1.00 (assuming a 7% vacancy factor based on the greater of actual or underwritten assumptions) for three (3) consecutive months, and (v) the Investor has received a certificate from the Project's independent accountant(s)

Page | 4 R4 Capital

stating the amount of the first year Credits, Eligible Basis, Qualified Basis, Applicable Percentage, the amount of annual Credits to which the Project is entitled, and the Investor Credit Share.

Notwithstanding the foregoing, if all conditions for Rental Achievement have been satisfied except receipt of IRS Form 8609 provided that all information for such form has been submitted to the Credit Agency, then 50% of the Rental Achievement Capital Contribution will be released with the balance to be released upon receipt of IRS Form 8609.

- 7. <u>Adjuster Provisions</u>. The Capital Contributions set forth in Section 6 of this Letter will be subject to the following Credit adjusters:
  - A. Credit Adjuster. If the actual amount of annual Credits certified by the Project accountant(s) to be allocable to the Investor is less than the amount set forth above, then the amount of the Capital Contributions to be provided by the Investor will be (i) decreased by \$0.84 for each \$1.00 that the Investor Housing Credit Share is reduced and (ii) decreased by \$0.84 for each \$1.00 that the Investor Historic Credit Share is reduced. If the Project receives an additional allocation of Credits or is otherwise entitled to receive additional Credits more than initially anticipated or underwritten, subject to the availability of Investor funds, the amount of the Investor's Capital Contributions will be (i) increased by \$0.84 for each \$1.00 that the Investor Housing Credit Share is increased and (ii) increased by \$0.84 for each \$1.00 that the Investor Credit Share is increased (up to a maximum increase of \$452,250). If the Investor does not make Capital Contributions above the cap set forth above, then the Investor will either (i) use its best efforts to procure a Class B Investor to make such Capital Contributions and be allocated such additional Credits, or (ii) elect to alter the ownership percentages in order to cause the additional Credits to be allocated to the Managing Member or its designee. Any adjustment(s) will be reflected in the 100% Construction Completion Capital Contribution or the Rental Achievement Capital Contribution as set forth in the applicable documents.
  - B. <u>Timing Adjuster</u>. If any portion of the Investor Housing Credit Share is not received in 2027 or 2028, then the 100% Construction Completion Capital Contribution or the Rental Achievement Capital Contribution will be reduced by \$0.65 for each \$1.00 that the Investor Housing Credit Share is deferred. If any portion of the Investor Historic Credit Share is not received in 2026, then the price will be reduced by \$0.25 for each \$1.00 that the Investor Historic Credit Share is deferred. Further delays in the delivery of the Historic Credits could result in a repurchase event. If the actual amount of Housing Credits allocated to the Investor in 2026 or 2027 is greater than the Investor Housing Credit Share for such year, then, subject to the availability of Investor funds, the Rental Achievement Capital Contribution will be increased by \$0.45 for each \$1.00 that the Investor Housing Credit Share is accelerated, up to a maximum increase of \$452,250.

Should any downward adjuster be greater than the remaining balance of the Investor's capital contributions, the amount shall be paid by the Managing Member to the Investor on a grossed-up after-tax basis and guaranteed by the Guarantor(s). The aggregate amount of any increases in the amount of the Investor's Capital Contributions shall not exceed 5% of the Aggregate Contributions Amount as defined in the Operating Agreement.

The amount of the Capital Contributions set forth above was also based upon the assumption that the Company will elect to be treated as an Electing Real Property Trade or Business ("ERPTOB"), as enacted by the 2017 amendments to the Code, and will have an initial basis of not less than \$290,748 per unit with respect to residential rental property with a recovery period of 30 years. Additionally, it is assumed that the Company will be entitled to claim depreciation deductions with respect to site improvements of not less than

\$12,295 per unit with a 15-year recovery period and personal property of not less than \$4,271 per unit with a five-year recovery period. The Managing Member may not elect out of bonus depreciation with respect to the 15- and 5-year life assets in accordance with Section 168(k)(2) of the Code without the consent of the Investor. As a result of the 0% accelerated depreciation, the Company will claim accelerated depreciation deductions of \$0 with respect to site improvements and \$0 with respect to personal property. If the amounts of the accelerated depreciation deductions are less than the amounts set forth in the preceding sentence, the amount of the 100% Construction Completion and/or Rental Achievement Capital Contribution(s) will be reduced by \$0.21 per dollar of such shortfall. In the event that the realization of such accelerated depreciation deductions by the Company is delayed to a subsequent year due to a delay in the Project's Completion Date, the portion of the 100% Construction Completion and/or Rental Achievement Capital Contribution(s) will be reduced by \$0.021 for each dollar and each year of accelerated depreciation deductions that are so deferred. At the Company's expense, the Managing Member shall obtain a Cost Segregation Study on behalf of the Company, from a provider acceptable to the Investor, to segregate personal property and land improvement assets from real property costs. The Managing Member shall adopt the findings of the Cost Segregation Study for all Company reporting purposes.

- 8. <u>Developer Fee</u>. The Developer shall be entitled to a total development fee (the "<u>Developer Fee</u>") in the amount permitted by the Credit Agency and agreed to by the Investor. It is anticipated that a portion of the Developer Fee (the "Cash Developer Fee") will be paid from the Investor's Capital Contributions (and any other mutually agreed upon sources) in installments mutually agreeable to the Company's members, provided that the payment of the Developer Fee is subordinate to the payment of all of the Company's obligations to third parties and deposits into the Replacement Reserve and the Operating Reserve. Subject to the foregoing and provided that the Investor's projections do not show the need for additional sources of funds to complete the Project, 25% of the Cash Developer Fee will be paid to the Developer upon admission of the Investor to the Company, 25% of the Cash Developer Fee will be paid to the Developer upon 100% Construction Completion, and at least 50% of the Cash Developer Fee will be held back until Rental Achievement. To the extent the Developer Fee has not been paid in full upon the funding of the final Capital Contribution, the remainder of the Developer Fee (the "<u>Deferred Developer Fee</u>"), together with interest at 6.00%, will be paid out of Cash Flow as provided below. To the extent the Deferred Developer Fee is not paid by the end of the 15-year compliance period, the Managing Member shall be obligated to contribute to the Company an amount equal to the unpaid Deferred Developer Fee, which obligation shall be guaranteed by the Guarantor(s).
- 9. Reserves. The Company will fund the following reserves:
  - A. <u>Replacement Reserve</u>. The Company will fund out of Cash Flow a replacement reserve (the "<u>Replacement Reserve</u>") in the amount equal to the greater of (i) \$350 per unit per year, to be increased by 3% annually, or (ii) such amount as determined necessary by the Investor upon regular reviews of the physical needs and financial circumstances of the Project.
  - B. Operating Reserve. An operating reserve (the "Operating Reserve") in the amount of \$132,669 (or an amount equal to 3.0 months of operating expenses and debt service, as underwritten by the Investor at Closing) (the "Minimum Balance") will be funded at Rental Achievement. The Operating Reserve will be replenished up to the Minimum Balance from Cash Flow to the extent withdrawals are made. No withdrawals may be made from the Operating Reserve (i) until Rental Achievement, (ii) while the Project is maintaining at least break-even operations or (iii) until the maximum amount of the Managing Member's obligation under the Operating Deficit Guaranty (the "Maximum ODG Amount") is expended from other sources.

- 10. <u>Obligations of the Managing Member and the Guarantor(s)</u>. The Managing Member shall have the following obligations, among others, and the Guarantor(s) shall guarantee these obligations:
  - A. Completion and Development Deficit Guaranty. The Managing Member shall guarantee lien-free completion of the Project in a good and workmanlike condition, substantially in accordance with the Plans by not later than November 1, 2026 (the "Completion Date"). The Completion Date is based on an assumed closing date of December 1, 2025 and a construction period of 10 months. The Managing Member shall be responsible to pay the amount (the "Development Deficit") by which all costs and expenses incurred with respect to the construction and completion of the Project and its operation until Rental Achievement has occurred (together, the "Development Expenditures") exceed the funds available to the Managing Member from (i) the Capital Contributions, (ii) Cash Flow prior to Rental Achievement, and (iii) financing proceeds which have been approved by the Investor (collectively, (i)-(iii), the "Development Sources"). The Development Deficit will be considered a cost overrun, will not be reimbursable and will not be included in Eligible Basis without the consent of the Investor. Payments made under this Completion and Development Deficit Guaranty will not constitute loans to the Company and neither the Managing Member nor the Guarantor(s) will have any right to receive any repayment on account of such payments.
  - B. Operating Deficit Guaranty ("ODG"). The Managing Member shall be required to loan the Company without interest all funds necessary to cover operating deficits ("Operating Loans") for a period commencing on the expiration of the Completion and Development Deficit Guaranty and ending upon (i) the later of (a) 60 months after the expiration of the Completion and Development Deficit Guaranty or (b) the Project's achievement of 1.20 to 1 debt service coverage on the Permanent Loans calculated over a period of 12 consecutive months based on audited financials (with such 12-month period ending no earlier than the last date of the 60-month period described in clause (a)), and (ii) confirmation that the Operating Reserve has been fully funded to its originally required balance. The maximum ODG amount shall be \$509,501 (or an amount equal to 9.0 months of operating expenses and debt service, as underwritten by the Investor at Closing). Operating Loans will be repayable only out of 50% of future available Cash Flow or out of available proceeds of a Capital Transaction.
  - C. Recapture Guaranty. If the Investor is allocated Credits less than the Investor Credit Share or Credits allocated to the Investor are recaptured, the Managing Member shall reimburse the Investor on a grossed-up, after-tax basis for any such deficit or recapture of Credits plus any associated penalties, interest or additional taxes due by reason of such payment (a "Recapture Event"), unless the same is caused by a change in the Code or the action of the Investor in violation of the Operating Agreement. Any amount due under this Recapture Guaranty shall bear interest at the rate of 10% per annum from the date of the Recapture Event until paid.
  - D. Repurchase. At the election of the Investor, the Managing Member shall be required to permit the Investor or an affiliate to become the Managing Member of the Company or to repurchase the equity interests of the Investor for an amount equal to (i) 100% of the Capital Contributions paid to date, plus (ii) an amount equal to 15% of the total scheduled Capital Contributions of the Project, plus (iii) interest on (i) and (ii) at the Prime Rate from the date of payment of the initial Capital Contribution, if (a) construction of the Project is not completed by the Completion Date, (b) prior to Rental Achievement there is an uncured default under or termination of any financing document or commitment or any other material document, (c) a foreclosure action is commenced against the Project prior to Rental Achievement, (d) a Form 8609 for each building is not delivered within eighteen months following 100% Construction

- Completion or (e) prior to Rental Achievement certain other events occur which could impair the ability of the Company to claim the Credits and allocate to the Investor the Investor Credit Share.
- E. <u>Environmental Indemnification</u>. The Managing Member and the Guarantor(s), jointly and severally, shall indemnify the Company and the Investor with respect to the presence of hazardous materials in, on or about the Project including all compliance, clean-up and remediation costs (if applicable). This obligation will be more specifically set forth in the Operating Agreement and other related documents.
- F. <u>State Historic Credit Indemnification</u>. To the extent that the allocation of the State Historic Credits results in any income to the Company, the Managing Member and the Guarantors, jointly and severally, shall indemnify the Company, on an after-tax basis, for any obligation to pay taxes as a result of such income.
- 11. <u>Management Fee</u>. Drucker and Falk will be the Project's initial property manager. The Property Manager must have, to the Investor's satisfaction, adequate experience in managing properties eligible for Credits, and the Property Manager will enter into a property management agreement (the "<u>Management Agreement</u>") with the Company subject to commercially reasonable terms and conditions including a management fee not to exceed 5.0% of gross rentals (the "<u>Management Fee</u>"). However, if the Property Manager is an affiliate of the Managing Member, the Management Agreement will provide that up to 40% of the Management Fee will be deferred (the "<u>Deferred Management Fee</u>") to the extent that the Company does not have sufficient Cash Flow to pay such Management Fee. The Management Agreement must have a term of one year or less and provide for termination at the request of the Investor upon 30 days' prior notice.
- 12. <u>Allocation of Tax Credits, Depreciation, Profits and Losses</u>. The Credits, depreciation, operating profits and losses will be allocated in accordance with the percentage interests of the Company's members.

#### 13. Distributions.

- A. <u>Cash Flow Distributions</u>. Cash Flow after operating expenses, mandatory debt service and any reserves that may be required by the Investor or by any lender under the Loans will be distributed in the following order of priority:
  - i. to pay the Investor a \$5,000 cumulative annual local administrative fee (the "<u>Local</u> <u>Administrative Fee</u>"), which fee shall increase by 3% per annum;
  - ii. to replenish the Operating Reserve account to the Minimum Balance;
  - iii. to repay any loans made by any member of the Company other than the Managing Member;
  - iv. to repay any other loans made by the Company's members other than those made to pay for obligations of the Managing Member;
  - v. to pay any Deferred Management Fee;
  - vi. to pay any outstanding portion of the Deferred Developer Fee and accrued interest;
  - vii. to repay any Operating Loans to the extent of 50% of remaining Cash Flow;
  - viii. to pay any outstanding principal and interest on EAHP Loan to the extent of 100% of Cash Flow; and
  - ix. the balance 0.01% to the Managing Member and 99.99% to the Investor, such cash flow to be distributed from Closing until the sixth anniversary of Completion has occurred and 90% to the Managing Member and 10% to the Investor for all years thereafter (inclusive of the repayment of any Operating Loans or loans made under the Completion and Development Deficit Guaranty).
- B. <u>Proceeds of Sale or Refinancing</u>. Net proceeds of a sale or refinancing (each, a "<u>Capital Transaction</u>") will be distributed in the following order of priority:

Page | 8 R4 Capital

- i. to pay expenses of such Capital Transaction, debts and obligations of the Company, and establish necessary reserves;
- ii. to pay the Investor any accrued but unpaid portion of the annual Local Administrative Fee;
- iii. to repay any loans made by any member of the Company other than the Managing Member;
- iv. to repay any other loans made by the Company's members other than those made to pay for obligations of the Managing Member;
- v. to pay any Deferred Management Fee;
- vi. to pay any outstanding portion of the Deferred Developer Fee and accrued interest;
- vii. to repay any other loans made by the Managing Member or the Guarantor(s) pursuant to their obligations hereunder; and
- viii. the balance 0.01% to the Managing Member and 99.99% to the Investor, such cash flow to be distributed from Closing until the sixth anniversary of Completion has occurred; 45% to the Managing Member and 55% to the Investor for the year in which the sixth anniversary of completion occurs; and 90% to the Managing Member and 10% to the Investor for all years thereafter (inclusive of the repayment of any Operating Loans or loans made under the Completion and Development Deficit Guaranty).

Proceeds on liquidation of the Company shall be made in accordance with (i) through (vii) above, and then to the members to the extent necessary to eliminate any positive balance in their capital accounts, and then in accordance with (viii) above.

- 14. <u>Rights of Investor</u>. The consent of the Investor will be required for, among other things: (i) a Capital Transaction involving the Project, (ii) the withdrawal, admission or substitution of the Managing Member, and (iii) the sale, assignment, encumbering or pledging of the Managing Member's interests in the Company.
  - Furthermore, the Investor will have the right to remove the Managing Member and eliminate the Managing Member's interest in the Company if certain events set forth in the Operating Agreement occur, including if: (i) the Managing Member violates its fiduciary responsibilities, (ii) the Managing Member or the Company breaches its respective obligations and commitments, (iii) the Managing Member or the Guarantor(s) becomes bankrupt, (iv) the Project has sustained a loss of more than 5% of the Credits, or (v) the Project is subject to foreclosure or has materially breached documents encumbering the Project.
- 15. <u>Investor Review</u>. As set forth in the Operating Agreement, the Investor will have the right to inspect the Project during and after construction and to review construction loan disbursement requests and other financial and operations matters of the Project and the Company.
- 16. Reporting Requirements. The Company will prepare and deliver to the Investor (a) quarterly unaudited financial statements to be delivered within 30 days after the end of each quarter of the fiscal year; (b) annual audited financial statements to be delivered within 60 days after the end of each fiscal year; (c) an annual budget for each fiscal year to be delivered not later than November 1 of the preceding year; and (d) the Company's draft tax returns and K-1 forms to be delivered within 45 days after the end of each fiscal year. The independent accountant(s) for the Company may be chosen by the Managing Member, subject to the Investor's prior approval.
- 17. <u>Purchase Option</u>. The Managing Member so long as it is the managing member, shall have an option to purchase the Project (the "<u>Project Purchase Option</u>") at the end of the 15-year tax credit compliance period (the "<u>Compliance Period</u>") for a purchase price equal to the greater of (i) the fair market value ("<u>FMV</u>") of the Project or (ii) the sum of (x) the amount of the outstanding indebtedness secured by the Project, which

Page | 9 R4 Capital

indebtedness may be assumed by the Managing Member at its discretion, (y) the amount of the federal, state and local tax liability that the members of the Company (or their respective members or members) would incur as a result of such sale (determined on an after-tax basis) ("Exit Taxes") and (z) the amount of any unreimbursed deficiency in Credits recognized by the Investor with respect to the Project as compared to the level forecast by the Investor together with a return on such unrecognized Credits of 13% per annum (the "Credit Shortfall"). The Project Purchase Option shall terminate if it is not exercised during the one-year period immediately following termination of the Compliance Period. Additionally, the Managing Member, so long as it is the managing member, shall have an option to purchase the Investor's interest in the Company (the "Interest Purchase Option"), commencing at the beginning of the year following the final year in which Credits are delivered and ending upon the first anniversary of the date the Compliance Period terminated, for a purchase price equal to the greater of (1) the amount the Investor would be distributed if the Project were sold at FMV, (2) the FMV of the Investor's interest or (3) the sum of (a) the Exit Taxes, (b) the Credit Shortfall, and (c) the amount of any accrued and unpaid Local Administrative Fees owed to the Investor as of the date the Interest Purchase Option is exercised plus, if the Interest Purchase Option is exercised prior to the end of the Compliance Period, the amount of Local Administrative Fees that would accrue and be owed to the Investor if the Interest Purchase Option were not exercised until the end of the Compliance Period. In addition, if the Managing Member exercises its rights pursuant to this Section 17 prior to the expiration of the Compliance Period, the Managing Member and the Guarantors agree to execute a post-transfer compliance and guaranty agreement (the "Recapture Guaranty") relating to any tax credit recapture event arising during the Compliance Period in form and substance acceptable to the Investor. Any exercise of the Interest Purchase Option prior to the expiration of the Compliance Period will be contingent upon receipt by the Investor of (A) a fully-executed Recapture Guaranty that has been approved by the Investor, (B) certification from the Project accountant(s) that exercising the Interest Purchase Option will not cause a tax credit recapture event, (C) the Investor's Exit Taxes, (D) evidence satisfactory to the Investor that the deferred developer fee has been repaid in full, (E) a covenant by the Managing Member that the Company will not sell the Project prior to the end of the Compliance Period and will maintain insurance required to be maintained under the Operating Agreement for the full Compliance Period, and (F) current financial statements for the Guarantors reasonably acceptable to the Investor, indicating minimum unrestricted liquidity and net worth of \$1,000,000 and \$5,000,000, respectively.

- 18. <u>Conditions Precedent</u>. The Investor's investment in the Company in accordance with the terms of this Letter is subject to satisfaction (in the Investor's sole and absolute discretion) of the following conditions precedent (the "<u>Conditions Precedent</u>"):
  - A. the Investor's receipt and approval of all due diligence requested pursuant to the Investor's due diligence list, including Part I and II Historic Certification application(s) provided to the National Park Service with respect to the Historic Credits;
  - B. the negotiation of a final operating agreement governing the Company (the "Operating Agreement") and related documents;
  - C. evidence of the required approval of the Project by any necessary governmental entity;
  - D. the Investor's receipt and approval of current financial statements (prepared in accordance with generally accepted accounting principles) and a real estate owned schedule for the Managing Member, the Guarantor(s) and their principals;
  - E. the Investor's receipt of corporate opinions rendered by counsel to the Managing Member satisfactory to the Investor, in form and substance acceptable to the Investor;
  - F. the Investor's receipt of tax opinions rendered by its counsel, satisfactory to the Investor, with respect to the structuring of the Credit allocation, the members and any tax consequences as a result of the State Historic Credits;
  - G. evidence of insurance in accordance with the requirements set forth by the Investor;

Page | 10 R4 Capital

- H. evidence (in the form of an appraisal) that the allocation of basis between building and land is accurate and supportable;
- I. evidence that the historic basis is greater than the acquisition basis.
- J. such other materials as are reasonably required by the Investor as part of its customary financial and legal due diligence review, including such information reasonably required for inclusion in a registration statement, supplement, other offering materials prepared for the Investor, or any report required to be filed with any governmental authority; and
- K. approval of the Investor's internal investment committee and satisfaction of such other conditions as may be required as a condition to such approval.
- 19. <u>Transfer of Investor Interest</u>. The Investor will have the right to transfer its interest in the Company, and to have the transferee admitted as a substitute investor: (i) to any affiliate of the Investor, (ii) to any other person or entity provided that (A) the Investor will remain liable to make all capital contributions outstanding at the time of the transfer or (B) the net worth of the proposed transferee will be acceptable to the Managing Member in its reasonable discretion, or (iii) to a partnership or limited liability company in which the Investor is the general partner or managing member.
- 20. <u>Transfer of Managing Member Interest</u>. The Managing Member shall not sell, transfer, assign, pledge or encumber any portion of its interest in the Company without the prior written consent of the Investor. No change in control of the Managing Member will be allowed without the consent of the Investor.
- 21. <u>Bank Accounts</u>. All bank accounts of the Company will be maintained with an accredited banking institution acceptable to the Investor.
- 22. Changes. Any change to the information provided to us, or any change to our assumptions after our due diligence review, could affect our financial projections and thus the amount and terms of the Capital Contributions. The Investor has predicated the proposed terms contained in this Letter on the financial projections it has prepared, which are based upon the financial and other information furnished by the Managing Member or its agents, as well as certain assumptions of the federal income tax consequences of this transaction. Many regulations remain to be issued under various tax acts and many tax provisions contain ambiguities. The issuance of regulations or other resolution of such ambiguities, or any other changes in these tax assumptions, could affect the financial projections and thus, the amount and terms of the Capital Contributions.
- 23. <u>Tax Disclosure</u>. Notwithstanding anything to the contrary contained in the Operating Agreement or any other agreement between the parties hereto, or in any offering materials pertaining to the Project, the Investor and each officer, employee, representative or agent of the Investor may disclose to any and all persons, without limitation of any kind, (i) the tax treatment and tax structure of the Company and any of the Company's transactions or activities, and (ii) all materials of any kind (including opinions and tax analysis) that are provided to the Investor regarding its investment in the Company and/or such transactions or activities of the Company. This authorization as to tax disclosure is effective retroactively to the commencement of any discussions between the parties hereto or any of their agents or representatives.
- 24. Exclusivity. The Managing Member acknowledges that the Investor will expend significant effort and expense in connection with its Project review and due diligence and may forego other investment opportunities as a result thereof. The Managing Member agrees that it will not solicit or entertain any offers by other parties to acquire an equity interest in the Company unless and until the Investor has notified the Managing Member in writing that the Investor is not prepared to proceed with this transaction. The Investor

Page | 11 R4 Capital

- shall make such determination within 60 days after the submission by the Managing Member of all items required by the Investor to complete its due diligence.
- 25. <u>Transaction Expenses</u>. In addition to any expenses that are the responsibility of the Managing Member, if the transaction does not close due to the actions of the Managing Member, or the inability of the Managing Member to satisfy the Conditions Precedent contained herein, the Managing Member shall be responsible for the legal costs incurred by the Investor. Additionally, at the time of closing, the Managing Member shall reimburse the Investor for a portion of its legal and due diligence fees in an amount equal to the greater of (i) \$25,000 or (ii) the amount by which the Investor's legal and due diligence fees exceed \$75,000.

Investor reserves the right to bring in a third-party building inspector to review the construction plans, construction progress, and construction draws to ensure that the project is progressing in accordance with the Virginia Department of Historic Resources Part II Approval and the financial model for the project. The Company shall pay all fees of the inspector retained to perform said services up to a maximum amount of \$3,000.

The Sponsor acknowledges that it currently controls the Company, will control the land upon which the Project is built or renovated, will control the allocation of State Credits related to such Project, and expects to do so through the completion of the transaction contemplated herein. The Sponsor acknowledges that no agreement exists, written or otherwise, which would adversely affect its ability to enter into this agreement, and to timely complete the transaction contemplated herein. In consideration of Investor's interest and the mutual considerations described herein, the Sponsor grants to Investor the exclusive right to complete such transaction, and shall not engage in any discussion about the sale or transfer of the Project's State Credits and the associated benefits discussed herein, or its interest in them with any party other than the Investor until the earliest to occur of (a) Investor completing the transaction contemplated herein, (b) Investor's failure to commit to the investment in writing acceptable to the Sponsor prior to the expiration of the Due Diligence Period, or (c) December 15, 2025.

Please sign below as acknowledgment of your understanding and concurrence with the terms and conditions herein presented, and as authority to allow Investor, its subsidiaries, and its agents to research the Project, the Company, and the financial, professional, and character background of the principals involved. One original signed copy of this letter or electronic copy of same should be returned to Foss and Company. - 9.1.8 An Owner's Affidavit signed by Seller, addressed to the Title Company with respect to the absence of claims which would give rise to mechanics' liens, the absence of parties in possession of the Property and the absence of unrecorded casements granted by Seller, in the form required by the Title Company, and agreed to by Seller, to eliminate the exceptions for those matters from Purchaser's title insurance policy.
- 9.1.9 Written payoff letters on any existing mortgage loan secured by the Property, and such other documents or certifications as may reasonably be requested by Purchaser or the Title Company in order to consummate the sale and purchase of the Property and evidence of the existence, organization and authority of Seller and of the authority of persons executing documents on behalf of Seller, including, but not limited to, evidence of procurement of any necessary consents from the members or partners of any entity comprising the Seller.

  Seller shall be entitled to retain all utility deposits.

#### 10. DEFAULT; FAILURE OF CONDITION.

10.1 Purchaser Default. If Purchaser shall fail or refuse to purchase the Property in violation of Purchaser's obligations hereunder for any reason other than a default by Seller or a failure of condition under this Agreement, the Deposit shall be retained by Seller as liquidated damages, and both parties shall be relieved of and released from any further liability hereunder except for Purchaser's Indemnity Obligations set forth in Section 3.1.2 hereof, all of which shall survive the termination of this Agreement. Seller and Purchaser acknowledge and agree that (a) it would be extremely difficult to accorately determine the amount of damages suffered by Seller as a result of Purchaser's default hereunder, (b) the Deposit is a fair and reasonable amount to be retained by Seller as agreed and liquidated damages for Purchaser's default under this Agreement in light of Seller's removal of the Property from the market and the costs incurred by Seller, and (c) retention by Seller of the Deposit upon Purchaser's default hereunder shall not constitute a penalty or a forfeiture. Seller hereby waives all other remedies at law or in equity.

- 10.2 <u>Seller Default</u>. If Seller shall default under this Agreement or refuse or fail to convey the Property in violation of Seller's obligations hereunder, Purchaser shall have as its sole remedies hereunder the right to (a) terminate this Agreement and recover the Deposit, and Seller shall reimburse Purchaser for all reasonable out-of-pocket expenses incurred by Purchaser, up to and including the date of such default, in connection with the transactions contemplated by this Agreement (including reasonable attorneys' fees) or (b) seek specific performance of this Agreement.
- 10.3 Conditions to Closing. The obligations of Purchaser under this Agreement are subject to the satisfaction on or before the Date of Closing, as such date may be extended hereby, of all Seller's Closing conditions expressly set forth in this Agreement, including each of the following (any of which may be waived by Purchaser, in Purchaser's sole and absolute discretion, but only in writing):
  - (i) Seller shall have performed all of its covenants and other obligations contained in this Agreement, and all of Seller's representations and warranties contained in this Agreement shall be true and correct on and as of the Date of Closing as if such representations and warranties were restated in full as of the Date of Closing.
  - (ii) An examination of title to the Land and a survey thereof shall disclose no lien, encumbrance, encroachment, defect or other matter affecting the status of title or survey except for the Permitted Exceptions and title to the Land and Improvements shall be good of record and in fact, indefeasible, marketable and insurable at normal rates by a national title insurer as of the Date of Closing.
    - (iii) Seller shall have complied with its various delivery obligations under Section 9.1.
- by the Closing Date, Purchaser shall have the right, at its sole option, to extend the Closing Date for up to, but not beyond thirty (30) days, in order to afford additional time in which to satisfy such condition. If any condition described in Section 10.3 is not satisfied by the Closing Date, as such date may be extended pursuant to the immediately preceding sentence, Purchaser shall have the right to terminate this Agreement by giving written notice of such action to Seller. Upon delivery of such notice, this Agreement shall terminate, the Deposit shall be returned to Purchaser, and all rights and obligations of the parties hereunder shall be released and discharged with the exception of those obligations which shall expressly survive the termination of this Agreement; provided, however, that if such failure of a condition constitutes a default by Seller hereunder, then Purchaser shall have all rights and remedies as set forth in Section 10.2 hereof.

#### MISCELLANEOUS.

- 11.1 Entire Agreement. This Agreement, together with the schedules attached hereto, all of which are incorporated by reference, is the entire agreement between the parties with respect to the subject matter hereof, and no alteration, modification or interpretation hereof shall be binding unless in writing and signed by both parties.
- 11.2 Severability. If any provision of this Agreement or application to any party or circumstances shall be determined by any court of competent jurisdiction to be invalid and unenforceable to any extent, the remainder of this Agreement or the application of such provision to such person or circumstances, other than those as to which it is so determined invalid or unenforceable, shall not be affected thereby, and each provision hereof shall be valid and shall be enforced to the fullest extent permitted by law.
- 11.3 Applicable Law; Jurisdiction; Venue. This Agreement shall be construed and enforced in accordance with the laws of the Commonwealth of Virginia, without giving effect to principles of conflicts of law. The parties hereto agree that the exclusive jurisdiction and venue for litigation regarding any matters arising from this Agreement shall be the Circuit Court for the City of Richmond, Virginia.
- 11.4 Assignability. This Agreement may not be assigned by Purchaser without the prior written consent of Seller, except that, without the necessity of such consent, Purchaser may assign this Agreement to an entity in which the present principals of Purchaser (namely Douglas Jemal, Norman Jemal and/or Matthew Jemal) own a majority interest. No assignment shall release the Purchaser herein named from any obligation or liability under this Agreement. Any permitted assignee shall be deemed to have made any and all representations and warranties made by Purchaser hereunder, as if the assignee were the original signatory hereto. This Agreement shall be binding upon and inure to the

benefit of Purchaser and Seller and their successors and permitted assigns.

- 11.5 Survival. Seller's representations and warranties shall survive the Closing for a period of one (1) year.
- 11.6 <u>Captions</u>. The captions in this Agreement are inserted only as a matter of convenience and for reference and in no way define, limit or describe the scope of this Agreement or the scope or content of any of it provisions.
- 11.7 Attorneys' Fees. In the event of any litigation arising out of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees and costs.
- 11.8 No Partnership. Nothing contained in this Agreement shall be construed to create a partnership or joint venture between the parties or their successors in interest.
- 11.9 Waiver. No waiver of any breach of any agreement or provision contained herein shall be deemed a waiver of any preceding or succeeding breach of any other agreement or provision herein contained.
- 11.10 Tax-Free Exchange. If either party elects to complete this transaction as a tax free exchange, the other party agrees to fully cooperate, but without expense or liability. Each party acknowledges that the ability to effect a tax deferred exchange ("Exchange") in accordance with Section 1031 of the Internal Revenue Code of 1986 shall be of material importance to the other party, and that the other party would not have entered into the Agreement without the first party's willingness to cooperate in the other's efforts to accomplish such an Exchange. Each party agrees to cooperate as reasonably requested by the other in any Exchange; provided, however, that a party's inability to obtain the desired tax treatment for any Exchange shall not affect the enforceability of the Agreement and, provided further, that nothing therein shall be construed as a representation or warranty by a party that the other party will, in fact, be eligible for any of the benefits of an Exchange. In no event shall either party attempt to delay Closing under this Agreement by reason of its attempt to effectuate an Exchange, and no party shall be entitled to claim that its failure to obtain such Exchange shall enable such party to terminate this Agreement and in such event the transaction contemplated by this Agreement shall nevertheless be consummated as a sale and purchase. Furthermore, either Seller and/or Purchaser may assign its rights under this Agreement to a "qualified intermediary" in order to facilitate, at no cost or expense to the other, the Exchange; provided, however, that (i) such assignment to a qualified intermediary shall not relieve either party of its respective obligations hereunder; and (ii) if Seller notifies Purchaser that Seller has assigned its rights under the Agreement to a qualified intermediary, Purchaser will be deemed to have satisfied Purchaser's payment obligation if Purchaser wires proceeds to the qualified intermediary or to any other entity as instructed by Seller.
- 11.11 Headings. The headings preceding the text of the sections and subsections hereof are inserted solely for convenience of reference and shall not constitute a part of this Agreement, nor shall they affect its meaning, construction or effect.
- 11.12 Counterparts: Signatures. This Agreement, and any amendments hereto, may be executed simultaneously in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Facsimile signatures and signatures delivered electronically (e.g., via pdf file) shall be deemed to be the equivalent of original signatures for purposes of this Agreement and any amendments hereto.
- 11.13 <u>Exhibits.</u> All Exhibits which are referred to in this Agreement and which are attached to this Agreement are expressly made and constitute a part of this Agreement.
- 11.14 Jury Trial Waiver. Each party hereby waives trial by jury in any action, proceeding, claim or counterclaim brought by either party in connection with any matter arising out of or in any way connected with this Agreement and the relationship of Purchaser and Seller under this Agreement. Each party hereby consents to any service of process in any such action, proceeding, claim or counterclaim at the address set forth for such party in this Agreement; provided, however, that nothing in this Agreement shall be constructed as requiring such service at such address. This jury trial waiver provision shall survive the Closing or the termination of this Agreement.
  - 11.15 No Third Party Beneficiaries. This Agreement is for the sole benefit of the parties to this Agreement

(and their respective successors and permitted assigns), and no other person or entity shall be deemed to be a third-party beneficiary of this Agreement.

- 11.16 <u>Business Day.</u> For purposes of this Agreement, "business day" means any day on which business is generally transacted by banks in the Washington, D.C. metropolitan area. If a date or the expiration date of any period that is set out in any paragraph of this Agreement falls upon a day that is not a business day, then, in such event, the date or expiration date of such period shall be extended to the next business day.
- 11.17 Computing Time. For purposes of computing any period of time specified or relevant to performance hereunder, the day or date from which such time period is measured will be excluded and all other days, including holidays, will be counted.
- 13.18 <u>Equal Participation</u>. Both parties to this Agreement have participated fully and equally in the negotiation and preparation thereof. Accordingly, this Agreement will not be strictly construed against either party hereto.

RE: 2025 Tax Credit Reservation Request (30% present value credits to be paired with Tax-

exempt bonds)

Name of Development: Sevilla Residences
Name of Owner: Jemal's Sevilla, L.L.C.

Dear Virginia Housing:

This undersigned firm represents the above-referenced Owner as its counsel. It has received a copy of and has reviewed the completed application package dated June 25, 2025 (of which this opinion is a part) (the "Application") submitted to you for the purpose of requesting, in connection with the captioned Development, a reservation of low-income housing tax credits ("Credits") available under Section 42 of the Internal Revenue Code of 1986, as amended (the "Code"). It has also reviewed Section 42 of the Code, the regulations issued pursuant thereto and such other binding authority as it believes to be applicable to the issuance hereof (the regulations and binding authority hereinafter collectively referred to as the "Regulations").

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

- 1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in the Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.
- 2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.
- 3. The information set forth in the Unit Details section of the Application form as to proposed rents satisfies all applicable requirements of the Code and Regulations.
- 4. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application.
- 5. It is more likely than not that the representations made in the Rehab Information section of the Application form as to the Development's compliance with or exception to the Code's minimum expenditure requirements for rehabilitation projects are correct.

6. After reasonable investigation, the undersigned has no reason to believe that the representations made under the Rehab Information (Ten-Year Rule) section of the Application form as to the Development's compliance with or eligibility for exception to the ten-year "look-back rule" requirement of Code §42(d)(2)(B) are not correct.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon the placement in service of each building of the Development, the Owner would be eligible under the applicable provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("Virginia Housing") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by Virginia Housing and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

RE: 2025 Tax Credit Reservation Request (30% present value credits to be paired with

Tax-exempt bonds)

Name of Development: Sevilla Residences

Name of Owner: Jemal's Sevilla, L.L.C.

Dear Virginia Housing:

Based upon the foregoing reviews and upon due investigation of such matters as it deems necessary to render this opinion, but without expressing any opinion as to either the reasonableness of the estimated or projected figures or the veracity or accuracy of the factual representations set forth in the Application, the undersigned is of the opinion that:

1. It is more likely than not that the inclusion in eligible basis of the Development of such cost items or portions thereof, as set forth in the Hard Costs and Owners Costs section of the Application form, complies with all applicable requirements of the Code and Regulations.

#### 2. [Select One]

2. The calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.

<del>OR</del>

Assuming that you designate the buildings in the Development as being in a difficult development area pursuant to Code Section 42(d)(5)(B)(v), the calculations (a) of the Maximum Allowable Credit available under the Code with respect to the Development and (b) of the Estimated Qualified Basis of each building in the Development comply with all applicable requirements of the Code and regulations, including the selection of credit type implicit in such calculations.

#### 3. [Select One]

<u>3.</u> The information set forth in the Unit Details section of the Application form as to proposed rents satisfies all applicable requirements of the Code and Regulations.

#### OR

The information set forth in the Unit Details section of the Application form as to proposed rents exceeds the Code rent restrictions; however, the Development will satisfy all applicable requirements of the Code and Regulations due to subsidies such that no tenant will pay rents in excess of what is dictated by the Code and Regulations.

- 4. The site of the captioned Development is controlled by the Owner, as identified in the Site Control section of the Application.
- 5. [Delete if inapplicable] The type of the nonprofit organization involved in the Development is an organization described in Code Section 501(c)(3) or 501(c)(4) and exempt from taxation under Code Section 501(a), whose purposes include the fostering of low-income housing.
- 6. [Delete if inapplicable] The nonprofit organizations' ownership interest in the development is as described in the Nonprofit Involvement section of the Application form.
- 75. [Delete if inapplicable]—It is more likely than not that the representations made in the Rehab Information section of the Application form as to the Development's compliance with or exception to the Code's minimum expenditure requirements for rehabilitation projects are correct.
- 86. [Delete if inapplicable] After reasonable investigation, the undersigned has no reason to believe that the representations made under the Rehab Information (Ten-Year Rule) section of the Application form as to the Development's compliance with or eligibility for exception to the ten-year "look-back rule" requirement of Code §42(d)(2)(B) are not correct.

Finally, the undersigned is of the opinion that, if all information and representations contained in the Application and all current law were to remain unchanged, upon the placement in service of each building of the Development, the Owner would be eligible under the applicable

provisions of the Code and the Regulations to an allocation of Credits in the amount(s) requested in the Application.

This opinion is rendered solely for the purpose of inducing the Virginia Housing Development Authority ("Virginia Housing") to issue a reservation of Credits to the Owner. Accordingly, it may be relied upon only by Virginia Housing and may not be relied upon by any other party for any other purpose.

This opinion was not prepared in accordance with the requirements of Treasury Department Circular No. 230. Accordingly, it may not be relied upon for the purpose of avoiding U.S. Federal tax penalties or to support the promotion or marketing of the transaction or matters addressed herein.

Please find below an Utility Allowance (UA) for Barcroft Apartments RB5 in Arlington, VA.

Below is the projected electric utility allowance cost that represents the 'worst case' unit type (highest projected cost). The inputs used in the energy modeling are based on as-built specifications as provided by the owner. Electricity rates are pulled from their current listed schedules.

## Energy Model & Green Program Assumptions Disclosure

Southern Energy Management has built energy models for the following project:

#### Sevilla Residencies

The energy models follow the ANSI/RESNET/ICC 301-2019 Standard for the Calculation and Labeling of the Energy Performance of Dwelling and Sleeping Units using an Energy Rating Index.

The inputs in the energy models that are used to demonstrate preliminary compliance with the Virginia QAP standards are based upon the minimum HERS requirements, as well as the initial plans provided (if applicable) to Southern Energy Management. If plans were provided, they were assumed to be the latest version and a representation of what will be constructed on site.

Unless otherwise indicated, building envelope performance values are assumed to be code minimum for the applicable jurisdiction and are also subject to change after on-site testing is performed. Initial files sent to the project team may indicate a variation in unit square footage values than what is provided to SEM on the preliminary plans. This difference can be attributed to the differing protocols for measuring units between the architect and the residential modeler. If square footage below is the same as the values listed on the plans, note that once measured for the final energy model the square footage utilized may vary.

Southern Energy Management does not guarantee nor attest compliance with the applicable QAP requirements based on these preliminary models or plan set(s) as our review is based on compliance with the HERS requirements. All inputs listed in the following Building File Reports are subject to change with any alterations or modifications in the construction documents plan set as well as differences observed during on-site inspections.

Hi there kids! I am Charlie Cardinal and this is Speedy the Crime Fighting Hamster. We are here to introduce you to the basics of Internet Safety and some of the villains you need to watch out for. There are some bad characters out there, so you have to protect

## Privacy & Personal Information

Privacy is being able to keep things secret or hidden from others.

Personal Information is information about you or your family such as your address, a social security number, your parent's bank account, or how much money they have.

Criminals love to get people's personal information because they can pretend to be you, or use your money to buy things.

They can also make money off of your information by selling it to others. Companies or other criminals will use your info to send you junk mail or spam emails.

Criminals learning your address can be very bad. They may break in and steal from you. Protect your safety and your belongings, by keeping your information a secret.

These bad people may even use your personal information to trick someone else in your circle of friends and family. People sometimes tell criminals things that they shouldn't if they think that they are communicating with someone they know.

### **Passwords**

One of the most important things you need to learn is how to create strong passwords. A password is a code you type in to let the computer know it is really you.

Having an easy to guess password could allow someone to snoop around in your private information.

The way to make your password strong is to never use your name or your birthday. Use something hard to guess, but easy for you to remember. Make your password at least 8 characters long, and mixing numbers, symbols, and upper and lower case letters makes the password strong just like Speedy. Avoid using the same password over and over. That way if they do figure out your password, they only gain access to one account. And never leave your passwords written down where someone can find it.

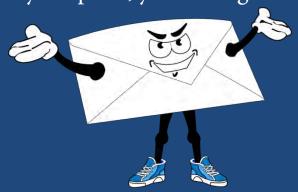

A great tool online that creates kid friendly passwords is the website,

# Spam (5)

Spam is basically email that you receive from different companies or strangers that you did not sign up for. Most times it isn't from real companies and usually the sender is up to no good.

Spam emails can sometimes be a phishing scam. Phishing emails are emails that look like it is from some trusted source. A place like your bank, the IRS where taxes are collected, or some other business you shop with often. They make their email look like it is the real thing with logos, and they put links in the email baiting you to click them. Once you click the link, you could be launching a program that can damage your computer in some way or collect your personal information.

Spam emails can also use winning a sweepstakes or some other type prize to trick you into trusting the email source. After they hook you in, they inform you that to collect your prize, you must give them your credit card number.

How do you know it is spam?

Spam emails typically have a bunch of spelling and grammar errors or a mention of someone you don't know in the subject line. Don't Open It! Delete those emails right away.

Malware is a program written with the intent to harm your computer in some way.

Programs such as this, may be waiting for you to do something(a trigger), so that it can run. This could be the clicking of the link or opening an email attachment.

When searching for free downloads online, be very careful. There are a lot of sites out there trying to trick you. They will pay to make their site get returned at the top of the list of search results. Then when you access the page, they use blinking buttons to trick you to click. The result of clicking usually ends up being your computer loaded up with malware.

Once your machine is infected, it can change browser settings, create unusual popup ads on your computer and then pass the malware on to someone else.

Spyware is a program that gets onto your computer through a download or a virus and it gathers information about you and sends this back to its creator.

Some of the types of information spyware might send back to home base is email addresses of you or your contacts, passwords, account numbers, and credit card numbers.

Some spyware out there records how you use your computer and what you search for online.

### Adware

Adware is software that you are allowed to use by the author because of the advertisements that pop up occasionally during the game. Many of these type games you will find in the form of apps on your phone or devices.

Through the addition of advertisments, the developer gains some income that may supplement a discount to the user, sometimes making the software free.

Often after using the product with the ads, a consumer will purchase the software to get rid of the ads.

### Trojan Horse

The name for the Trojan Horse virus was derived from tale of the Trojan Horse constructed by the Greeks to gain access to the city of Troy. The wooden horse was left at the gates as an offering to Athena. The horse was then wheeled into the city and out came Greek fighters hiding inside.

A Trojan horse virus is a form of malware that is dressed up as something interesting or software from a source we are familiar with. The purpose is to trick the person into installing it. This allows the creator of the Trojan to do damage to data or software on your computer. They also will set up a 'back door' or access point that allows them to access your system.

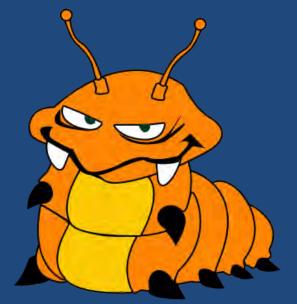

Trojan viruses don't spread by infecting other files and they cannot duplicate themselves.

### Worms

Worms are malware that can duplicate itself and spread to other computers. Worms always do something bad, even if it is just slowing things down.

Worms will frequently set up the ability for computers to be taken over by the worm's author by creating backdoors on the host computer. These computers are then called a "zombie computer". "Zombie computers" can be used to send out spam or as a shield to hide the web address of people who want to do bad things.

A virus is a small program that is created to spread from one computer to the next and to mess up the way your computer works.

Many times viruses hop from computer to computer via email attachments or messages. They can also hide in funny pictures (memes), e-cards, or other desirable file attachments. It can also be sent through an instant message.

A virus can corrupt your data, or worse, delete it. It can also email copies of itself to your friends.

Keeping your anti-virus software up to date is key to protecting against the latest viruses and other security threats.

### Social Media

Privacy settings on social media accounts are set up as public when you first get one. Unless you want everyone to be able to look at all of your photos and other private stuff, you must go into your account settings and change this.

Something to remember is whatever you post and say on your page can be shared by your friends. Think about what you post online, BEFORE you do it. What you post, could be seen by anyone at any time depending on your settings and the friends you keep. Because we can take pictures of our screens, there is really no setting that can protect you. Think twice about what you are sharing with others, so there are no regrets later.

Make sure you know the people that you accept friend requests from. Sometimes people try to friend you to hack your Facebook account or access your contacts. Once you are hacked they will send out strange messages or friend requests to your contacts. Protect your friends and yourself by being cautious with friends and creating strong passwords for your social media accounts.

## Geotagging 🕳

Geotagging is the bit of data that your electronic device packages with your picture that has information about where the picture was taken. This is something that can be turned on and off in your device and typically comes turned on until you change the setting.

When your photo is geotagged, this gives people information about your location. Letting outsiders know where you are, can allow them to plan to steal your belongings or vandalize your home.

Consider if you post a photo every Wednesday in your outfit ready to walk to ball practice and geotagging is turned on. This shows you have a routine and gives a rough area you will be in. A predator could come and take you away.

Another issue with allowing the geotagging to occur is you don't have control of your own privacy. Everyone does not need to know where you are all of the time, keep this information private.

# Be Careful of What You Say!

Defamation: Defamation is the blanket word used for all types of untrue statements made about others.

Slander: When someone orally tells one or more people an untruth about someone, which will harm the reputation of the person it is about. It is not slander if the untruth is in writing of some sort or if it is broadcast through television or radio.

Libel: This is where someone publishes to print(including pictures), written word, online posts, blogs, articles, or broadcast through radio, television, or film, an untruth about another which will do harm to the person's reputation.

# Be Careful of What You Say!

Much of the things people post online may get ignored, and you may get lucky and avoid legal action. But, when someone gets angry and files a lawsuit it can cause a major headache and possibly hit you hard in the wallet.

You might think you should have a right to openly complain about a company and their bad service or lousy product. Well when it comes to this, it is not always that simple. You can get sued for this and even if the judge agrees with you, you still have to pay for a defense attorney. Think twice and make sure that whatever you have to say is worth any headache you may have pop up later.

On social media, people get into the habit of letting their emotions get the better of them and they end up speaking their minds about others online. When that person feels that this damages their character, they may opt to sue the other person for defamation. Even if their case is not successful, the stress, money, and time that you spend defending yourself is not worth it. To read more about defamatory social media posts,

# Stranger Danger Online

When you think of being on your computer or other electronic device in your own home, you probably think you are safe. Your mom is in the next room, what could happen?

Well there are people online that are up to no good. They go in chat rooms and pop up on your instant messenger, looking for someone to "groom".

What is grooming you say? Well, grooming is when a stranger(can be any age) finds someone they are interested in, usually a minor. They act really nice and maybe they pretend they are much younger than they really are, like they are a kid just like you. Then they try to get you to like them and to trust them. They may ask you not to tell anyone you are talking to them. This is not okay and is a warning sign of a possible groomer.

### How to Protect Yourself in Online Chats

- Choose chat sites designed for kids, such as moderated and its aim is to protect kids from unwanted requests and online bullying.
- Beware of people you don't know. If they are asking too many questions or being too friendly they may be up to no good.
- If someone asks you to send them a picture or sends you a picture or video that is inappropriate, tell an adult or report them to the site moderators.
- Don't give out personal information to strangers online
- Don't tell strangers where you live or give them your telephone number
- Don't send strangers pictures of you or others
- If you are being bullied or threatened online, tell an adult or someone you trust

- Cyberbullying is the willful and repeated harm inflicted through the use of computers, cell phones, and other electronic devices.
- Using PhotoShop or other tools to create harassing images.
- Posting jokes about another person on the internet
- Using the internet to entice a group to physically harm another person.
- Making threats online using IM, email, social networking sites, or other electronic devices.

Anything that you write, pictures that you post, or videos that you upload can be used by your school to **suspend** you.

College students have been removed from their athletic teams and lost college funding for writing negative comments about their coach.

When applying to colleges, they will search online to see what kind of person you are. They can deny you access if they don't like what they find.

When businesses are looking at people to hire for a job they will many times use social media to see what kind of person they are. Mean or inappropriate type posts can prevent you from getting the job you desire.

Cyberbullying can also be considered a crime and participating in this type of behavior can land you in big trouble.

## Consequences of Cyberbullying

- § 18.2-152.7:1. Harassment by Computer; Penalty makes cyberbullying a crime.
- Carries a \$2500 fine and punishable by up to 12 months in prison.

There are many websites designed to inform and decrease the number of bullying cases we see each year. The U.S. Department of Health and Human Services has created a website with lots of resources to help combat bullying of all kinds - www.stopbullying.gov If you experience cyberbullying or witness it, tell someone such as a school counselor, teacher, or a parent.

# The Effects of Cyberbullying

- Victims feel depressed, sad, angry, and frustrated.
- Victims become afraid and/or embarrassed to attend school.
- Can lead to low self-worth, family problems, academic problems, school violence, and bad behavior.
- Victims can also develop thoughts of killing themselves and possibly act on these feelings.
- There are no positive effects of cyberbullying, only pain and suffering for the victims.
- The affects of being bullied can affect the victim into adulthood and prevent them from being all they can be in the future.

# Dealing with Cyberbullying

- Never do the same thing back, 2 wrongs don't make a right
- Tell them to stop
- Block their access to you
- Report it to the site you are on such as Facebook or Twitter
- NEVER pass along messages from cyberbullies, stop the spread of this behavior
- Set up privacy controls and keep the bully out of your friends list
- Don't be a cyberbully yourself
- If you witness someone getting bullied, tell someone so it can be stopped.
   Many times the person being bullied won't tell out of fear.
- Spread the word that bullying is not cool
- Don't laugh or encourage the bully, it is not funny and it can lead to major trouble for the person doing the bullying.

# About Sexting

"Sexting" is when someone sends or receives sexually explicit or non-PG Rated pictures or video electronically, mainly via cell phones or tablets.

The numbers on how many teens say that they have sent/posted nude or seminude pictures or videos of themselves is upsetting.

20% of teens between 13 to 19 years of age have engaged in sexting.

22% of teen girls

18% of teen boys

11% of teen girls between 13 to 16 years of age have engaged in sexting.

Did you know that if you forward a picture of a sexual or nude photo of someone underage, you are as responsible for the image as the original sender?? You can be charged with a crime.

Many teens don't realize that if you send a picture of yourself that is inappropriate and that picture ends up online, it could be there forever. You can never fully delete things that end up on the web.

# About Sexting 🎏

There is no age minimum that protects young people from getting charged with a sexual offense.

Something that you think is okay or just a joke, might land you in a ton of trouble. For example, you might take a picture of your friend naked to embarrass them, but if they are under the age of 18, this is considered production of child pornography.

If you are sent something inappropriate, do not share it and don't delete it. Tell an adult immediately. You may feel like you are getting your friend into trouble, but you are protecting yourself and you are protecting them. They may not be thinking about the consequences or the effect this behavior can have on their future.

Anyone that gets convicted of a sex offense, will have to register as a sex offender. Sex offenders have to keep their address updated and keep a current photo with the police. The information goes on the sex offender registry where anyone can go and see your picture and where you live online.

REMEMBER: You can't control what other people do with your photos. Even if you think you are sending it to someone you can trust, they may end up surprising you. You can't trust anyone with something as private as that. Don't Do It!

# Legal Consequences of Sexting

- The Virginia Department of Education has an excellent resource with real life examples of the consequences of sexting that can be found.
- The Attorney General's Virginia Rules website is designed to give Virginia Youth information on all the laws in the state.
   has extensive information on sexting and other internet security risks.
- This article in The Virginian-Pilot tells a story of five Virginia teens getting charged with felonies for sexting and being in possession of sexually explicit photos of a minor, read more about it

#### 2. Internet Search

Sevilla Residences Apartments will also be listed on the following websites:

#### www.virginiahousingsearch.com

www.hud.gov www.craigslist.org accessva.org dbhds.virginia.gov

#### 3. Print Media

Print media sources will also be identified in the Lynchburg area that cater to people with disabilities as well as the public at large. These sources may include, but are not limited to, rental magazines such as the *Apartment Shoppers Guide*, *Apartments For Rent*, local newspapers, etc. All advertising materials related to the project will contain the Equal Housing Opportunity logo, slogan or statement, in compliance with the Fair Housing Act, as well as the fact that units for people with disabilities are available.

#### 4. Resident Referrals

An effective Resident Referral program will be set up, in which current residents are rewarded for referring friends, coworkers, and others who may have disabilities to the property. These referrals are generally the best form of advertising as it attracts friends who will want to reside together, thus binding the community. *Residents will be offered incentives, to be determined, for referring qualified applicants who rent at the property.* Flyers will be distributed to residents along with the resident newsletter announcing the tenant referral program.

#### 5. Marketing Materials

Additional marketing materials are needed in order to further support the specific marketing effort to people with disabilities. All printed marketing materials will include the EHO logo. The marketing will also emphasize the physical and administrative compliance with Americans with Disabilities Act.

2

These marketing materials include:

- Brochures or news media coverage —A simple, two color brochure may be produced at low cost which will effectively sell the apartments and community. A brochure will include a listing of features and amenities. News media may include the local newspaper and/or the local television station coverage.
- Flyers As mentioned earlier, a flyer campaign can be used effectively to market the community. Each flyer should incorporate graphics as well as a small amount of copy and should be designed to generate traffic.
- Resident Referral The least expensive form of advertising is through Resident Referrals. A flyer should be created and distributed to all residents. (\$50 \$100 per referral, paid upon move in). In addition to being distributed to all residents, the referral flyer should be left in the Management office and should be included in the move in packet. (People are most inclined to refer their friends in the first few weeks of their tenancy.) The flyers will be changed to reflect the season or any type of special referral program.

#### III. Public and Community Relations

Equal Housing Opportunity promotions - all Site Signage containing the EHO logo and Fair Housing posters are displayed in English and Spanish in the Rental Office. YOUR MANAGEMENT encourages and supports an affirmative marketing program in which there are no barriers to obtaining housing because of race, color, religion, national origin, sex, elderliness, marital status, personal appearance, sexual orientation, familial status, physical or mental disability, political affiliation, source of income, or place of residence or business.

Additionally, a public relations program will be instituted to create a strong relationship between management and local disability organizations, neighborhood civic organizations, city officials, and other sources of potential qualified residents still to be identified.

#### IV. Tenant Selection and Orientation

The first contact with the management operations is an important one in attracting qualified residents; therefore, the management/leasing offices should convey a sense of professionalism, efficiency, and cleanliness. The management/leasing office is designed to provide a professional leasing atmosphere, with space set aside specifically for applicant interviews and application assistance. The leasing interviews will be used to emphasize the respect afforded to the applicant and the responsibilities which the applicant will be expected to assume.

Times of Operation - the Management Office will be open Monday through Friday from 8:30 A.M. to 4:30 P.M. Applicants will be processed at the Management Office Tuesday, Wednesday and Thursday, in accordance with approved criteria. Move-in process and orientation to property - applicants meet with designated staff to discuss programs available on the property and will be supplied relevant information to assist them in their move.

Management staff will perform housekeeping/home visits, check previous landlord and personal references, perform criminal/sex offender and credit background checks and verify income for each application taken. Tenant Selection will include minimum income limits assigned by the Owner/HUD. New residents will be given an orientation to the property including a review of the rules and regulations, information on the area, proper use of appliances, move-out procedures, maintenance procedures, rent payment procedures, energy conservation, grievance procedures and a review of the Lease documents.

#### **Tenant Selection Criteria**

A/72428543.1 3

Tenant Selection will include maximum income limits under the Low-Income Tax Credit and Section 8 programs. Selection criteria will also include student status guidelines pursuant to the Low-Income Housing Tax Credit program.

Management will commit that no annual minimum income requirement that exceeds the greater of \$3,600 or 2.5 times the portion of rent to be paid by tenants receiving rental assistance

#### **Application Processing**

Application processing will be done at the Management Office by the housing staff who are well versed in Fair Credit Law. As stated before, the processing will include a review of housekeeping/home visit, prior landlord references, personal references, criminal/sex offender and credit reporting and income verification. The housing staff will make further review for inaccuracies in the application. The annual income and family composition are the key factors for determining eligibility. However, the Housing Committee will also use the following criteria in selecting applicants for occupancy: ☐ Applicants must be individuals, not agencies or groups. ☐ Applicants must meet the current eligibility income limits for tax credits and any other program requirements. ☐ We will process the Rental Applications through a credit bureau to determine the credit worthiness of each applicant. If the score is below the threshold, and it has been determined that applicant has no bad credit and no negative rental history and no criminal history then the application can be conditionally approved after contacting the prior landlord. In these cases, the application must be reviewed by the Associate Director/ housing committee before final approval. Note- If the applicant's denial is based upon a credit report, the applicant will be advised of the source of the credit report in accordance with the Federal Fair Reporting Act. Guidelines published by the Federal Trade Commission suggest that apartment managers fall under the provisions of the Act and are obligated to advise the person refused an apartment for credit reasons, the name and address of the credit reporting firm in writing. The credit report will not be shown to the applicant, nor will specific information be revealed. ☐ We will process the Rental Application through a credit bureau to determine any possible criminal conduct. Convictions will be considered, regardless of whether "adjudication" was withheld. A criminal background check will be used as part of the qualifying criteria. An applicant will automatically be denied if; There is a conviction for the manufacture, sale, distribution, or possession with the intent to manufacture, sell or distribute a controlled substance within the past five years. There is evidence in the criminal history that reveals that the applicant has developed a pattern of criminal behavior, and such behavior presents a real or potential threat to residents and/or property. The application will be suspended if an applicant or member of the applicant's family has been arrested for a crime but has not yet been tried. The application will be reconsidered, within the above guidelines, after such legal proceedings have been concluded at applicants' request. ☐ Applicants must provide complete and accurate verification of all income of all family members. The household's annual income may not exceed the applicable limit, and the household must meet the subsidy or assisted Income Limits as established for the area in which YOUR Apartments is located. The annual income is compared to the area's Income Limits to determine eligibility. ☐ Family composition must be compatible for units available on the property.

#### B 60 Day-Hold Unit -

Units must be held vacant for 60 days during which active marketing efforts must be documented. However, if marketing to the 50-point special needs unit is deemed to be conducted satisfactorily on an ongoing basis throughout the year and management can provide sufficient documentation to Virginia Housing's Compliance Officer, management may request the ability to lease 50-point units to a household not in the special needs population without the unit remaining vacant for the 60-day timeframe. "Ongoing basis" means contact to at least two (2) resources at least monthly in the manner noted below at any time the required number of units is not actually occupied by the special needs population.

Properties that fail to document ongoing active marketing to the marketing plan network contacts to lease vacant leasing preference units, may be cited with non-compliance, and may be required to hold unit(s) vacant for up to 60 days to actively market unfilled leasing preference units.
